Chapter 1 - Unknown

1 - Unknown

Unknown

Silent mist drifts around

Frozen blood pools to the ground

Unheard noises, death and fear

Pain and torment linger here

Pale skin, unseeing stare

Screaming out that life's not fair

Lying alone in emptiness

Everything is colorless

On her face, the pain is shown

Cold and chilling to the bone

From now on, it's up to fate

She knows now it's much too late

Unspoken words upon her lips

The unknown girl no one will miss
