# 1 - And So It Begins

\*We see a picture of Earth\*

Tai: That's home, planet Earth. But I'm pretty sure that's not where I am right now. Ok, let me back up a little. It all began when the climate went completely out of control. The Rainforest dried out, and other places got completely covered in ocean, like chocolate sauce! And get this, cities that were normally blazing hot in summer got super cold! At the time, I didn't know any of this 'cause, I was at camp. \*We see kids running around then see a brown-haired kid wearing goggles in his hair, a blue t-shirt, brown pants, and tennis shoes sitting in a tree with a girl that has red hair with copper streaks, green eyes wearing an orange shirt with a cat face on it, blue jean skirt, orange leggings with cat faces on them, and tennis shoes and a silver whistle with a crystal A on it around her neck.\* All the other campers were, you know, goofing off and hanging out. But me, I was enjoying the summer sun while going over my multiplication tables with my best friend Azukia sitting beside me.

Azukia: Stop lying Tai! I'm Azukia, and to tell the truth, we were being just as lazy as the other kids. That is, until it started snowing in the middle of July, totally freaky! And it gets weirder, you won't believe what happened to us and six other kids!

\*We see a girl with red hair wearing a blue hat, a yellow tank top, blue jeans, and tennis shoes\*

Tai: This is Sora, she's ok, for a girl.

\*We see a boy with dirty blonde hair wearing a green shirt and blue jeans\*

Azukia: And Matt's too cool, just look at that haircut!

\*We see a boy with red hair wearing a red shirt and shorts typing away on a computer\*

Tai: And this little kid is Izzy, he should've gone to computer camp!

\*We see a girl with brown hair wearing a pink cowgirl hat and a pink dress\*

Azukia: That's Mimi, I'll bet you can guess her favorite color on the first try!

\*We see a kid with blonde hair wearing a green hat, long sleeved shirt, and khaki shorts\*

Tai: TK is Matt's dopey little brother.

\*We see a kid with blue hair wearing glasses and a weird outfit I won't even bother trying to explain TRYING to walk up stairs\*

Azukia: Oh and this is Joe, don't ever scare him, he might wet his pants!

Tai: There we all were at camp, when suddenly this huge blizzard came up out of nowhere! Needless to say, the canoe races were cancelled.

"So let's have tobogan races instead!" Tai cried happily, running outside the cabin to play in the snow.

"I'm gonna build the biggest snowman ever!" TK said happily, running out into the snow also with Matt on his tail. "Hey TK, be careful, slow down!" Matt said, following his little brother to make sure he didn't get hurt.

"Brrrr, it's freezing and I didn't bring a jacket!" Sora said, walking outside while shivering. "Man, I was worried I'd catch a summer cold, but this is even worse!" Joe said, warily following everyone else. "Ah wow! Why didn't I pack my fluffy pink snow boots?" Mimi said, running outside and spinning in the snow.

"Still not working! Bummer. This storm is making a mess of my infrared internet connection." Izzy said, trying to get a connection. "Here Izzy use mine, it's newer and can handle storms!" Azukia said cherrfully, placing the electronic device in his hand, smiling at him, then running outside to see Tai. "Ohhh, who asked you Azukia?!?" Izzy cried annoyedly after her.

"Wow! Look at it! Woh!" Everyone said, looking up in the air to see a beautiful aurora. "What's your name, Izzy! Come out here, you gotta see this!" Tai cried into the cabin, causing Izzy to come outside

and see it as well. "Wow!" Tai and Sora said together. "It's beautiful, magical even!" MiMi said. "Yeah!" Tai replied.

"Yeah, but what is it?" Izzy asked. "Maybe an aurora?" Sora suggested. "It sure looks like one!" Azukia added. "You mean Aurora Borealis, the Northern Lights? That's impossible! You see that in Alaska, were way too far South!" Izzy cried. "Well no freakin' duh Izzy!" Azukia cried, whacking him in the back of the head.

"Tell that to the snow!" Sora replied to Izzy's earlier comment. "I really think we all better get back inside, before we all come down with pneumonia!" Joe said. "And miss this? The sky is like, short circuiting!" Matt replied.

Then, we see something forming inside the aurora. "Hey, what's that?!?" Tai cried as it formed into a portal of sorts and shot out seven different beams of light. "Huh?!?" Everyone cried as the beams hit hard in the ground around them. "AHHHHH!" Everyone screamed. "Everyone, are you alright?" Sora asked once the smoke cleared. "I think so, everyone?" Azukia replied, turning to the others. "Were still here!" Matt said.

"That was scary!" Mimi cried. "Wh-What was that?" Joe asked. "Meteors?" Izzy suggested to himself, looking at one of the spots where one of the beams hit but backing up as something started coming out of it. "Huh?" Izzy said as the things coming out of the holes turned into camera-like items in different colors. "Okay, so it's not meteors." Izzy said.

"Huh?" Tai said, grabbing one of the devices that was floating in front of his face. Then, everyone grabbed one that was hovering in front of his or her face. "What are these?" Sora asked, looking at hers. "My guess, there some sort of miniature remote digital apparatus." Izzy replied. "No instructions?" Tai asked. "Guess not." Azukia replied, not a single one of the kids noticing that a giant wave had just sprung up out of nowhere.

"AHHHHHHH!!!!" Everyone screamed, notoicing it as it opened into a portal and sucked them in. "Tai? You who! Tai!" An unknown voice said as Tai started waking up. "Yeah, I'm okay, huh?" Tai said, noticing a pink thing with red eyes on top of him staring at him. "\*Blink\* \*Blink\*" The unknown thing did.

"Uh,uh,uh, AHHHHHHH!!!!" Tai screamed, bouncing backwards.

"That is the LAST time I eat camp food!" Tai cried as the thing bounced closer. "Hey, you don't need to be afraid of me, I'm your friend, I'm your friend, I'm your friend!" The thing said, bouncing up and down happily. "Uhhhhhhh, just what are you? Have you had your rabies shots?!?" Tai cried. "Everything's gonna be alright Tai, I've been waiting for you!" The thing said, jumping into Tai's arms.

"Ehhhhhhh, waiting for me?" Tai said, looking at it. "My names Koromon, and were partners!" The thing now known as Koromon said. "Koromon? That means, talking head?" Tai asked. "Un Uh, it means brave little warrior! And don't you forget it Tai!" Koromon replied. "So, what do you mean you've been waiting for me? And how did you know my name?" Tai asked, not noticing Izzy come up behind a tree.

"Tai?" Izzy asked, coming around a tree. "Huh? Izzy that you?" Tai asked, turning to face him. "It's me, and I've got this little pink thing following me everywhere!" Izzy replied, pointing to a small pink thing similar to Koromon that was standing by his foot. "It is I, Motimon at your service! Anybody want lunch?" The thing now known as Motimon said. "Wuah! Another one?!?! What are they?!?" Tai cried, dropping Koromon.

"Oh, allow me to introduce myself, my friends call me Motimon! Everyone does actually!" Motimon said. "I believe those minature remote digital gadgets have taken on an actual lifeform. I don't remember anythign like this in the camp brochure!" Izzy said. "Ya think? It's weird." Tai said, looking at the sky.

