**Chapter 1 - marrys little lamb**

**2**

# 1 - marry's little lamb

Ok. Because Katz wrote her version of marry had a little lamb, here s mine

Marry had a little lamb

Whose fleece was white as snow

Every where that marry went the lamb was sure to go

Marry went to school one day and the lamb sure went to

All the kids would laugh and play because the lamb was coo

Than when she went to school one day

All the rules had changed

And instead of marry s little lamb, there was drugs, violence, and pain

All the kids at school that day only felt hate

Now that the school system is corrupt

Only the rich feel joy

Now I know I didn't rhyme on the last couple sentences, but hell that is my version of the story.
