3 - Jack's Lament

espio:There are few who deny
At what I do, I am the best
For my talents are renowned far and wide

When it comes to surprises
In the moonlit night
I excel without ever even trying

With the slightest little effort
Of my ghost-like charm
I have seen grown men give out a shriek

With a wave of my hand
And a well-placed moan
I have swept the very bravest off their feet

But year after year
It's the same routine
And I grow so weary of the sound of screams

And I, Jack,
The pumpkin King
Have grown so tired of the same old thing
[Lyrics from: <http://www.lyricsty.com/danny-elfman-jacks-lament-lyrics.html>]

Chorus:
Oh somewhere deep inside of these bones
An emptiness began to grow
There's something out there far from my home
A longing that I've never known

I'm the master of fright
And a demon of light
And I'll scare you right out of your pants

To a guy in Kentucky
I'm Mr. Unlucky
And I'm known throughout England and France

And since I am dead
I can take off my head
To recite Shakespearian quotations

No animal nor man
Can scream like I can
With the fury of my recitations

But who here
Would ever understand
That the Pumkin King with the skeleton grin

Would tire of his crown
If they only understood
He'd give it all up if he only could

Oh there's an empty place in my bones
That calls out for something unknown
The fame and praise come year after year
Does nothing fill these empty tears
violet: :(

4 - what's this

espio:*falls into x-mas town*What's this? What's this?

There's color everywhere

What's this?

There's white things in the air

What's this?

I can't believe my eyes

I must be dreaming

Wake up, jack, this isn't fair

What's this?

What's this? What's this?

There's something very wrong

What's this?

There are people singing songs

What's this?

The streets are lined with

Little creatures laughing

Everybody seems so happy

Have I possibly gone daffy?

What is this?

What's this?

There are children throwing snowballs here

instead of throwing heads

They're busy building toys

And absolutely no one's dead

There's frost on every window

Oh, I can't believe my eyes

And in my bones I feel the warmth

That's coming from inside

Oh, look

What's this?

They're hanging mistletoe, they kiss

Why that looks so unique, inspired

They're gathering around to hear a story

Roasting chestnuts on a fire

What's this?

What's this?

In here they've got a little tree, how queer
And who would ever think
And why?

They're covering it with tiny little things
They've got electric lights on strings
And there's a smile on everyone
So, now, correct me if I'm wrong
This looks like fun
This looks like fun
Oh, could it be I got my wish?
What's this?

Oh my, what now?
The children are asleep
But look, there's nothing underneath
No ghouls, no witches here to scream and scare them
Or ensnare them, only little cozy things
Secure inside their dreamland
What's this?

The monsters are all missing
And the nightmares can't be found
And in their place there seems to be
Good feeling all around

Instead of screams, I swear
I can hear music in the air
The smell of cakes and pies
Is absolutely everywhere

The sights, the sounds
They're everywhere and all around
I've never felt so good before
This empty place inside of me is filling up
I simply cannot get enough

I want it, oh, I want it
Oh, I want it for my own
I've got to know
I've got to know
What is this place that I have found?
What is this?
Christmas Town, hmm...

5 - town meeting

espio: Listen, there were objects so peculiar
They were not to be believed
All around, things to tantalize my brain

It's a world unlike anything I've ever seen
And as hard as I try
I can't seem to describe
Like a most improbable dream

But you must believe when I tell you this
It's as real as my skull and it does exist
Here, let me show you

This is a thing called a present
The whole thing starts with a box

tirta: A box?

is it steel?

mighty: Are there locks?

shadow: Is it filled with a pox?

pinky: A pox

How delightful, a pox

espio: If you please

Just a box with bright-colored paper

And the whole thing's topped with a bow

pinky: A bow?

natsume: But why?

alice: How ugly

all three: What's in it?