"The vegetation is lush. The soil appears rather common." Izzy said. "Nothing is common in Digiworld!" Motimon said. "That's right Tai! Your in the Digiworld!" Koromon said. "And just where is the Digiworld?" Tai asked. "I don't care so much about where it is, I wanna know WHAT it is!" Izzy said. "Izzy? Tai?" Azukia's voice said as she came running around a tree holding an ornage cat head with a red

crystal on it's forehead and a tail.

"Azukia your alright!" Tai cried in happiness then noticing the thing she was holding. "You have one too?!?" Tai cried. "Yep!" Azukia replied, smiling at him. "Koniichiwa!" The thing in her arms said, smiling as well. "Wow, it's Nyamon!" Koromon said. "That's my name. don't wear it out!" The thing now known as Nyamon said.

"My name is Nyamon, anyone who sees me can't resist me because, well, I'm just too cute!" Nyamon said. "I overheard the convo, I would like to know what it is too!" Azukia said, sitting Nyamon down beside Koromon. "Guess I'll just take a look for myself." Tai said, starting to climb up in a tree. "I'll go with you!" Azukia replied, climbing up after him.

"Use your telescope Tai, it'll let us see more." Azukia suggested. "Good idea." Tai said, pulling his mini telescope out of his pocket and looking through it. "The ocean? What's that doing there?!? I can say we were nowhere near the ocean!" Tai cried. "Let me see!" Azukia cried, pulling the telescope out of his hand and looking through it.

"I SURE don't remember those mountians!" Azukia said, handing the telescope back to him. "Hey Tai, Azukia, waddaya see?" Koromon asked as he and Nyamon bounced up beside the pair. "Nothing that we reqognize. Huh? Wait, what's that?" Tai said, looking through the telescope and seeing a red beetle-like thing flying at them.

"Look at that, it's some sort of giant red beetle and it's flying right at us!" Tai cried. "AHHHHHH!!!" The two friends and things dodged by swinging upside down on two branches and the beetle thing chopping off the top of the tree. "Wuah!" Izzy cried from his spot on the ground, seeing what was happening. "I can't watch, that is one bad digimon, even when he's asleep!" Motimon cried. "That's just great!" Izzy cried. "Watch out!" Koromon and Nyamon cried as the beetle flew in a circle and started heading towards them again. "His name is Kuwagamon, he's an insectoid digimon, vicious and ruthless, with teeth like knives and scissor hands that can chop through anything!" Nyamon cried. "Laser gardener!" Tai cried as it was about to hit them.

"Oh no! AHHHHHH!!!" Azukia cried, hooking onto Tai. "Phoo!" Koromon and Nyamon cried, jumping up in the air and spitting out bubbles which some of them hit Kuwagamon in the eye causing him to crash into the tree and knock them out of it. "Ahhh!" Tai and Azukia cried as they hit the ground. "Tai, Azukia, you two alright?" Izzy asked, running over to them.

"Well, we have had better days!" Tai cried. "Yeah, I can vouch for that!" Azukia cried, pulling leaves out of her hair. "Uaah" Koromon and Nyamon moaned as they hit the ground. "Uah!" Izzy cried. "Little guy!" Tai cried, running over and picking up Koromon. "Nyamon!" Azukia cried, running over and picking her up also.

"You should pick on bugs your own size. What's your name, Koromon?" Tai said. "That's me." Koromon replied. "Same for you Nyamon!" Azukia said, pulling out a handkerchief and gently toweling her head where a cut was. "Your pretty brave, for a little guy. I'm impressed." Tai said. "It was nothing." Koromon replied. "Yeah, it was nothing." Nyamon said. "Uh Tai, Azukia, he's headed this way again!" Izzy cried, looking up in the air where Kuwagamon was coming from at high speeds.

"Oh dear, oh dear, quickly everyone this way!" Motimon cried, running off. "Come on!" Tai cried as they ran after him and Kuwagamon was crashing through tree after tree to follow them. "Hurry up! For having two legs you guys are awfully slow! Inside this tree!" Motimon cried, jumping through a porthole in a tree. "Uah?!?" The three cried, stopping for a minute. "Let's go!" Tai cried, grabbing Izzy who grabbed Azukia and they all jumping into the tree. "Woh!" Tai said as the three looked around the inside of the tree.

"This is one WEIRD tree!" Azukia said. "What kind of tree is this?" Izzy asked. "It's a hiding tree you baka!" Nyamon hissed as they heard Kuwagamon getting closer and they all knelt down out of fear. "Be quiet, don't make a sound!" Tai said as they heard Kuwagamon fly off. "Do ya think he's gone?" Azukia asked. "All clear! No need to hide anymore!" A voice outside the tree said, surprising them and the portal

opening to show Sora.

"Sora!" Tai and Azukia said. "You can out now!" Sora said as they climbed out of the portal. "Oh, we were just planning out trap for that big bug." Tai said. "Yeah sure." Azukia said with an annoyed look on her face. "Uh?" Tai said, looking down to see something like the others by her feet. "Enchanted to meet you, friends of Sora, Welcome." The thing said. "Tai, Izzy, Azukia, meet Yokomon. My own personal something or other." Sora said.

"Looks kind of like a radish." Tai said. "Must be another one, like the others." Izzy said as they looked at Motimon, Koromon, and Nyamon. "Whatever they are." Azukia finished. Then, another one that looked kind of like a white dog. "Ahhhh!!!" Everyone cried. "Their popping up everywhere!" Izzy cried. "Hello, I am Tokomon." The thing said. "Hey TK over here!" Tokomon cried, causing them to look where he had cried. "Coming!" TK's voice cried as he came around a corner and ran up to Tokomon. "Tokomon there you are!" TK said, hugging him. "TK!" Matt said, running after him. "Koniichiwa Matt!" Azukia said, smiling at him. "Hey." He replied, smiling back at her. "Matt! You too?" Tai cried. "Yeah, I'm here too." Matt replied, walking over to them.

"No, I meant that under your arm!" Tai said, pointing to it. "Oh, this guy? Yeah well..." Matt said. "Heloo, you appear pleasent. Tsunomon is my name and I am quite pleased to meet you." The thing now known as Tsunomon said. "HeeHee!" TK said happily as he played on the ground with Tokomon. "Huh?" Tai said, turning to where he thought he heard a voice.

"AHHHHHHH!!!!!" Joe cried, running up. "Joe?!?" Tai cried. "Help me! This thing, this thing, won't leave me alone!" Joe stuttured as a dolphin-like thing jumped onto his shoulder. "Hey, who you calling a thing?!? I'm no stuffed animal! The name is Bukamon." The thing now known as Bukamon said. "Uaahh!" Joe cried. "Wh-What's wrong with you guys?!? Don't you see this creature hanging off me?!?" Joe cried, seeing the rest of them standing beside them.

"And those creatures standing right next to you?!? UAH?!? Their, their everywhere! What are they?!?" Joe cried. "Were-" Bukamon started, jumping into the small group. "Digimon! Digital Monsters!" They all finished. "Digital Monsters?!?" Tai cried. "Yeah Digimon!" They all replied. "Were not just Digital Monsters were much more then that! Were kinda cute!" Koromon said. "More than cute, were adorable!" Nyamon said.

