1 - Chapter 1: New Friends

StarsChapter 1New Friends Kori Anders was a shy 14 year old in a new place. A new town, new school, new people. This wasn't exactly what she had planned her high school life to be. Kori was a freshman at a new high school where no one knew her and therefore could judge her. She missed her old friends. Katie who was shy but was a very good comedian when she stepped on stage. With her black hair always in a side ponytail and brown eyes always bright. Mandy who could stop any boy in his tracks with her long tall body, blue eyes, and blonde hair. Bobby who always took care of you when you were sad and was so cute with his flawless skin, gray eyes and light brown hair. And then there was Justin. His red hair and freckles. Green eyes. The best smile. He was Kori's best friend and she really needed him right now. Not paying attention and humming with her head down, Kori bumped into two girls. "Like, watch where I'm going." The first said with an incredibly screechy voice. The girl was a prep Kori guessed and was probably on the cheerleading squad. She had bleach blonde hair (not her natural color no doubt) and had blue eyes. Her skin was orange which meant she used sunless tanning lotion, boobs stuck out way too far and were most likely fake, and her lips bigger than a black girl's. The girl wore a hot pink shirt that read "My Daddy Bought Me a Pony" in black lettering with a white horse on the back. Her jeans were too tight and shoes were black flip flops. "Yeah, like watch where Kittens going." Her sidekick retorted. She was also a prep and was on the cheersquad without a doubt. Her black hair with pink highlights in pigtails. She had strange pink eyes and wore a black shirt that said "Back Off, I'm Hot" in hot pink lettering. Her jeans, too, were too tight and she also wore flip flops that were pink instead. "Shut up Jinx!" "I'm really sorry," Kori said squatting down to pick up Kitten's things. "Here, let me help you." "I don't need help from a loser like you." Kitten and Jinx turned their backs to Kori and laughed. Continuing their conversation. Great. Kori thought. I'm the loser again. She made her way to her first class homeroom. Room 100. She walked into the school and through the hallway, careful not to bump into anyone. Kori walked into the room and saw the teens throwing things at each other, talking, drawing, reading, and hanging out with friends. She walked up to the teacher and said, "I'm new here could you give me my schedual and locker number?" The teacher gave her both and told her not to be scared and she'd make friends soon. Kori sat down in the first empty seat she saw. "You're in my seat." A girl with violet hair and eyes in a black and red Panic! at the Disco T shirt and black jeans with holes in them stood over her. "I'm sorry," Kori said. "Let me guess, you're new?" she asked. Kori nodded. "I'm Rachel Roth, call me Raven but don't ever call me Rea." "Kori Anders," she stuck out her hand. Rachel didn't shake it. "No one does that here." "Oh, sorry." "It's okay, but stop saying that." Rachel smiled which was very rare. "Let me see your schedual." Kori handed it to her. "Wow, we're in algebra, bio, P.E., lunch and drama club." Rachel handed it back to her new friend. "So that means we also have algebra with Rich, Gar and Vic. For bio we're with Rich. For P.E. we have Kitten and her posy and Beth. Lunch is with Rich, Vic, and Gar again and none of them are in drama club." The bell rang which meant 1st period started and Kori had History. "See you third period," Rachel called walking in the other direction to her Spanish class. Kori walked to Room:108 and sat down hoping this wasn't someone else's seat. She got out her English book and looked at the chalk board to see what the assignment was. "Read Chap. 22 and take notes. If not completed take home." amd below it: "Homework: Finish Chap. 22 and notes. Review Lesson 1. Quiz on Frie." Today was Wednesday. Great. She opened her book and began to read about the French Revolution. 30 minutes later the bell rang and Kori got her things and made her way to Room:101, English. In third period, P.E. she went to her locker, Locker:19 and got her P.E. uniform, a white T shirt with the words "Jump City High" and on the back "Anders" in

