Chapter 1 - Mortal Kombat Conquest Shang Tsung

2

1 - Mortal Kombat Conquest Shang Tsung

MK: Conquest: Shang Tsung

Vorpax: Sir, Shang Tsung, is it ready?

Shang: Yes...Kung Lao and his friends will be crushed and eliminated into the pits of hell Hmm, Hmm, Hmm.

Vorpax: May I suggest my plans?

Shang: If you believe them worthy.

Vorpax: I think we should take Quan Chi's revolting chest of Netherrealm spirits, capture Kitana, Get all the information we need from her and then...we kill her.

Shang: In Mortal Kombat?

Vorpax: Presumably.

Shang: And insert Kitana's soul into the chest?

Vorpax: My thoughts exactly, Shang Tsung

Shang Tsung: But how will it help us?

Vorpax: The Soul-less robotic Killing Machine you've created will be powered with all the souls in the chest!

Shang: Very interesting, Vorpax, but It won't be *That* strong.

Vorpax: Yes, but it will be enough to defeat Kung Lao and his friends. It will be more than enough with Kitana's soul in there!

Shang: Wonderful...

(Meanwhile)

Taja: Hey, Kung Lao have you seen Ciro?

Kung Lao: No, I haven't, why?

Taja: Ha ha, Just wondering, great to carry my stuff, y' know?!

Kung Lao: Ha! Is he really?!

Ciro: Looking for me?

Kung Lao: Where have you been?

Ciro: Do you know how much I need my daily shave?!

Taja: You think we haven't realised?!

(TCHHHHH) (Raiden apperars)

Raiden: Did you know there's more evil around?

Kung Lao: What? Where?

Ciro: And Why?

Taja: Is it Shang Tsung?

Raiden: How did you know?

Taja: Who else has a grudge against us?

Ciro: Shao Kahn?

Raiden: Never, Shao Kahn knows better, did you know?

Ciro: He does?

Raiden: But did you know he's after Kitana?

Kung Lao: Is that a problem?

Raiden: Yeah, but Shang Tsung's a bigger one, yes?

Taja: If you say so, right guys?

Voice from outside: This is my fighting tournament held for the mighty Kung Lao!!

Kung Lao: It's for me!

Raiden: Kung Lao, wait-

Kung Lao: Farewell

(Exit Kung Lao)

Raiden: (Sigh)

Ciro: Raiden?

Raiden: It's a trap; Kahli will capture him and bring him to Shang Tsung.

Taja: We gotta go, get him.

Raiden: It'll be too late.

Ciro: Whadda we do.

Raiden: We gotta head to Shang Tsung's Palace; by the time we get there it should be possible to rendezvous with Kung Lao.

(Enter Mica)

Mica: But Shang Tsung's more rewarding than Quan Chi, and if I've been ordered to kill Taja and Ciro I will.

Raiden: You can't get past a thunder god, Mica

(PSSSHHHH) (Shang Tsung Appears)

Shang: You can't interfere in the middle of Mortal Kombat!!

Raiden: She's not Mortal, Shang.

Shang: I'll hold you back

Raiden: Fair enough but it is two against one.

Shang: Seeming that Mica is not mortal it is fair, begin MORTAL KOMBAT!

(After a long battle, Mica begins to loose)

Shang: No, Not this time, I'm returning to my palace!

(PSSSHHHH) (Shang Tsung and Mica disappear)

Raiden: We should get help!!

Taja: from...?

Raiden: Quan Chi?

Ciro: Are you nuts?!

Raiden: No, Quan Chi hates Shang Tsung, and I think he'll be more than happy to help us once we tell him he's been betrayed by Mica.

Taja and Giro: Can we go the fast way?!!

Raiden: O. K

(ZAP) (Raiden, Giro and Taja arrive outside Quan Chi's palace.)

Sora: What brings you here?

Raiden: We need Quan Chi's help.

Quan Chi: What brings you here?

(Enter Quan Chi)

Raiden: Mica has betrayed you and has Kahli. They now serve Shang Tsung

Quan Chi: WHAAAAAT!!!! I'LL DEFEAT SHANG TSUNG, MICA AND KAHLI IF I HAVE TO!!!

Giro: That is why we've come.

Quan Chi: You must be Giro and she must be Taja.

Raiden: We ask of your assistance, help us defeat Shang Tsung.

Quan Chi: I would be most honoured, come with me through this portal, it will take you straight to Shang Tsung.

(They walk into the portal, half way down the portal they find Kahli)

Raiden: So you think betraying Quan Chi is a good idea and for what?...

