<b>Chapter 3 - i want a.....</b>	<b>4</b>

## 1 - the beginning

one wonderful day in the middle of egypt a baby was born to nefertiti the queen to akhenaten there first child hoping for a boy akhenaten did not really mind. he got a girl not satisfied at the news he went to see and fell in love the minute he saw her. baby kiya heir to the throne of egypt and he was as happy as dads can be.

but one person was not happy akhenaten's brother wanted no babies to be born and for akhenaten to be dead if that happened he would be pharaoh but what was he supposed to do...

## 2 - its all goodish

it was days till little kiyas first birthday (and for an egyptian baby its good there alive) but although kiya didnt understand her mother and her father especally were estatic couldnt wait.

but her father had a job to atend to he wanted kiyas birthday to be perfect so he went with his advisers and brother to fix it. "im just going to fix something il be back neraferti" "no u cant go i need u its kiyas birthday tommorow " "i know il be back soon". so he went.

the next day it was kiyas first birthday a very important day but her father wasnt back. they got on with there day waiting hopeing.

at the home kiya was in the other room with a slave playing with her when nereferti got news from a messenger boy the pharo is now dead.

### 3 - i want a.....

oh now heres an interestin part

its been ten years now so our young kiya is almost 11 and she really wants a pet or something so she went to ask her dad(who is actually her uncle ay) for something for her birthday. although she is terrified of him( hes very mean) "ummm dad.."said our brave little girl "what do you want..."said the big meanie."umm u know its my birthday soon..." "ohh how could i forget" "ummm" "get on with it girl" "DAD CAN I HAVE A PET....oops..." "shout at me how dare you no now get out of my site" "but ..."  
"GO ATEM DAME IT " (ATEM IS A GOD...)

so she went to her room as she usually would play with her toys do what she could. usually brave she cried and cried as u would.her mother was the nice one not normally in a story but that was that but still never spoke to her so she was a big pile of mess.

so after she was better she went to see her mother and said"mum why is dad so nastey" "why whats up"  
"i asked for a pet and" "and he said no right.kiya....." "right" "look u dont need one you will be ok"