What's in it?

espio: That's the point of the thing, not to know

ultragamma: It's a bat

rini: Will it bend?

ultragamma: It's a rat

rini: Will it break?

natsume: Perhaps it's the head that I found in the lake

espio: Listen now, you don't understand

That's not the point of Christmas land

Now, pay attention

Now we pick up an oversized sock

And hang it like this on the wall

tirta: Oh, yes! Does it still have a foot?

pinky:Let me see, let me look
alice:Is it rotted and covered with gook?
espio:Hmm, let me explain
There's no foot inside, but there's candy
Or sometimes it's filled with small toys
charmy:Small toys
amy:Do they bite?
tails:Do they snap?
all three:Or explode in a sack?
mighty:Or perhaps they just spring out
And scare girls and boys
vector:What a splendid idea
This Christmas sounds fun
Why, I fully endorse it
Let's try it at once
espio:Everyone, please now, not so fast
There's something here that you don't quite grasp
Well, I may as well give them what they want

And the best, I must confess, I have saved for the last
For the ruler of this Christmas land
Is a fearsome king with a deep mighty voice
Least that's what I've come to understand

And I've also heard it told
That he's something to behold
Like a lobster, huge and red
And sets out to slay with his rain gear on
Carting bulging sacks with his big great arms
That is, so I've heard it said

And on a dark, cold night
Under full moonlight
He flies into a fog
Like a vulture in the sky
And they call him Sandy Claws

Well, at least they're excited
Though they don't understand
That special kind of feeling in Christmas land
Oh, well...

6 - Jack's Onsession

natsume/pinky/alice:Something's up with Jack
Something's up with Jack
Don't know if we're ever going to get him back
natsume:He's all alone up there
Locked away inside
pinky:Never says a word
alice:Hope he hasn't died
all three:Something's up with Jack
Something's up with Jack
espio:Christmas time is buzzing in my skull
Will it let me be? I cannot tell
There are so many things I cannot grasp
When I think I've got it, and then at last
Through my bony fingers it does slip
Like a snowflake in a fiery grip

Something's here I'm not quite getting
Though I try, I keep forgetting
Like a memory long since past
Here in an instant, gone in a flash
What does it mean?
What does it mean?

In these little bric-a-brac
A secret's waiting to be cracked
These dolls and toys confuse me so
Confound it all, I love it though

Simple objects, nothing more
But something's hidden through a door
Though I do not have the key
Something's there I cannot see
What does it mean?
What does it mean?
What does it mean?
Hmm...

I've read these Christmas books so many times
I know the stories and I know the rhymes
I know the Christmas carols all by heart
My skull's so full, it's tearing me apart
As often as I've read them, something's wrong

So hard to put my bony finger on

Or perhaps it's really not as deep
As I've been led to think
Am I trying much too hard?
Of course! I've been too close to see
The answer's right in front of me
Right in front of me

It's simple really, very clear
Like music drifting in the air
Invisible, but everywhere
Just because I cannot see it
Doesn't mean I can't believe it

You know, I think this Christmas thing
It's not as tricky as it seems
And why should they have all the fun?
It should belong to anyone

Not anyone, in fact, but me
Why, I could make a Christmas tree
And there's no reason I can find
I couldn't handle Christmas time

I bet I could improve it too
And that's exactly what I'll do
Hee,hee,hee
Eureka! I've got it

7 - kidnap the sandy claws

all three:Kidnap Mr. Sandy Claws...

charmy:I wanna do it!

tails:Let's draw straws!

amy:Jack said we should work together

Three of a kind

all three:Birds of a feather

Now and forever

Wheeee

La, la, la, la, la

Kidnap the Sandy Claws, lock him up real tight

Throw away the key and then

Turn off all the lights

amy:First, we're going to set some bait

Inside a nasty trap and wait

When he comes a-sniffing we will

Snap the trap and close the gate

charmy:Wait! I've got a better plan

To catch this big red lobster man

Let's pop him in a boiling pot

And when he's done we'll butter him up

all three:Kidnap the Sandy Claws

Throw him in a box

Bury him for ninety years

Then see if he talks

amy:[SHOCK]

