*This is a place where I will put all of my ideas for my manga. You can tell me how crazy they are if you'd like.*

**Chapter 1 - Magicats**

**2**

# 1 - Magicats

I'm going to merge Sandstone Oracle with Magicats, an old story of mine. Sandstone Oracle is about a lost ocean goddess who is to save the world four times, and Magicats is about a human/cat named Tide, who's stuck in a war between two Magicat leaders.

As Result of the Fusion:

Tide's name will now be Ashya.

There are now three wars, between four races.

The new races include

the Magicaï, cat humanoids,

the Vuldor, bird humanoids,

the Darians, elk humanoids, and

the Warwolves, wolf humanoids.

The maps from the two stories are mixed together.

Characters from both stories are in the new one.

The story takes place in the 4th Dimension, accessible only through the heart of the Andromeda Galaxy.

That's about it.
