

A Poem for my Sister

My sister was emotionally abused by her husband. She moved away with him. Then she moved back (without him, they kinda seperated for 2 months). Then she decides that she wants to move back with him, so I wrote this to tell her how I felt.

1 - Untitled

So many nights I've cried

So many days I've hurt

I gave you all of my love

But still you left...

You've torn my heart to pieces

Wrenched it from my chest

You had my love in the palm of your hand,

And you threw it on the ground.

It is my own stupidity

Thinking you had changed.

It was my stupidity

Waiting, and wanting for you to come home,

But I am done crying for you

The last tear has fallen

I will always love you

But it was your choice

And I don't feel sorry for you.
