Roxas P.O.V

Dark court

my name is Roxas and i have been there ever since my parents died and i was a orphan and the owner kidnapped me and now i'm in there i hate this place it's cold i can only watch as the demons get sold to Ovelords as slave they are lucky bastards i just turned 18 some birthday the only friend i have is the male ninja next to me his name is sam and i have known him since i first got there the time is now 12.00 i fell asleep until i heard someone talking

"why are we there again Wolf ?"

"because i want to buy another slave maybe a male Fighter

"sis havent you got enough slaves youve a male warrior what else do you want?"

"etna i just want a Strong male fighter to protect me and my friends"

"oh thats alright then"

great just what i need i thought a frigging Ovelords Daughter she wont pick me i'm just a loser as i slowly got up from the hay

"oh how about him"

i turned around to see a blond haired angel looking at me with a soft smile then a red haired girl appeared

"hmm he looks ok i guess but its up to my sister Wolf not me"

"oh etna your so kind to your sister i'll go and get her"

the blonde haired ran off then a blue haired boy took her place

"are you sure about letting your sister pick a fighter how the hell can she see the fighter she's wants shes blind!"

Etna rolled her eyes

"laharl my sister can see thing through her mind ok? she'll do fine oh flonne back"

the blonde haired angel known as flonne came back followed by a hooded frigure

" wolf what about him is he ok?"

wait is..is Etna talking about me? i asked myself

the hooded frigure turnrd around and looked at me before slowly turning back to the red haired and nodded

"ok sis wait there and i'll get the assistant" said etna as she walked off

i just sat ther frozen wait is she really picking me i ..i cant belive it i'm finally leaving this dump i tried to hold back my excitment but it kind of came out

**YEAH SHE'S PIKING ME I'M FINALLY OUT OF THERE**

I think i shouted too loud coz Flonne looked at me surprised

"Wolf is really nice you know you'll soon start to like her"

really i asked

"sure" the angel said

i just fell back onto the hay and laughed i was finnally going to get out of this hell and join a ovelord daughter and her friends