"And very loyal." Tsunomon said. "With beautiful hair!" Yokomon said. "Or maybe no hair at all!" Motimon said. "We can be funny!" Bukamon said. "And adorable!" Tokomon said. "I just said that!" Nyamon said. "It's a pleasure to meet all of you! My name is Tai!" Tai said. "The name's Azukia! Glad to meet ya! And these are our friends from camp!" Azukia said.

"I'd like you to meet Sora!" Tai said. "Nice place you have here, that's a plus!" Sora said. "The self proclaimed cool one over there is Matt!" Azukia said. "No autographs please!" Matt said. "And this is Joe." Tai said. "I'd shake hands, if you had any!" Joe said. "Izzy here's our other computer expert!" Azukia said. "Do you have internet access?" Izzy asked. "And last but not least, this little guy is uh-" Tai started. "TK, call me TK and I'm not as small as I look!" TK finished for him.

"There now, is that everybody?" Tai asked. "Yep!" Azukia replied. "Hey, what happened to that girl in the funny pink hat?" Sora asked. "Oh now, her name is Mimi." Joe replied. "Well, perhaps she's off picking flowers, or going on a nature hike." Izzy said. "AHHHH!!! Somebody help me!" Mimi's voice screamed. "Come on!" Tai cried. "Let's go!" Azukia cried as they started following her voice.

"Ok, so she's not picking flowers." Izzy said as they ran. "Mimi, where are you?" Tai cried as they stopped. "Look there she is!" Sora said as Mimi ran around the corner. "Mimi! It's ok!" Azukia cried as Kuwagamon came after her. "It's Kuwagamon again!" Azukia cried. When he just flew by they let out their held in breaths.

"Mimi are you alright?" Another digimon asked Mimi. "Think so." Mimi replied. "Don't worry, Tanemon's here to protect you!" The digimon now known as Tanemon said. "It's ok now." Sora said, leaning down by

Mimi. "Oh Sora!" Mimi replied. Then, Kuwagamon circled around and came after them again. "Here he comes again!" Tai cried. "RUN!!!!!!!" Azukia cried as they all started running away from the bad digimon. "DUCK!!!" Matt cried as they all ducked away from Kuwagamon's dive to try and catch them. "Will this nightmare ever end?" Joe asked as tree limb fell about half a foot from him. "My mom is gonna want a complete and total refund!" Joe cried. "Here he comes again!" Yokomon cried, signaling to the sky where Kuwagamon was coming after them again.

"Ok that does it! No more running away!" Tai cried, standing up. "Right!" Azukia replied, standing up beside him. "What else can we do?" Sora asked. "She's right, there's no way we can fight that thing!" Matt said. "And not win anyway!" Izzy said. So they kept running then came to- "A cliff! Were trapped!" Azukia cried. "Great, anybody bring a helicopter?" Matt said.

Then, Tai and Azukia started walking towards the edge. "Be careful guys!" Sora cried to them. "There's no way down!" Tai cried. "No duh!" Azukia replied. "Were going to have to find another way!" Tai said. "There is no other way!" Azukia replied as Kuwagamon bursted out of the trees behind the group of kids. "Watch out guys!" Sora cried. "Here we go!" Koromon and Nyamon cried, launching their attack again and it not doing any damage.

"Not again!" Tai cried. "Digimon attack!" Yokomon cried as they all lunged at Kuwagamon.

"Yokomon!" Sora cried as all the digimon attacked Kuwagamon and he crashed, knocking them all into the ground. "YOKOMON!!!" Sora cried. "Koromon! Are you crazy?!? Why'd you do it?!?" Tai cried, lifting the small digimon into his arms. "Nyamon, are you alright? Why?" Azukia cried, also lifting the small cat digimon into her arms.

"Were sorry, were just trying to make a good impression." Koromon said. "Yeah, we don't want you to not like us for thinking were scaredy cats." Nyamon said. "Crazy things..." Tai whispered. "Oh Yokomon..." Sora said, lifting her digimon into her arms. "Tanemon, talk to me..." Mimi said, taking Tanemon into her arms. "They must be programmed for courage." Izzy said, lifting Motimon into his arms.

"Tokomon what's wrong?!?" TK cried, lightly shaking Tokomon. "Tsunomon, wake up..." Matt said to the knocked out Tsunomon. "Bukamon, wake up... Huh? Oh no!" Joe said, seeing the Kuwagamon was back again. "Get back!" Matt cried as they ran over to where Tai and Azukia were standing and Azukia silently grabbed Tai's hand causing him to blush lightly. "I was hoping we'd seen the last of him!" Sora cried.

"Me too, guess he had other plans huh?" Tai replied. "I knew I shoulda brought my bugspray." Matt said.

"Ok, get ready to run!" Tai said. "No, we fight!" Koromon said. "Huh?!?" Tai cried. "That's right, it's the only way, stand and fight!" Koromon replied. "Just give it up alright?!?" Tai cried. "No Koromon's right it's time to show what were made of!" Motimon said, trying to get out of Izzy's arms. "No don't!" Izzy cried.

"Their right!" Yokomon said, also trying to get out of Sora's arms. "No way, it's hopeless, your no match for him Yokomon!" Sora cried. "Let me go, let me go, let me go, let me go, let me go!" Tsunomon cried as Tokomon joined in and they tried to get out of the two brother's arms. "Let me go, let me go, let me go!" Bukamon cried, trying to get out of Joe's arms.

"Tanemon you too?" Mimi asked. "Uh huh." Tanemon replied. "You have to let me fight Azukia!" Nyamon cried. "No!" Azukia replied. "I'm sorry Tai!" Koromon cried, jumping out of his arms to start fighting. "Let's go!" Bukamon cried as a few of them jumped into the fight as well. "Yeah!" Nyamon said, leading the rest of them into the fight and all of them getting in front of the group of kids in a protective way.

"Come on digimon!" Koromon cried as they all leaped into the fight. "It's useless! Yokomon!" Sora cried.

"Don't go Motimon!" Izzy cried. "No wait! Don't do it Tsunomon!" Matt cried. "Don't go!" TK cried. "No, come back Bukamon!" Joe cried. "Tanemon... Be careful!" Mimi cried. "Don't Koromon!" Tai cried.

"NYAMON!" Azukia screamed as the electronic devices started shining brightly and eight beams of light shot out of the sky and onto the digimon.

"Woh!" Azukia cried as the digimon started changing.

"Koromon digivolve to...Agumon!"Koromon cried.

"Yokomon digivolve to...Biyomon!"Yokomon cried.

"Motimon digivolve to...Tentomon!"Motimon cried.

"Tsunomon digivolve to...Gabumon!"Tsunomon cried.

"Tokomon digivolve to...Patamon!"Tokomon cried.

"Bukamon digivolve to...Gomamon!"Bukamon cried.

"Tanemon digivolve to...Palmon!"Tanemon cried.

"Nyamon digivolve to...Nekomon!"Nyamon cried, finishing their transformations and the group of kids noticing they all looked different. "What in the-look at them! What happened to the little guys?!?"Sora cried. "Their-"Tai started. "Bigger!"Azukia finished.