navy blue lettering and navy blue shorts. Then she met up with Rachel in the girls' locker room. After getting dressed the two walked into the gym talking. "So, who are, Rich, Gar, Vic, and Beth?" Kori asked as they ran laps around the gym. "I'll have to introduce you to them at lunch." "Okay." The next hour was exhausting for Kori. Sure gym was supposed to be a workout but they never worked the students this hard at her old school. When Kori and Rachel walked into the locker room when P.E. was over Kori couldn't catch her breath and was sweating heavily. "You okay?" Rachel asked. Kori was bent over her hands on her knees. She looked at Rachel nodding. They got showers and got dressed and Rachel asked Kori what happened. "At my old school our P.E. teacher never worked us like that." "Get used to it," Rachel told her. "Coach Kelly will be the death of you. The guys have it worse though. They get her husband who worked them twice as hard." They walked to the cafeteria and Rachel and Kori got in line to get their food. When they had their trays Rachel led them to an area under a tree with three guys and a girl waiting for them. The first guy was very small and lanky. He had green eyes and dirty blonde hair. He wore a green T shirt and faded blue jeans with green and white Adidas. On his tray was a salad, a soda, fries, and a tofuburger. The second was a tall African American with gray eyes and was bald. He was very muscular and wore a black muscle shirt and blue jeans with white Nikes. On his tray was a large soda, fries, and two hamburgers. The last was a tall muscular guy but wasn't as much as the second one. He had jet black hair that was spiked and the most beautiful blue eyes Kori had ever seen. He wore a red T shirt and faded blue jeans like the first and black and red Adidas. On his tray was a soda, fries, and a cheesburger. The girl was African American with hazel eyes. She wore her black curly hair in puff pigtales. She wore a yellow shirt and black mini skirt with high heels. On her tray was a soda, fries, and a slice of pizza. "Guys," Rachel said. All of them looked up. "This is Kori. Kori this is Gar also known as Beast Boy or BB because of his love for animals. As you can see he is also vegan. And this is Victor or Vic A.K.A. Cyborg or Cy. He loves sports and working on his cars. This is Rich or Robin. He does martial arts and loves football and is on the team. Lastly is Beth also Bee. She loves nature and is in chorus like you Kori." " "Sup?" "Hello little lady." "Hi." "Hey girl!" Kori was happy. She had new friends. hey guys. well did u like it? i would really appreciate it if u commented! love u all.rockenpixxi16

2 - Chapter 2:Fab4

StarsChapter 2Fab4 Kori sat down with her new friends and they began to ask her questions. About her school, her old friends, her favorite color, bands she listened to, and the like. She answered them all, excited about having new friends so quickly. Kori looked over by the bleachers watching the cheerquad practice a cheer while Kitten barked orders at them. "Ever since Kitten got the spot as head cheerleader she's been dogier than ever," Gar said to Vic. "Yeah, I know." he said back. "Now she'll think she's the best thing ever even more than before." They laughed along with Rachel, Rich, and Beth. Kori looked clueless. "Why aren't you laughing, Kori?" Gar asked her. "Cy and I just made a funny." "Well at my school I was head cheerleader so I don't think that's funny." "Yeah, but were you a dog like Kitten and the rest of the Fab4?" Beth asked. Kori responded by saying she went to a Catholic school and everyone was nice to each other there. "Well, here at Jump City High all the cheerleaders are doges and whores." Rachel said. "Who are the Fab4?" Kori asked. "Well, it used to be the Fab5 until I quit." Beth said. "They blonde one that you already met is MissFab1:Kitten,she's the dogies one of all and thinks she's at that because her dad buys her anything and everything she wants. Then there's MissFab2: Jinx her sidekick who's mother is a model. Tinkerbelle MissFab3 is the other blonde one. She isn't as snobby as the others but sure is a slut. And last is MissFab4: Blackfire, the one with the black hair. Her mother is a prostitute so she lives with her dad who is rich." "Are those their real names?" Kori asked. "Of course not silly." Beth told her. "Kitten is Katharain Moth, Jinx is Jessica Jones, Tinkerbelle is Terra Rock, and Blackfire is Britany Wells. They just gave themselves those names because they think they're so cool. I was Bumble Bee because they said I was graceful and had the best moves but I was a real dog. But I couldn't take it anymore so I left the squad and the Fab5." "So you were head cheerleader?" Rich asked. "I bet you have some great moves." "Well, they're not that good." Kori said. "I know that look, Grayson," Rachel said. "You have an idea, don't you?" "Spill." Beth told him. "Well, I was just thinking, wouldn't it be funny if Kori just so happened to make the squad and she just so happened to be the new head cheerleader and Kitten was taught a lesson?" "We can't do that," Gar said. "Kori could get in a lot of trouble and that would ruin her rep." "Well," Kori started. "how long would I have to be on the squad?" "As long as it takes to get you as head cheerleader. After Kittne's pissed you can quit at any time you want." Richard told her. "Are you sure you're okay with this, Kori," Vic said. "It's gonna be hard." "When do I start?!"*Three Weeks Later* "Kori," Rachel said running up to her at Drama Club. "There's cheerleading tryouts in two days! Get a a 24 count dance routine and a cheer ready." "Okay," Kori already had her dance routine ready and she knew a cheer from her old school, now she just needed one more.*At Kori's House 2 Hours Later* Rich, Gar, Beth, Vic, and Rachel all met at Kori's house after school. She was ready to show them everything she had been working on. "Okay, Kori," Beth said. "I'm going to pretend to be one of the judges. I'll tell you when to do your routine and cheers and which moves to do when you're done. This was what it was like when I tried out." Kori nodded. "You may wanna stretch out first." "Oh." Kori was wearing a tight wifebeater and navy blue short shorts. She rolled her neck, ankles, and wrist. Then she spread her legs and bent down and moved her hands as far back as she could. Then she put her forehead to each knee loosen her arms and legs. "Okay first do one of your cheers for us." Beth instructed her. Kori nodded. "Let's get fired up." With this Kori clapped her hands twice and on "fired up" she put her left hand in a fist on her hip and pumped the right one up. "Get rough, get tough, get mean." She did a toetouch. "Let's get fired up and roll right over that team!" Kori repeated what she did the first time and to wrap it up she did a left herky. She repeated the cheer two more times and her friends clapped for her. "Alright, now the next one." Beth said. "It's hot, it's hot, it's

