1 - Lost love

Lost love

"INUYASHA PLEASE, PLEASE DON'T LEAVE ME!!" Kagome scream at the top of her lungs.

"Kagome please you must understand I have always loved kikyō and I must go" and with that she watched her love sink into the fiery depths of hell. Then Inuyasha was gone, kikyō has stolen him from her. She sat there crying her eyes out.

"Kagome?" a familiar voice called to her from the state

"Uhh?" she said sitting up

"Kagome you were crying in your sleep we had to stop to see if you were ok!"

A kind-hearted Inuyasha said unlike the one she had apparently dreamed about if it was as cold as ice; her face was the most worried of all the faces she had ever made.

Inuyasha was carrying Kagome on his back with the others following behind but not close to hear them talking

"So... you dream about me?" Inuyasha said slyly

"Umm not really, why?" absolutely lying through her teeth but she thought that he didn't need to know about the dream she had.

Flash back

"Kikyō, Kagome I have chosen who I love and want to be with the rest of my life" Inuyasha said followed by a long silence "I have chosen..... Kikyō I love kikyō the most" right then a pain rush through Kagome like no other she had ever felt before, he had said right to her face he loved kikyō more and now kikyō was bringing him into hell with her.

"INUYASHA PLEASE, PLEASE DON'T LEAVE ME!!" Kagome cry with all her might

"INUYASHA I NEED YOU WITH ME!! PLEASE STAY!!" Kagome cry more than ever before she felt pain everywhere in her body he then had no more energy in her legs and fell to the ground crying for her love "Inuyasha" she called out into the night.

End of flash back

"So..." Inuyasha said

"What are we talking about?"

"Ughhh some times you are hopeless Kagome!"

"But you would never leave me right?"

"Why ask a question like that Kagome?"

"Just wondering that's all" he then reached back and ruffled her hair as they both giggled but she couldn't help but wonder if it would come true
