What ever pops into my head ill write, im aiming for funny...

A huge gigantic.... MUSHROOM pops out of the ground and... some kid, named.... John, well John, she stares at the mushroom, and says in awe: "Wow, that is a huge gigantic mushroom!" John takes a bite and she gets poisoned cuz its not a mushy, its a toadstool, like on Mario, only not nice. Then her mum says 'Johnny, come inside' and Johnny says 'Mum dont call me Johnny! And ive been poisoned by a mushroom!' Mum says "you cant get poisoned by mushys, now come inside and eat your tea!" but Johnny feels a BIT sick after eating the mushstool and spews on the doorstep of their cute little house with lots of pretty flowers that used to be pretty until the smelled the spew, then they wilted. Johnny felt better after a nice spew and walked inside and yelled "WHATS FOR DINNER!?" cos she was empty now that she had spewed all her breakfast and snacks and lunch and more snacks and toadstool up. Mum yelled: "MACCAS!" cos they live in a tree, maccas was a delicacy and it costed alot.. like two whole BUCKS!! And they ate it and there was fat and they saw that it was good so they ate it again and became obese.
