Chapter 1 - Nips at your heels

2

1 - Nips at your heels

*In my arms you felt so safe
Hidden by the world so savage
You stayed by me and even though you lied
Even to me
I hid you from the world
At your times of need
I feel bad for you
Put in the position
You can not predict
I felt your heart break
Even though you lied to me
Your guardian
Your saint
Your protector
I go sick of it
I threw my hands in the air
I said it was enough
Stand for your self
No longer a toy
Nor a guard
Because you are to scared
You run and hide into your abyss
Now you ran I feel bad
The world nipping at you heels
Your ran like a dog with you tail between your legs
I stand in the light
I call your name
I call for you
You probably can't hear me
I let you fall
I was there by you through it all
I failed you when you needed me now
I call you one last time
Not even a whisper
I fall by myself
Unable to catch what was the most visible thread
Now life hunts us both
Like a game
Who dies first...*
