UM....this poetry that I wrote was based on this sadness that always been there,never ending its work on the Earth and I thought up of this song when it was raining like a year ago or something like that.

1 - The Weary Traveler

Why we must lothae in the darkness
I image I am a weary traveler
When the rain comes
I want to cry
But no tears rolling down onto my cheeks
I'm just a weary traveler
I've traveled far and wide
With my friends by my side
I wonder the rain is sign of sadness
Or just merely to feed the Earth's thirst?
But I know that the rain
Is a sign of great sadness
Sometimes I wonder
If there is a traveler like me
My voice will ring out
Like a bell
That will affect everybody's heart
If someone will tear this song
Then that person will tear my soul
I'm just a weary traveler
I've traveled far and wide
With my friends by my side
When the rain comes
I want to cry
But no tears rolling down onto my cheeks
I wonder the rain is a sign of sadness
Or just merely to feed the Earth's thirst?
I'm just a weary traveler
