Sadness overcomes

Sorry it has taken me so long to continue this story but it was suppose to be done but people said to continue so I did.

\*\*\*\*\*

Oh Inuyasha Koga asked me and I said yes, but& Kagome started to say but was cut of by Inuyasha

Oh its ok it s not like I wanted us to be together then Inuyasha looked away so that Kagome couldn t see his emotion in his eyes. She was about to pass out because she was so sad. She turned away in tears and started to run away she was going to go home but he might fallow her so she changed her mind and kept running. Inuyasha turned around to see Kagome running away he thought to him self Ahh she s not going far she just going home I ll talk to her there but little did Inuyasha now that Kagome s heart was changed forever and a curs was put on her.

Inuyasha went over to Kikyo and she looked at him and said so you want to be with me know that s good that other girl Kagome never should get to be with you Inuyasha didn t say any thing then sango and miroku came out of the trees, Miroku was so happy he was dancing Did you finally get lucky miroku? Inuyasha said trying to look normal Ha-ha Inuyasha very funny it turns out some one killed Naraku my wind tunnel is gone! miroku then gave him a peace sign ya we know&& Kagome did it Inuyasha s head just hung down Well that s great where is she? I want to say thank you

She ran away

Why what did you do this time Inuyasha? miroku said jokingly

She hates me know that s what s wrong and why is nothing to do with you Inuyasha then flopped to the ground Lets camp here for the night

\*\*\*\*\*

I never what to talk to Inuyasha ever again Kagome ran so hard that she couldn t see were she was going and passed out right before she was going to fall off the edge of the cliff.

## **IN THE MORNING**

Kagome, wake up some one said softly. Kagome open her eyes to see Koga standing over her Kagome when with you be my mate I think know is a good time as ever Koga I can t be with you it was a pity yes I really don t want to ok and I m not feeling good so I m just going to go home bye Koga Kagome got up and walked off toward the well Koga didn t care (he was a little drunk) Wow that was so mean and not like me at all Kagome thought.

\*\*\*\*\*

Inuyasha have you been up all night? asked Shippo

Ya well Kagome might come back and I want to talk to her and ask if she can still say here with us I now she will say no cause Kikyo is with me now but still, WHAT DID I TELL YOU THAT FOR?