"Hyah!"All the digimon cried, lunging into battle. "Poison Ivy!"Palmon cried, launching her attack. "Boom Bubble!"Patamon cried, launching his attack. "Super Shocker!"Tentomon cried, launching his attack as Gomamon slid under Kuwagamon's foot to trip him. "Step back everyone it's Pepper Breath!"Agumon cried, launching his attack. "And Psychic \*Twitch Twitch\* BLAST!"Nekomon cried, launching her attack. "Blue Blaster!"Gabumon cried, launching his attack. "Spiral Twister!"Biyomon cried, launching her attack as Gomamon tripped him again. "Now all together!"Agumon cried. "HYAH!"All the digimon cried, launching all their attacks on Kuwagamon at once and he fading away into nothingness. "Amazing!"Tai cried. "Awsome!"Azukia cried. "Told ya we could do it!"Agumon cried as they all ran into the arms of his or her pertner.

"Koromon or Agumon or whoever you are! You did it!"Tai cried, jumping up and down with him.

"Nekomon you were amazing!"Azukia cried happily, hugging her. "How about that Super Shocker? Pretty amazing huh?"Tentomon asked Izzy. "Huh? Watch out!"Sora cried as Kuwagamon reappeared.

"Guess we celebrated too soon."Izzy growled as the cliff collapsed with all the weight being put on it.

"AHHHHHHHHHHHHH!!!!!"Everyone screamed as they fell.

Tai: So, just as we make some awesome new friends-

Azukia: We take a plunge! Will we ever see each other again?

Tai: I don't think so!

Both: Find out next time!

## 2 - The Birth of Greymon and Starmon!

"AHHHHHHHHH!!!!!!"Everyone screamed as they were falling off the cliff. "Sora!"Biyomon cried, going after her. "Izzy!"Tentomon cried, going after him. "TK!"Patamon cried, going after him.

Once they caught up with them they grabbed them but the extra weight just caused them to fall faster.

"AHHHHHHHHHHH!!!!!!"Everyone continued to scream. Then, Palmon grabbed Mimi around the waist and released her ivy onto the rock face that held them for a minute until it broke away from the wall and they continued falling until they hit the water below them. "Fish Net!"Gomamon cried as a large amount of fishes collected under everyone, holding them above the water and starting to swim them downstream to safety.

"Wow, this is some ride!"Tai said. "You got that right!"Azukia replied, hugging Nekomon lightly around the waist. "What? Hey look out!"Matt cried, pointing up to where Kuwagamon and the cliff were falling and caused a huge wave once they hit the water. "Wuah!"Everyone cried, struggling to stay on the fishes.

"GO!"Gomamon screamed, causing the fish to speed up as the wave got bigger.

"AHHHHH!!!!!!"Everyone screamed. Once they finally got on land they all collapsed on the ground and tried to calm down. "Uhhhhhhhhh."Everyone groaned.

"I knew we'd be okay, I wasn't worried."Mat said, trying to seem confident. "Sure you weren't."Azukia said, glaring at him. "What was that a floating fish market?"Joe asked. "Lucky for us those fish were having a school reunion, heh heh. I'm kidding, those fish are just good friends of mine and I asked them for a lift!"Gomamon explained.

"Hey, and all this time I thought I was allergic to seafood! Thanks, uh, I guess it's not Bukamon?"Joe replied. "Gomamon now!"Gomamon said, smiling brightly at him. "Gomamon, hm!"Joe replied. "I guess your not Tokomon!"TK said.

"Un uh! Now I'm Patamon!"Patamon replied. "It's all because we Digivolved!"Agumon said. "I don't think that word's in my dictionary!"Tai replied, slightly confused. "I get it, so Digivolving is when they advance to the next level and become more powerful!"Izzy said.

"Right, we all Digivolved! So I went from Motimon to Tentomon!"Tentomon replied. "I Digivolved from Yokomon to Biyomon!"Biyomon said. "First I was Tsunomon then Gabumon!"Gabumon said. "And I changed from Tanemon to Palmon!"Palmon said.

"And me, I was Koromon and I Digivolved into Agumon!"Agumon said. "Last but not least, I went from Nyamon to Nekomon!"Nekomon said. "Um hm, when you Digivolved you sure got a lot bigger."Tai said.

"Does this mean your still Digimon or are you something else?"Azukia asked.

"Were still Digimon but we needed your help Tai!"Agumon said. "You too Azukia!"Nekomon said.

"Huh?"Tai and Azukia replied confusedly. "Us, for what?"Tai asked.

"You see, Digivolving is a very difficult process."Agumon said. "In order to be succesful we had to share your energies!"Nekomon said. "Really?"Azukia replied, slightly amazed they could do that. "I guess you guys don't run on batteries."Sora said.

"Sure don't!"Biyomon replied. "But how do you access my energy?"Izzy asked. "Even we don't know everything!"Tentomon replied. "Thanks for my magical powers!"Palmon said, dancing around in a circle.

"Oh, the whole thing makes my head spinny."Mimi complained. "So I helped you change that is so cool!"TK said. "Yep, sure is!"Patamon replied. "My folks warned me about strangers!"Joe said, turning away from Gomamon.

"I'm not a starnger Joe I'm your friend for life!"Gomamon replied, moving a little closer to him. "Hm..."Joe

muttured. "Ok come on, what have we gotta do?!?"Matt said."If there was a payphone nearby we could call the police, or the fire department, or my mother."Joe suggested.

"But we don't even know where we are!"Tai cried. "But we know we started up there on that mountain!"Sora said, pointing to where it was. "I say we forget about going back, and explore around here!"Matt said. "I'm not exploring anywhere! I say we stay right where we are!"Joe cried.

"Yeah, let's wait for that giant bug to come get us we need to find a road leading somewhere out of here!"Matt replied. "Yeah, don't be such a scaredy cat!"Azukia teased, smiling at him causing a light blush, though out of embarrassment or shyness we can't tell, to spread across his face. "Hm, Matt's right. But without a compass we don't even know which way is North!"Izzy replied. "Hey I do!"Tentomon said. "Well, which way?"Izzy asked. "It's the opposite of South!"Tentomon replied. "Uhhhh."Izzy sighed, sweatdropping. "I shouldn't wear these pants, they ride up when I do a lot of walking."Joe said, crossing his arms across his arms.

"You know, if we do go back to where we were we might find some clues as to why were here in the first place!"Sora said. "Wait, are there more monsters around like that big flying beetle?!?"Mimi cried. "Yes indeedy!"Palmon replied. "Ick!"Mimi exclaimed.

"Those monsters don't scare me!"Matt cried. "Are there humans?"Tai asked Agumon. "Humans? Others like you?"Agumon asked back. "Um hmm!"Tai replied.

"No, your the first ever! There's never been anything but Digimon!"Agumon replied. "That's just great!"Azukia cried. "So ok, your all Digimon. But what about these monsters their all Digimon too?"Tai asked. "It's creepy, and dangerous, and what happens when it gets dark?"Sora asked.

"Who says it ever gets dark here?"Matt asked. "That phenomenon would be unnatural!"Izzy cried. "And you call this natural?!?"Azukia cried. "Well, were not going to find out anything by siting here!"Tai said, starting to march off.

"Yeah, let's go!"Azukia said, following him. "Where do you two think your going?"Matt asked. "Were going up on that cliff that's where we saw the ocean!"Tai replied. "The ocean?"Matt asked.

