I wrote it when I was depressed and angry.

Chapter 1 - Love means nothing

2

1 - Love means nothing

You tell me that you love me

But you act like I'm diseased

You tell me that you care

But you act like I am crazy

Why do I feel that your "I love you"s

Are so empty

They mean nothing

Just a phrase

Something repeated so much

Meaning has been lost in its repetition

As these words pas your lips

You lie...
