“Yes, but she died about a month ago. From what we researched, see was taken with your father two years after you two were born. As I said, she died recently by being shot. About a week ago, her boyfriend attempted a human resurrection, trying to bring her back. We know this because his brother saw him disappear and was replaced by a girl. They also saw a teen come and take her with him. By the description, he was a homunculus. You might know who he is.” Mustang handed Edward a drawing of the person.

## 2 - Searching for clues

Ed was astonished that he had a long lost twin sister. 'This is impossible,' Ed thought. 'Mom would have told me if I had a sister.' Since Ed was thinking, he wasn't paying attention to where he was going so he ran into someone.

"Heh, watch where you're going," a girl said, turning around. It was Winry. "Hi Ed! Sorry about that." "Don't worry about it," Ed said, sounding like he had something on his mind, which he does. Winry looked at him with worry.

"Ed, is something wrong? You can tell me you know," Winry said.

"It's nothing, really," he said, then walked away.

"Sorry about bumping into you Winry," Al said. "Brother is just upset and confused right now."

"Why?" Winry asked.

"Because he found out he has a twin sister who is a homunculus." Winry gasped at this.

"Oh my god. Who created her?" Winry asked. Al told her everything that happened &

"...And now she is hanging out with Envy, which is really bad."

"Wow, that's terrible," Winry said.

~~~~~

Ed was at the library, research his sister. It turned out that she was also a skilled alchemist who dedicated her powers to helping other people. In a newspaper article, it said that Angel had saved a family caught in a mud slide. Another mentioned her donating toys to homeless children. Ed was only looking for the reason why his sister died. He then noticed a paper that mentioned a murder of a girl his age. Ed looked at the picture of the girl, and saw a female image of himself. As he read the article he saw that she was shot in the chest and died instantly. He saw another article from a newspaper, dated three days after the girl died, of the disappearance of a boy about three years older than the girl. A witness had said that he just disappeared into thin air, but was replaced by a teenage girl, who followed a green haired person out of the room. At the sight of the words green haired person Ed knew it was Envy. Damn! What did Envy want with her? Ed thought.

~~~~~

In an old abandoned warehouse, four homunculi were sitting in the office.

"Envy, are you sure that this girl is safe?" Lust said.

"Of course I am. I saw her come out of the gate after all," Envy replied

"Lust, I'm hungry," Gluttony said.

"Later, Gluttony. Sloth, what do you think?"

"I think she is safe," Sloth replied. Just as she said this, Anger and Wrath entered the room. (A/N when Angel is around the Homunculi, I am calling her Anger, but when she is alone with Ed, I am calling her Angel. confusing, I know). "Where were you two at for so long?"

"Just taking a walk," Wrath said. Anger still had a blank look in her eyes.

"Hey, Anger. Let's go," Envy said. She gave no reply, but followed him out of the room.