"Yep! There might be a boat or something!"Azukia replied. "Let's water ski home!"Matt said. "Hahaha, funny!"Sora replied sarcastically. "At a time like this I think it would be a much better idea to find a cave and hide! Then keep our eyes open and when the Camp Counselor comes-"Joe started saying.

"Hey Joe!"Gomamon cried to get his attention. "Huh?"Joe asked, looking at him. "Everyone's leaving us!"Gomamon said, pointing to where everyone else was walking away. "Wait for me!"Joe cried, starting to catch up.

"These trees are so beautiful!"Sora said as Azukia picked a pink flower and smelled it then stuck it in her hair as Nekomon popped out of the patch of flowers with a wreath of them on her head, causing her to laugh. "Yeah, their really different, and I just thought they were subtropical!"Izzy replied. "Whatever they are, their aggravating my hayfever!"Joe said. "Hey Joe, is there anything you don't complain about?"Mat asked, looking behind him at Joe.

"Digital Monsters who came up with that name anyway?"Izzy asked. "Just call us Digimon we like that!"Tentomon replied. "I only asked because your composition isn't at all machine-like!"Izzy said, a little annoyed. "Oh really?"Tentomon asked, starting to send sparks flying everywhere.

"Hey watch it!"Izzy cried, covering his face. "Patamon, can you really fly?"TK asked. "Of course!"Patamon replied, starting to fly. "Wow that's cool! But your going the wrong way!"TK said as Patamon started going backwards.

"I'm faster than that, watch!"Biyomon said, starting to fly but floating backwards as well. "Wouldn't it be faster to walk?"Sora asked, watching the two of them slowly float backwards and Nekomon fly in front of their faces. "My wings are stronger than you guys!"Nekomon teased, flying over to Azukia and landing on her shoulder where she smiled and scratched her between the ears. "So Palmon, I've been meaning to ask who does your hair?"Mimi asked, looking down at Palmon.

"It's natural, I wake up in the morning like this!" Palmon replied, smiling brightly. "Wow! Maybe you could let me work with it!" Mimi said, smiling at her. "Do you think you put too much emphasis on appearance?" Palmon asked, looking up at her. "Well, honestly I've never really thought about it!" Mimi replied, looking into the sky in a thinking position.

"Honestly I kind of like my hair the way it is!" Palmon said. "Once we get back this is gonna make one great story!" Tai said. "Yeah!" Azukia cried, smiling brightly. "Yep!" Agumon and Nekomon replied.

"But of course not a single soul will ever believe us!" Tai said. "That Kuwagamon back there he was huge!" Izzy said. "And he's not the only one!" Tentomon replied. "Ah, nothing like the ocean!" Gabumon said, smelling the saltwater.

"Wahahah! Everybody in the water!" Gomamon cried happily, jumping into the water. "Hey, let's build a giant sandcastle!" TK said happily. "I'll help you TK-kun!" Azukia said, ruffling up his hair in a loving, sisterly way. "Oh I forgot my bathing suit!" Mimi cried.

"Wait a minute listen, what's that?" Tai asked, hearing something. "A phone!" Azukia cried, hearing it as well. "Either that or were all hearing things!" Sora said as they all followed the sound and found a beach with four to six phone booths side by side on it. "I told you all we needed was a phone! Were saved!" Joe cried as they all ran over to them just as it stopped ringing.

"Why'd it stop ringing Tai?" Agumon asked. "Yeah, why Azukia?" Nekomon asked. "Uh-" Tai started. "Wrong number maybe?" Azukia suggested.

"Well that's bizarre!" Sora said. "My theory is aliens! They've set these phone booths out as a trap!" Izzy cried. "Izzy, you've lost it!" Azukia said. "Let's find a place that delivers and order pizza!" Matt said.

"Whatever you get, no anchovies for me!" Mimi replied. "The question is, what are these doing here at the beach?" Sora asked. "So people can call their parents for a ride home!" Joe cried. "Parents? What exactly is a parents?" Gomamon asked.

"That's it. I'm outta here." Joe said. "Does anybody have any loose change?" Tai asked. "I'm fresh out!" Azukia replied, turning out her pockets. "Why?" Izzy asked.

"Obviously I'm gonna make a phone call to get some help!" Tai said. "Ah, use my phone card! The aliens can bill me! Here!" Izzy said, handing a red phone card to Tai as he inserted it in a slot and started dialing. "Maybe there's a quarter in one of the slots!" TK said, dashing towards one of the booths. "I'm calling Daddy!" Mimi said, dashing towards another one.

"I'm hooking up to the internet!" Izzy said, walking into another one. "I'm calling collect!" Matt said, running into another one. "Dibs on Booth 4!" Sora said, running into another one. "Hey guys wait for me! Come on!" Joe said, running into the last one.

"Hey mom it's Tai and Azukia!" Tai said into the phone. "The time will be exactly 45 miles per hour in 90 seconds!" An automated voice said. "Something's wrong!" Tai said. "Or your Mom's flipped!" Azukia replied.

"Tomorrow's forecast calls for clear skies with a chance of ice cream!" Another automated voice said into Mimi's phone. "What do you mean?" Mimi asked. "This phone only exists in your imagination, please hang up now! Don't call back!" A third automated voice said into Matt and TK's phone. "What planet did I die on?!?" Matt cried.

"I'm telling you-it's a twisted alien joke!" Izzy cried. "Why not try that one over there?" Tentomon suggested, pointing to an empty one. "I don't think it's any better!" Biyomon cried. "This phone is inactive in your service area!" Another automated voice said into Sora's phone.

"Hm!" Sora huffed, hanging it up. "Any luck?" Tai asked as he walked over. "No!" Sora replied. "Weird, I gotta strange feeling about this!" Tai said.

"Maybe this one will!" Joe said, dialing another number. "To leave a message press 1!" An automated voice said. "Ok, next one!" Joe said, starting to dial another number. "Very curious, does Joe always act like this?" Izzy asked. "Every single day!" Azukia replied, sweatdropping.

"No matter what number he dials, those phones aren't gonna work!" Matt said. "Well I'm gonna keep searching for a boat or something." Tai said, standing up and starting to walk off. "I'll help!" Azukia said, starting to follow him. "Hey! Wait a minute! Even though we can't call out of here there's always a chance someone can call into us!" Matt cried.

"It's a waste of time doing nothing but sitting here!" Tai cried, starting to turn on him. "I'm going to stay here in case anybody calls. Besides everyone could use a rest!" Matt cried, using the same tone with him that he used on him. "He's got a point Tai." Azukia said dejectedly. "And I'm getting pretty hungry!" Izzy cried.

"Right! Cause we haven't eaten anything all day!" Tai cried, sudden realization spreading across his face. "All right, break time everybody!" Azukia said. "Does anybody else have any food? I think the only thing I have is-huh? It's that gadget that fell out of the sky at camp!" Sora said, pulling it off her belt and looking at it. "Huh?!? I forgot all about those weird gizmos!" Tai said, looking at his.

"If anybody's got a pink one I'll trade!" Mimi said, also looking at hers. "What are they anyway?!?" TK cried. "We wouldn't have them if they weren't important!" Matt said. "If I could take mine apart-\*Rumble\*Um, that is after I get something to eat I'm famished!" Izzy said, sweatdropping slightly. "Well, all I got is my emergency supplies it has a first aid kit, bandages, and some medicine but that's about all I got!" Sora said, pulling it out. "I have my trusted laptop computer! And a digital camera! Oh, and I got a cellphone too! Of course not one of them has worked since we got here!" Izzy said, setting all the stuff out. "I can't believe you dragged all that computer stuff to summer camp!" Tai said, looking at it all. "And what do you have?" Izzy asked.

