1 - Start

You have just graduated and can go do missions now. You walk in the big doors to Konaha. Then you go where you have to go to get your headband.

The only problem is that you don't know which door it is. There are three doors... which one do you choose?

2 - Door #1

"Okay I guess I'll check out the first door," you say. You see a boy with a man. "You are so beautiful, will you be my girlfriend?" the boy said.

I don't even know your name you tell him. My name is Rock Lee!!! Once again I will make you my wife!
"You're what!!!" I thought you said... before

You can speak anymore he ties you up and carries you away.

Tuff luck for you... you have to spend eternal time with Rock Lee. Unless you like

Him... then your all good^^

3 - Door #2

"I'll just take a guess" you open the second door. You see a boy sitting at a desk. "Is this um.... the place you get your headbands?"

The boy blushes when he hears you talk. "No, sorry this isn't" oh okay thanks you say quietly. "Wait he says" My name is Sasuke...

And you are? You say your name and you both stare into each others eyes. You ask him what he's doing. "A test and I have to admit

I'm not getting any of this." Let me help you say. Luckily you knew the answers and he finished the test. He tells you thank you and

Right after he asks you if you want to go get some food together and he can show you around. You say...

1. NO maybe some other time...

2. yeah! sure!

Whichever one you pick just read the one with the same number.

1. NO maybe some other time you say. "Yeah okay later then, said Sasuke" you leave the door.

2. yeah! sure! you guys walk out together and have a great time.

Well good for you, you got to see Sasuke! And either said no to him or had a great time with him.

4 - Door #3

I like picking last you say. So you open the third door... what do you know! You chose the right door.

So you get your headband and put it on with pride. You walk out the door wondering what was beyond the other doors. "I'll find out some day" then you leave the building.

YEAH!!! You chose the right door. Congrats now your a Ninja!!!
