**Chapter 1 - escape**

# 1 - escape

I sigh  
look off the balcony  
far from home  
on vacation  
shouldn't I be happy?

Remembers today  
the disappointment on mom's face  
my lil sisters joy  
under new management  
do i even have a home?

a long car ride  
too many thoughts  
mind races  
nothing seems right  
will mom still love me?

only 2 years ago  
no mom  
no dad  
only grandparents  
why do things change so fast?

back to the present  
I'm getting away  
at any cost  
noone cares  
but can i go through with it?

i look at the moon  
for the last time  
smiling out the door  
Kitten calls to me  
are you comng in?

i look back at her  
no  
lil sister here  
lil brother there  
but how long will they hold me to earth?

yes i say  
then look at the sky  
full moon  
racing thoughts slow  
but am i really away?

we chat awile  
we laugh  
i think of baby brother  
i smile  
they may hold me forever.