"I have my laptop and half a bag of granola! I would have more but I left my bag at camp!" Azukia said. "That reminds me! I wonder if Emi's noticed were gone..." Matt said, causing he and TK to get a little downtrodden. Then, Azukia just smiled good naturedly and walked over and hugged Matt, causing him to get a little shocked then a slight blush spread across his face. "It'll be okay Matt, I'm sure we'll figure out a way home." Azukia said, causing him to smile lightly then break the hug.

"Thanks Kia-chan, I owe ya one for that." Matt said, using everyone's nickname for her. "Well, to continue what we were doing let's see there's- my mini telescope!" Tai said, showing it to Izzy. "Sorry, but I don't have anything to eat either!" Matt said. "Hey, look at what I got! Check it out!" TK said, opening his backpack revealing a lot of snack foods.

"Wow! Look at all those goodies! Why don't you be a good little boy and share those with your dear, sweet Mimi!" Mimi said, looking in the backpack. "Ah Mimi you don't have to be so nice I'm happy to share! Isn't she cute?" TK replied, looking up at Matt. "Forget it!" Matt replied, looking away. "I'm so hungry I could eat a horse!" Tai said.

"Or an elephant!" Azukia said. "I would settle for a small cow!" Izzy said. "Mimi, what have you got in that big bag? Hairbrushes and make-up?" Sora asked, causing Azukia to snicker lightly. "Uh, well let's take a look! Here's a compass, cooking fuel, a flashlight, one of those knives with a bunch of things, and some other stuff!" Mimi said, setting it all out.

"Wow!" Everyone said. "Why didn't you tell us you had a compass back when we needed one?!?" Matt cried. "I thought it would be fun to see how far we could get without one but besides it's broken!" Mimi said. "So much for finding our way out of here!" Tai said, sweatdropping.

"That's just perfect!" Azukia cried, sitting down and crossing her arms across her chest. "Although, we could use the cooking fuel to make a signal fire!" Matt suggested. "That's true, or we could barbeque some telephones!" Sora said, still a little mad at them. "Oh boy, check out the genius! See? He's trying to call the telephone repair man because the telephones don't work! Problem is-look! Joe's got the emergency pack!" Tai cried, laughing at first then getting shocked.

"What?!? No way!" Izzy cried, jumping up. "Joe! Hey Joe look! You've got all the food!" Tai cried, getting Joe's attention. "Huh? Hey, don't you know it's rude to interrupt someone when their on the

telephone?!?" Joe cried. "But that bag!" Izzy cried.

"This? I just brought it to give to Mimi today's HER day to carry the bag!" Joe said, running over to Mimi and holding it out to her. "Ew no way!" Mimi cried. "Uh Mimi you've got to stop thinknig of yourself and do something to help somebody else for once! Take a little responsibility!" Joe cried. "But, that bag's too heavy for me!" Mimi said.

"Listen, ya never hear me complaining!" Joe cried. "Guys, listen the most important thing is now we've got something to eat so let's sit down and have some lunch!" Tai said, sweatdropping slightly. "Yeah, there's no reason to fight each other sicne we'll obviously be stuck here together for a while so let's eat!" Azukia said, also slightly sweatdropping. "Hmhmhmhmhm!" Gomamon hummed from his place floating in the water.

"Okay let's figure this out there's eight of us times three days, times three meals that comes to-" Joe figured. "Sixty three meals." Izzy finished. "Alright so split evenly between us we have uh-" Joe started. "Enough food for three days." Izzy finished.

"Right! Oh uh, I guess you knew that huh?" Joe replied, sweatdropping slightly. "But guys, when you add in the Digimon we really only have enough for about half an hour!" Sora pointed out. "Oh um, that's right..." Joe said. "Not a problem at all! We Digimon hunt and forage for ourselves!" Gabumon said. "What?!? You do?!?" Everyone started crying. "No need to include us in your calculations!" Tentomon said. "You sure Biyomon?" Sora asked her. "Oh absolutley we can do alright by ourselves!" Biyomon replied, smiling brightly.

"Ok, now that that's taken care of let's go ahead and divide this between the eight of us here! Wait, where's Azukia?!?" Joe asked, looking around frantically. We see Azukia on the other side of the beach eating her granola while Nekomon swims in the ocean catching fish. Then, Nekomon comes up beside her with a fresh fish in her mouth. "Why aren't you with the others Azukia-chan?" Nekomon asked, starting to eat her fish.

"I don't belong with them, with my psychic powers I could kill them at any time by accident if the chance came. I think I'm better off staying away from them." Azukia explained as Nekomon finished her fish. "I don't think that, and I don't believe they do either." Nekomon said. "Hey Azukia!" Joe cried, causing her to look over at them. "Get over here with us!" Joe said, waving her over causing a smile to break out on her face.

"Ok!" She said happily, grabbing Nekomon into her arms and rushing back over as Joe started dividing the food. Then, they noticed Tai and Agumon chowing away at the food. "This is great! I could eat a dozen of these!" Tai cried. "Um hmm!" Agumon mumbled back happily.

"And just what do you think your doing?!?" Joe cried. "I'm glad we never hear you complaining!" Tai replied sarcastically. "Ohhhhh, you people make me crazy!" Joe cried. "Aumhmhmhmhmhm, uh oh!" Gomamon said, looknig out to the water where we hear deep growling.

"Ummmmm." Biyomon growled, getting up. "Now what's the matter?" Sora asked. "Trouble!" Biyomon replied, causing them all to stand up. "Uhhhh?!?" Everyone cried.

"Uwah?!?" Joe and Matt cried as the ground started shaking and water started shooting up out of the ground then a shell started appearing from underground. "Shellmon!" Tentomon cried. "What's a Shellmon?!?" Izzy asked. "Something that gets mad for no reason!" Tentomon replied.

Then, Shellmon fully appeared from underground. "That makes two Digital Monsters in the same day! Does Shellmon know I'm allergic to shellfish?" Joe said. "I don't think that matters right now Joe!" Azukia cried. Then, Joe started climbing up the rock ledge.

"Everybody up here!" He cried down. "Right behind you!" Azukia cried, climbing up after him. Then, Shellmon shoots water at them and they start falling to the ground.

"Joe!" Gomamon cried as Shellmon shot water at him too. "Azukia!" Nekomon cried as she also got shot with water. "Digimon attack!" Agumon cried, lunging into action. "Right!" Biyomon cried, leading everyone

in after him.

"Agumon you show him!" Tai cried. "Pepper Breath!" Agumon cried, shooting his attack at Shellmon and it not doing much damage. "Blue Blaster!" Gabumon cried, shooting his attack and again it not doing much damage. "Spiral Twister!" Biyomon cried, but her attack fizzling out and Shellmon knocking her aside. "Super Shocker!" Tentomon cried, but the same thing happening with him and Shellmon knocking him aside as well. "What's happening to them?!?" Izzy cried. "They look like they've lost their powers!" Matt cried. Then, Shellmon knocked all of them back with another water shot.