Kahli: For Shang Tsung

Giro: You think Shang Tsung can give you anything

Taja: Yeah, Kahli, he'll just use you and you'll get nothing back, he might even kill you

Kahli: But won't Quan Chi do the same?

Raiden: Exactly, don't serve anyone, Kahli, help us or just be a normal pavilion of Earthrealm and Stay outta this.

Kahli: You don't get it do you? Shang Tsung has convinced me that if Quan Chi doesn't know about it, it's not a betrayal

(Quan Chi arrives)

Quan Chi: But I Do know, Kahli, I do!

Kahli: But how?

Raiden: I told him.

Kahli: You...I'll never bow down to you Raiden, I challenge you to Mortal Kombat!

Raiden: It's not Mortal Kombat if you're against a god!

Kahli: That's O.K. The other two will do just fine!

(Mortal Kombat erupts) (Kahli gets beaten and gets killed by Quan Chi)

Taja: All right, let's go.

(Meanwhile)

Shang Tsung: Vorpax, have Kitana and Kung Lao been tortured yet?

Vorpax: I'm way ahead of you, Shang Tsung, Kitana is going to be killed any minute.

(Then the good-guys arrive with Quan Chi)

Raiden: Stop right there

Kitana: Raiden?

Raiden: Don't worry Kitana.

Kung Lao: Help me, guys

Shang Tsung: Vorpax kill Kitana.

Kitana: NOOOOOO! "erk"

(Vorpax kills Kitana)

Shang Tsung: Kill Kung Lao

Raiden & Vorpax: You Can't

Vorpax: The Mortal Kombat tournament needs your machine to kill him!

Shang Tsung: Transfer all the souls into the robot...including Kitana's

(Vorpax follows the orders)

Shang Tsung: The robot, Sektor! Has awakened.

Kung Lao: Bring it on!

(Mortal Kombat starts between Sektor and Kung Lao)

Raiden: Vorpax! You have just done something very regrettable!

(Raiden kills Vorpax)

Shang Tsung: You broke the rules of Mortal Kombat!!

Raiden: No, I haven't, they're already broken, Shang!

Shang Tsung: I will win this time; I have allied with the strongest of all.

Ciro & Taja: who?

(Shao Kahn walks in)

Shao Kahn: Me

(Shao Kahn begins Kombat with Raiden)

Quan Chi: Shang Tsung?

Shang Tsung: Quan Chi?

Quan Chi: My allies turned against me for you?! AAAARRRGGGGHHHH!!!!

Shang Tsung: AAAARRRGGGGHHHH!!!!

(They fight each other, Ciro and Taja look around them, and they look at Kung Lao fighting Sektor, Raiden fighting Shao Kahn and Quan Chi fighting Shang Tsung)

Taja: (sarcastic) Just great! We're the only ones who aren't fighting.

Ciro: Wait-a-minute! Havn't all the rules been broken...

Taja: Yes...

Ciro: So we could just pick up a weapon and kill them all!

Taja: No...

Ciro: Why not?

Taja: Shao Kahn and Shang Tsung are both immortal. Only other immortals can kill immortals... I think!

Ciro: And Sektor?...

Taja: we could beat him like that!!

(So they do)

Kung Lao: Thanks guys

Raiden: I've defeated Shao Kahn and Shang Tsung.

Quan Chi: You... I should have defeated Shang Tsung and I should have defeated you a long time ago!!

(Quan Chi zaps Kung Lao and Kung Lao knocks over Ciro, they both die.)

Raiden: Taja, are they O.K.

Taja: Oh no! They're dead, Raiden they're dead, they're both dead!

Raiden: You...

(After a long fight both remain standing)

Quan Chi: Fine, Taja can die too!

(Quan Chi kills Taja with a powerful kick.)

Raiden: Not Taja too!

(More battle erupts between the two but Raiden starts to stagger with weakness)

Quan Chi: This is it, Raiden. You...are...finished!

(Quan Chi raises a broadsword above his head and anchors it down, slicing Raidens head off in one deadly blow)

Quan Chi: Who else must be defeated?

Reptile: You still have me to deal with!

Quan Chi: Where's your follower?

Reptile: She's been murdered by your people.

Quan Chi: That's nice

Mica: You still haven't dealt with me yet, Quan Chi.

Quan Chi: where are the other two of my slaves.

Mica: They're both dead...and IM NOT YOUR SLAVE ANYMORE, QUAN CHI!

Quan Chi: I don't care about you Mica; you're just an accessory getting in the way!

(Quan Chi kills Mica with a flying skull)

Quan Chi: Mica's out of the way!

