**Chapter 1 - An Angel's Prayer**

**2**

# 1 - An Angel's Prayer

All alone in a world so dull  
Not even one call from the sky above  
Not bound by hate soon to realize fate.  
    To see the light  
    The fallen learn to fight  
    With wings we fly,  
    We can not cry.  
We beg you not to think we are evil  
    Because we are fallen  
    We have found our calling  
    Pray for us  
We are guardians of the world

Here on land  
With the touch of our hand  
We guide you through sorrow  
Your life we will not barrow  
We are peaceful  
We pray you understand we show no sorrow  
With our wings we fly  
We can not cry  
We are not fallen angels  
Just a guardian for you to fallow.

Amen
