sorry im taking so long but i just need an answer to something

if you are in tux's story please answer this: **:would you care if i use your personality in this story from tux's story**

and : **:would you be a gymleader or part of tuxedo's journey but you can still be in the journey but this is the half im taking.im just adding like,3 or 4 chapters.**

please comment on the story

ill get the story started after i get the answer

3 - Adonis' Battle

i'm going to just go on and continue the story

Adonis was being defeated his umbreon couldn't hold any longer but he remembered the darkria that his friend Raheal(me)one of the elite 4 gave him as he opened up a pokeball darkria came out and umbreon went in... the anonymous trainer was shocked by what he saw as the trainer lost the battle, his leafeon not standing a chance