"Agumon!" Tai cried from his place on the ground. Agumon then got up and the remaining Digimon got forward to help him. "Boom Bubble!" Patamon cried, but his attack fizzling out as well and he getting knocked aside. "Poison Ivy! Huh?" Palmon cried, wondering why her attack wasn't working and she getting knocked aside like everyone else. "Psychic \*Twitch Twitch\* BLAST!" Nekomon cried, launching her attack on Shellmon.

"Go get 'em Agumon!" Tai cried. "Let's go get 'em Nekomon!" Azukia cried. "Why is it only Agumon and Nekomon?!?" Izzy cried. "Were just too hungry!" Tentomon replied.

"What?" Izzy asked him. "Gabumon!" Matt cried. "I don't have any strength." Gabumon replied. "That's it! Agumon and Nekomon were the only ones who had anything to eat!" Sora cried.

"Now I see..." Izzy said. "Then maybe the other Digimon just don't have enough strength to fight!" Matt cried. "Agumon! Looks like it's just you and me now!" Tai cried. "Same with us Nekomon!" Azukia cried. "Then give us a diversion!" Nekomon hissed to them. Then, Tai and Azukia started running around to confuse Shellmon. "Hey Shellmon, ugly, over here!" Tai cried. "Yeah ugly!" Azukia cried, stretching her eyelid out at him.

"No don't!" Sora cried to them. Then, Agumon and Nekomon hit him from the other side. "This'll work!" Tai cried, picking up a bar from one of the destroyed phone booths. "Yeah!" Azukia said, picking up another one.

"How do ya-like-that?" Tai stutted as they repeatedly hit Shellmon. Then, Shellmon lifted them up high in the air and started squeezing them. "AHHHHH!!!!" Azukia screamed, showing her fear of heights. "Hold on Tai!" Agumon cried as he started running over to them.

"Were coming Azukia!" Nekomon cried, following right behind Agumon. Then, Shellmon grabbed the two of them with one of his paws and hit the others with an extra strong water shot. "Watch out! He's gonna get everyone! And there's nothing we can do!" Tai cried as Shellmon squeezed him harder.

"AHHHHHH!!!!" Tai screamed.

"TAI! No, he can't hurt everyone!" Azukia screamed as Shellmon squeezed her harder as well.

"AHHHHHHH!!!!" Azukia screamed. "Digivolve!" Agumon and Nekomon cried as they started glowing in white hot light. "What's going on?!?" Tai cried.

"Their Digivolving again!" Azukia cried. "Wuah!" Everyone else cried as the light started blinding them.

"Agumon Digivolve to...Greymon!"

"Nekomon Digivolve to...Starmon!"

Then, as they Digivolved again they grew so much they knocked Shellmon backwards and he flung Tai and Azukia. "AHHHHH!!!!" The two screamed as they flew. Then, they landed on the ground. When they got good looks at their newly Digivolved Digimon they saw Agumon had Digivolved into a bigger, stronger orange dinosaur with blue stripes on his legs and a brown skull over his face and Nekomon had Digivolved into a half human half cat with cat paws and ears and was wearing a light blue dress, had blonde hair, blue eyes, and was wearing a silver mask over her face with her ears, eyes, and mouth showing through it.

"Wow, he did it again now he's Greymon!" Tai cried in wonder and amazement. "And she's Starmon!" Azukia cried in equal wonder and amazement. Then, Greymon and Starmon started attacking Shellmon. "Now your getting him go Greymon!" Tai cried.

"You rule Starmon!" Azukia cried, jumping up and down. Shellmon then shot water at the two Digimon and they dodged it and Greymon shot a fireball at him. Then, Greymon threw Shellmon into the air.

"Diginova Blast!" Greymon cried, shooting an extra big fireball at him.

"Heart of the Cosmos!" Starmon cried as a star started spinning at super high speeds in her outstretched hands as she looked at the other Digimon. "Three of you need to transfer some of your energy to me!" She cried to them. "Ok!" Patamon, Gabumon, and Biyomon said, transferring some of their energy into the attack causing the star to start spinning faster as orange, pink, and blue energy collected around it and she flung it at Shellmon causing him to go flying. "Wow..." Tai and Azukia said, their eyes wide with shock as they watched Shellmon fall into the ocean far away.

Then, the two Dedigivolved and ended up on the ground. "What? Agumon!" Tai cried, running over to him. "Nekomon!" Azukia cried, running over to her. "Are you alright? You poor little guy Agumon!" Tai cried.

"Tai! Tai! Do you have anything to eat?" Agumon asked, showing he was alright. "Heheh." Tai laughed, glad his friend was okay then looking over at Azukia who was squeezing Nekomon in a bone-crushing hug. "I'M SO GLAD YOUR ALRIGHT NEKOMON!" Azukia cried happily. "Azukia, can't breath!" Nekomon wheezed.

"Oops, sorry." Azukia replied, laying her down in her lap. "Hello? Come on I know your there! Operator! Operator!" Joe cried into the last surviving telephone booth phone. "There's really no reason to stay here now!" Tai said. "Who's going to break the news to Joe?" Matt asked, looking over at him.

"Not me!" Azukia cried as they all looked a couple of inches away where the Digimon were stuffing their faces. "If you want more just say so!" Sora said, smiling brightly. "Shellmon wasn't destroyed he's just temporarily removed! We should pack up and leave before he decides to come back for round 2!" Izzy said. "I second that!" Azukia cried, anxious to get away from the big sea worm thing.

"Good idea!" Matt said. "In that case we should go right back to the forest because if anybody's looking for us that's the first place they'll go!" Joe said, walking up. "Joe I said this before, we fell off a cliff and floated down a river to get here so getting back there's a really big job!" Sora said, standing up. "And we could run into Kuwagamon!" Matt said.

"Now listen, logically speaking if there are telephones here then there must be people to use them! So I think it makes good sense to try and FIND those people!" Izzy suggested. "That makes sense!" Joe said. "It certainly does!" Sora said. "Um hmm, then let's all get going!" Tai said.

"YEAH!" Azukia cried, punching a fist into the air. "Anywhere you wanna go I'll go Tai just pick the direction!" Agumon said. "Same here!" Nekomon said. "Then let's get outta this place!" Tai said as they all started walking away from the beach.

"And let the monsters beware!" Matt said. "You got that right, cause were fighters and we stick together!" Azukia said. "Um hmm! Well, my plan is to avoid all monsters! Yep, that's my plan!" Joe said.

"Ok, here we go!" Tai said as they stepped off into the forest.

"DIGIMON!" They all cried.

### 3 - Garurmon the Blue Wolf and A Friend Appears!

Tai: We've almost searched the whole island, and we still haven't found any people! Just some monsters with attitude, but they couldn't handle our Digimon friends who can turn into these awesome fighters! Like when Agumon transformed into Greymon, and kicked Shellmon to the curb! It was so cool!

Azuki: Also when Nekomon changed into Starmon and helped! Totally awesome!

"Yo Agumon." Tai said as Agumon walked forward. "What's up Tai?" Agumon asked. "I like it when you're Greymon. No offense but why don't you just stay that way?" Tai asked. "Yeah, no offense Nekomon but you're a lot prettier when you're Starmon so why not just stay like that?" Azuki asked her partner. "We can't, but even superheroes need a rest!" Agumon stated. "Yeah yeah!" Nekomon agreed. "Wuahhh!" Tai and Azuki cried at the remark, almost falling off the cliff they were standing on causing everyone to break out laughing.

