**Chapter 1 - born to die**

**2**

## 1 - born to die

i watch in silence  
my memory a blur  
everything so fast  
creation  
destruction  
i rise from the earth  
birth from the ground  
death from above  
i live to serve  
i die to protect  
and roam this world in search of a purpose  
to live is futile  
unless your remembered  
to die subtle  
or loud in an explosive cry  
all will perish someday  
and return to the void  
where it was created.