Then Mr. Oogie Boogie man

Can take the whole thing over then

He'll be so pleased, I do declare

That he will cook him rare

all three:Wheeee!

charmy:I say that we take a cannon

Aim it at his door and then

Knock three times and when he answers

Sandy Claws will be no more

amy:You're so stupid, think now

If we blow him up into smithereens

We may lose some pieces

And the Jack will beat us black and green

all three:Kidnap the Sandy Claws

Tie him in a bag

Throw him in the ocean

Then see if he is sad
charmy and amy: Because Mr. Oogie Boogie is the meanest guy around
If I were on his Boogie list, I'd get out of town
tails: He'll be so pleased by our success
That he'll reward us too, I'll bet
all three: Perhaps he'll make his special brew
Of snake and spider stew
Mmmmmm!

We're his little henchmen
And we take our job with pride
We do our best to please him
And stay on his good side
amy: I wish my cohorts weren't so dumb
tails: I'm not the dumb one
charmy: You're no fun
amy: Shut up!
charmy: Make me
amy: I've got something, listen now
This one is real good, you'll see
We'll send a present to his door
Upon there'll be a note to read
Now, in the box we'll wait and hide
all three: Until his curiosity
Entices him to look inside
And then we'll have him
One, two, three
Kidnap the Sandy Claws, beat him with a stick
Lock him up for ninety years, see what makes him tick

Kidnap the Sandy Claws, chop him into bits
Mr. Oogie Boogie is sure to get his kicks
Kidnap the Sandy Claws, see what we will see
Lock him in a cage and then throw away the key!!!
Ha,ha,ha,ha!

8 - Making Christmas

ultragamma:This time, this time
everyone:Making Christmas
ultragamma:Making Christmas
vector:Making Christmas, making Christmas
Is so fine
everyone:It's ours this time
And won't the children be surprised
It's ours this time
rini:Making Christmas
tirta:Making Christmas
both:Making Christmas
pinky/alice/natsume/:Time to give them something fun
rini:They'll talk about for years to come
everyone:Let's have a cheer from everyone
It's time to party
sonic:Making Christmas, making Christmas
shadow/silver:Snakes and mice get wrapped up so nice
With spider legs and pretty bows
both:It's ours this time
omgea:All together, that and this
mighty:With all our tricks we're Making Christmastime
natsume:Here comes Jack
espio:I don't believe what's happening to me
My hopes, my dreams, my fantasies
Hee, hee, hee, hee
tirta:Won't they be impressed, I am a genius
See how I transformed this old rat
Into a most delightful hat
espio:Hmm, my compliments from me to you
On this your most intriguing hat
Consider though this substitute
A bat in place of this old rat
Huh! No, no, no, now that's all wrong
This thing will never make a present
It's been dead now for much too long
Try something fresher, something pleasant
Try again, don't give up
natsume/pinky/alice:All together, that and this
With all our tricks we're making Christmastime
everyone:his time, this time
Making Christmas, making Christmas
La, la, la

It's almost here
mighty:And we can't wait
everyone:So ring the bells and celebrate 'Cause when the full moon starts to climb
We'll all sing out
espio:It's Christmastime
Hee, hee, hee

9 - Oogie Boogie's Song

tails doll: Well, well, well, what have we here?
Sandy Claws, huh?
Oh, I'm really scared
So you're the one everybody's talkin' about, ha, ha

You're jokin', you're jokin'
I can't believe my eyes
You're jokin' me, you gotta be
This can't be the right guy
He's ancient, he's ugly
I don't know which is worse
I might just split a seam now
If I don't die laughing first