Reptile: You killed her?

Quan Chi: I had no choice. She had to go, her time had come a while ago, and I shouldn't have helped her survive!

Reptile: You can't go around killing people

Quan Chi: I can if they get in the way!

Reptile: You're an evil, thieving, Scheming man, Quan Chi!

Quan Chi: Why do I talk to you and give you any knowledge?

Reptile: What?

Quan Chi: If I talk to you, you not going to die, are you?!

Reptile: What are you trying to say?

Quan Chi: Prepare for Mortal Kombat!

(Reptile Whistles, Shinnok comes flying in hitting Quan Chi with a flying kick)

Quan Chi: SHINNOK?! I thought you were banished to netherrealm!

Shinnok: I was but Reptile allowed passage to his land

Quan Chi: I'll defeat you if I have to.

Reptile: And me?

Quan Chi: Hah

(Quan Chi battles Reptile and Shinnok, Reptile gets defeated)

Shinnok: At Netherrealm I learnt how to resurrect people.

Quan Chi: And...

Shinnok: And as you know I love Fighting and chaos.

Quan chi: Yes, so...

Shinnok: To make things chaotic I will resurrect Raiden AND Shang Tsung. It will be really chaotic!

Quan Chi: NEVER!!!

(Shinnok resurrects them both)

Quan Chi: NOOOOOO!

(Shang Tsung kills both Quan Chi and Shinnok)

Raiden: Why do you kill them if they save your life?

Shang Tsung: They would have only of gotten in my way

Raiden: You are allied with Scorpion are you not?

Shang Tsung: Yes. I am, he is looking for his arch enemy, Sub-Zero, leader of the Lin Kuei Assassins. Both Scorpion and Sub-Zero wish to have power over all the realms.

Raiden: Actually, I'm allied with Sub-Zero and he's came with me to here to get vengeance on Scorpion. He said he knew he was here.

Shang Tsung: And where is Sub-Zero now?

Sub-Zero: I'm right here, Shang Tsung, where's Scorpion?

Shang Tsung: Greetings Sub-Zero!!

Sub-Zero: Cut the small talk, just tell me where he is!

Shang Tsung: As you wish, SCORPION!!

(Scorpion enters the building)

Shang Tsung: Prepare for MORATAL KOMBAT!

(A spear comes flying out of Scorpions hand ready to pull Sub-Zero towards Scorpion)

Scorpion: GET OVER HERE!

(Battle erupts with an awful lot of ice and spears! Scorpion wins the fight)

Scorpion: Finally, Sub-Zero, by defeating you I have avenged the death of my family and clan. My soul can finally rest

(Sub-Zero is about to die and his staggering)

Sub-Zero: Your soul will never rest, Scorpion because your family's true killer still remains...ffffrrrrreeeeeeeee, urk

(Sub-Zero dies instantly)

Shang Tsung & Raiden: He's wrong!!

Raiden: Quan Chi killed your family...

Shang Tsung: But I killed Quan Chi, Your death has been avenged, let your soul rest.

Scorpion: No. I must first take control of all the realms.

(Scorpion slays Raiden)

Scorpion: He had to go first.

Scorpion: You next

Shang Tsung: I'll never go down!

(Shang Tsung kills scorpion with an axe.)

(Meanwhile in the outworld Special Forces agency in Edenia)

Sonya: Hey, Jax have you seen Raiden?

Jax: No, why?

Sonya: oh, I was going to meet him later.

Jax: Hey it's Liu Kang.

Sonya: Hey, he looks upset

Jax: Hey, whats up, Lu?

Liu Kang: Well there's some good news and some (sniff) bad news.

Jax: We can take it, what's the negative vibe.

Liu Kang: You won't like it...

Sonya: We can take it!

Liu Kang: Well...Raiden, Taja, Ciro, Kung Lao and...Kitana have all died

Sonya: I don't think I can take that in.

Jax: Man, That's terrible

Liu Kang: All of our enemies have been defeated except Shang Tsung.

Sonya: Isn't his palace In Outworld.

Liu Kang: Yes, I know the exact location

Stryker: Hi, guys, Nightwolf, say hi.

Nightwolf: Hi.

Stryker: We've heard the news, apparently Sub-Zero's dead too.

Liu Kang: Oh no! Him too!

Jax: We can't go to outworld without Raiden to open a portal for us.

(Then they hear a ghostly voice)

Elder Gods: Yes... You... Can...

Sonya: Nightwolf use your Ki to work out who said that

Nightwolf: It can't be...

Stryker: It can't be? It can't be what?

Nightwolf: It's the Elder Gods!