hot in here. There must be Knights in the atmosphere." She repeated it two more times. On the first hot she put her right hand in a fist on her hip and her left arm in a low V. Then on the second one Kori put her right arm into a T and her left hand into a fist on her hip. Then on the third one she bent her knees and put both arms in a high V. For the last part she did a backflip. After Kori was asked to do a cartwheel, backhand spring, front hand spring, left, right, and middle split, a toe touch, both herkey's and a round off, Kori was confident she would make the squad. But there was one last thing to do. Her dance routine. i kow. short. i promise the next one will be longer.

3 - Chapter 3: The Try Outs and Truth or Dare

StarsChapter 3The Try Outs and Truth or Dare The next two days were all about the try outs. Kori ate, breathed, slept cheerleading. Then finally the day had come. Kori, Rich, Rachel, Gar, Beth, and Vic all met 30 minutes before the try outs at the football field. Kori was stretching and afterwards she practiced her cheers over and over. She had not shown anyone her dance routine because she thought it might be bad luck. 30 minutes later all the girls and the judges were there and one by one the girls were called. Before they started they had to fill out a form with their names, addresses, phone numbers, and their sizes if they made the squad. After the girls were done they were told to go home. Kori was the last one to try out was nervous. "Korina Anders." the judge called. After doing both cheers and various moves the judges asked her what song she would be dancing to. "Um, my friend Beth made a remix of Switchfoot's "Stars" so I'll be dancing to that." she answered and got ready. Then the music started . . . *Saturday at Rachel's* Kori's ringer for her cell Nickelback's "Far Away" was ringing so she answered it. "Hello . . . yes this is her. . . . I did? . . . Oh my gosh! . . . Thank you so much. . . Ok I'll be there . . . bye." Kori hung up seeing all of her friends staring at her. "So," BB said (Kori called him that now). "Who was on the phone?" "It was Tammy, the cheer coach." "And. . . ?" Kori was trying to keep them in suspense. "I made the squad! She loved my cheers and my moves and thought my routine was "delish" as she put it. She said I may even have a shot at head cheerleader!" Everyone was so happy for her. Raven smiled, Bee gave her a hug. Cy said "that's my girl." BB gave her a high-five and Robin told her congrats. "We should celebrate," BB said. "with a game of "Truth or Dare" ." "Okay Beast Boy, you start then." Raven said. "Alright. Cy, truth or dare?" "Truth." "Do you like anyone in this room?" BB said after thinking. "Never mind I pick dare." "Alright, I dare you to answer the question!" "Fine," Cyborg sighed. "yes." "Oooooooh!" Everyone laughed as they said this at the same time. "Okay my turn!" Cy said "Kori truth or dare?" Wanting to be brave she chose dare. "Okay, I dare you to kiss the person of BB's choosing." "What?!?! That is so not fair. He could make me kiss a girl!" "I wasn't thinking that but now that you said it . . ." Kori gave him a glare "or not. Okay . . . I pick . . . Robin." At the same time Robin and Star (Kori's new nickname) said "What?!?! "Sit in his lap and make out with him until BB says stop." Cy instructed her. "Can't I pick truth?" Kori asked. "No, now do it!" Star sighed. She was nervous. She had never kissed a boy before, let alone made out with one! She hoped BB would go easy on them, but than again she didn't. Star would admit it. She was in love with Robin. She sat down in Robin's lap pulled herself into the kiss just to get it over with. Wow. This is amazing. Kori thought. She loved the feel of his lips on hers and how he knew how to make it feel so good. They loosened up and soon began to be comfortable with each other. Star let her hands snake around his neck and felt his go to her waist. They were interrupted by someone clearing their throat. Then the both of them snapped out of their trance. "Hello, BB told you two to stop 5 times!" Cy said. Star turned a bright pink while Robin glowed a deep red. Darker than Star's hair. Maybe truth or dare isn't so bad after all. Both of them thought at the same time. ok. i know i said i would try and make it longer but i am happy with this chapter. next 1 comin' up soon.