"Huh?!?!?" Everyone cried, turning to see a dinosaur-like Digimon crash through rocks. "Who's that Digimon?" Izzy asked, looking at it with a slightly confused look on his face. "It's a Monochromon, but don't worry about him he's a laid-back Digimon." Tentomon explained. "Roooarr!" The Monochromon screamed. "Although it is wise to be a bit cautious with the Monochromon, they do tend to get a bit miffed when they're hungry." Tentomon finished explaining. "Then he must be starving because he looks really mad!" Tai said nervously. "Yeah, and it's scary!" Azuki cried, hooking onto Tai's arm unbothered by him. "I think he wants to eat us!" Mimi almost screamed.

"Ahhhh!" Everyone screamed as the Monochromon turned on them and another one came up behind them. "There's two of them! We're caught between a rock and two sets of teeth!" Matt cried.

"Ahhhhh!" Everyone screamed again, dashing behind the rocks as the two Monochromon started fighting each other. "Something must have set those Monochromon off!" Tai said. "Yeah, but what would that be?" Azuki questioned. "Their fighting over territory!" Tentomon answered for them. "They can just have it then!" Palmon said, starting to run off.

"Hey!" Mimi cried, chasing after her. "Don't leave without me!" Mimi cried to Palmon as Sora, Biyomon, Izzy, and Tentomon began pursuing. Then, the ones still behind began following them as the Monochromon continued on in their dispute. "They definitely don't need us hanging around!" Tai said. "Wuah!" TK cried, tripping. "TK, come on!" Matt said. "Hurry up guys!" Tai cried over his shoulder. "Ok, we're coming!" TK replied, getting up and running over to Azuki, clasping her hand as they continued running with the battling Monochromon getting farther and farther away from them as they went.

Once they were far enough away, they slowed down. "I don't walk this much unless I'm at a mall, and as you can see we're nowhere near one!" Mimi complained, leaning her head on a tree. "Mimi, stop whining!" Tai scolded. "Yeah, if we want to stay safe we gotta keep moving!" Azuki finished for Tai, glaring at the girl. "No, my feet hurt!" Mimi shot back. "Maybe if you take off your boots and socks you'll feel better Mimi, it's much more practical I think!" Agumon suggested.

"I'm not walking on dirt in my bare feet!" Mimi exclaimed, disgusted. "I love the feel of dirt under my feet especially between my toes!" Palmon said with glee, a happy smile spread across her face. "Gross!" Mimi cried. "Um..." Palmon started, but not finishing her sentence. "It appears we may be losing our light source." Izzy said, looking at the sky. "What a weird sunset..." Sora said. "This whole island is weird and who knows what'll come out at night!" Izzy replied.

"Wait, I detect water!" Tentomon suddenly exclaimed, flying past the two kids into the air.

"Uhhhhh?!?!?" Sora and Izzy cried, shocked by the sudden outburst. "Wait here while I check it out!" Tentomon said, spotting a large body of water. "Yes, as usual I'm right! There's a lake with fresh

clean water and a variety of tasty fish a perfect campsite!"Tentomon said, proud of himself. "Maybe I can finally soak my poor achy feet!"Mimi said. "Yeah, we get to swim!:"Gomamon said, starting to bounce off but Joe grabbing his tail. "Gomamon, you better wait and make sure it's safe first!"Joe cried.

"That's why I think we should keep walking and stop all the complaining!"Matt said, looking ticked.

"Everyone's hungry we have to find some food!"Tai cried. "Back is a good plan I like that plan a lot!"Joe suggested. "It should be a safe to rest here for the night!"Biyomon interjected happily. "Yeah I love camping outside!"Sora said. "Me too!"Azukia said as the two girls nodded in agreement happily. "If I won't walk in dirt what makes you think I'll sleep in it?!?"Mimi exclaimed. "Mimi, you see a hotel here?"Tai asked, being completely sarcastic. "Huh?"Mimi cried. "Woh..."Tai said in awe as they came upon a single streetcar.

"What's that?!?"Tai cried. "It looks like a trolley car."TK said. "That's odd, the lights just came on!"Izzy said. "Well maybe there are some real people in there!"Sora said. "Did you say real people?"A mysterious female voice said as a girl who looked like TK with a red lion-like Digimon walking beside her came up, skipping happily.

"Emi?!?!? How did you get here?!?"Matt cried. "Big brother!"Emi cried happily, running into his arms as he, Emi and TK embraced each other happily. "Hey Emi-chan!"Azukia cried, happy to see her other friend. "Azukia-chan!"Emi cried, breaking free of her brothers and hugging Azukia then pulling a red bag off her shoulder and handing it to her. "Here's your bag!"She said, smiling as Azukia smiled back and took it. "Thank you Emi!"Azukia replied, swinging it onto her shoulder as they all looked at the streetcar. "Let's check it out!"Tai cried, genuinely curious about it. "YEAH!"Azukia and Emi cried together as they all started dashing to it. "Maybe it can take us back home in air-conditioned comfort!"Mimi cried as they all followed the three. "Mimi, wait up!"Joe cried as they all got into the trolley to find it completely empty. "Bummer it's empty!"Tai said. "Totally empty!"Sora agreed. "No trolley car is this clean!"Izzy observed. "Oh goody these cushions are comfy!"Mimi said, hopping up and down on one. "Something's wrong:remember those weird phone booths we saw at the beach? Something just as freaky could happen here!"Tai exclaimed.

"Yeah, like this suddenly moving all by itself!"Joe said fearfully. "Possibly, but then again maybe that's how we'll get home!"Tai replied. "So we have nothing left to lose by staying here!"Sora stated. "Uh, can we eat now?"Tentomon asked shyly. "That's right, I forgot!"Tai cried. Then, we see Gomamon splashing and playing around in the water. "Gomamon stop playing in the water! I can't catch any fish if you keep warning them away!"Izzy cried.

"Yum yum, you can't get too many berries down the hatch!"Tentomon said, quickly swallowing some berries. "That reminds me Kia, you said you have supplies in your bag let's see them!"Tai said. "Let's see...oil and matches for campfires, pop-up tents, a compass, some cooking tools, food, soap, and extra clothes!"Azukia said, smiling proudly. "How do you fit all that into that little bag?!?!?"Emi cried. "I don't know, I'm curious myself!"Azukia replied, smiling nervously as Emi collapsed. "Poof!"Patamon cried, shooting a Boom Bubble at a fruit causing it to fall and get stuck on Gabumon's horn. "Oh!"Gabumon cried, grabbing his head when it hit.

"Heheheh, you better watch that killer thrust of yours Patamon!"Biyomon said, flying past and starting to try and pull a fruit off the same tree and we see Mimi about to eat a mushroom. "Those are bad mushrooms you shouldn't pick them! They'll make you sick!"Palmon cried, stopping her. "Oh! I'd be a big mess without you Palmon! You're the best!"Mimi cried. "I accept that!"Palmon replied, smiling and raising herself up by her vines. "Were all set to cook dinner, now all we need is the grub!"Matt said.