When Mr. Oogie Boogie says
There's trouble close at hand
You'd better pay attention now
'Cause I'm the Boogie Man
And if you aren't shakin'
Then there's something very wrong
'Cause this may be the last time now
That you hear the boogie song, ohhh
charmy/amy/tails: Ohhh
tails doll: Ohhh
all three: Ohhh
tails doll: Ohhh
all three: Ohhh, he's the Oogie Boogie Man
tails doll: Well if I'm feelin' antsy
And there's nothin' much to do
I might just cook a special batch
Of snake and spider stew
And don't ya know the one thing
That would make it work so nice?
A roly-poly Sandy Claws to add a little spice
all three: Ohhh
tails doll: Oh, yeah
all three: Ohhh
tails doll: ohhh
all three: ohhh Oh, yeah he's the Oogie Boogie Man
knuckles: Release me now
Or you must face the dire consequences
The children are expecting me

So please, come to your senses
tails doll: You're jokin', you're jokin'
I can't believe my ears
Would someone shut this fella up
I'm drownin' in my tears
It's funny, I'm laughing
You really are too much
And now, with your permission
I'm going to do my stuff
knuckles: What are you going to do?
tails doll: I'm gonna do the best I can Oh, the sound of rollin' dice
To me is music in the air
'Cause I'm a gamblin' Boogie Man
Although I don't play fair

It's much more fun, I must confess
When lives are on the line
Not mine, of course, but yours, old boy
Now that'd be just fine
knuckles: Release me fast or you will have to
Answer for this heinous act
tails doll: Oh, brother, you're something
You put me in a spin
You aren't comprehending
The position that you're in
It's hopeless, you're finished
You haven't got a prayer
'Cause I'm Mr. Oogie Boogie
And you ain't going nowhere

10 - Sally's Song"

violet:I sense there's something in the wind
That seems like tragedy's at hand
And though I'd like to stand by him
Can't shake this feeling that I have
The worst is just around the bend

And does he notice my feelings for him?
And will he see how much he means to me?
I think it's not to be

What will become of my dear friend?
Where will his actions lead us then?
Although I'd like to join the crowd
In their enthusiastic cloud
Try as I may, it doesn't last

And will we ever end up together?
no, I think not, it's never to become
For I am not the one

11 - "Poor Jack"

espio: :(What have I done?
What have I done?
How could I be so blind?
All is lost, where was I?
Spoiled all, spoiled all
Everything's gone all wrong

What have I done?
What have I done?
Find a deep cave to hide in
In a million years they'll find me
Only dust and a plaque
That reads, "Here Lies Poor Old Jack"

But I never intended all this madness, never
And nobody really understood, how could they?
That all I ever wanted was to bring them something great
Why does nothing ever turn out like it should?

Well, what the heck, I went and did my best
And, by God, I really tasted something swell
And for a moment, why, I even touched the sky
And at least I left some stories they can tell, I did

And for the first time since I don't remember when
I felt just like my aold bony self again
And I, Jack, the Pumpkin King
That's right, I am the Pumpkin King, ha, ha, ha

And I just can't wait until next Halloween
'Cause I've got some new ideas
that will really make them scream
And, by Godm I'm really gonna give it all my might
Uh oh, I hope there's still time to set things right
sandy Claws, hmm

12 - Finale

everyone:La, la, la Jack's OK, and he's back, OK

tirta:He's all right

vector:Let's shout, make a fuss

Scream it out, wheee

everyone:Jack is back now, everyone sing

In our town of Halloween

mighty:What's this?

tirta:What's this?

rini:I haven't got a clue

natsume:What's this?

ultragamma:What it's completely new

silver:What's this?

mighty:Must be a Christmas thing

pinky:What's this?

vector:It's really very strange

everyone:This is Halloween

Halloween! Halloween! Halloween! What's this?

What's this?

espio:My dearest friend, if you don't mind

I'd like to join you by your side

Where we can gaze into the stars

violet/espio:And sit together, now and forever

For it is plain as anyone can see

We're simply meant to be

THE END
