The Naruto gang runs into some trouble. It's something so terrible, so horrible, it will take all of their will-power to defeat. Do you know what that is?...High School. (Normal pairings, though not the main plot or anything. TOTAL COMEDY!)

1 - Algebra Class

Well, for this story, Naruto, Sakura, and Sasuke are in a normal school and everything. Yup, that's about it.

"Ok everyone, take your seats!" The Algebra teacher yells.

No one is listening, so he screams at the top of his lungs, "SIT DOWN DAMNIT!"

Everyone scampers to a seat whether it was theirs or not. Naruto trips on a book bag and plows into a table, smashing his head on the seat.

"I'M OK!" He yells, rubbing his throbbing head.

"Naruto, your such a dork!" Sakura whispers to Naruto.

"SAKURA! NO TALKING!" The teacher yells.

"I wasn't talking to Naruto!" She smirks.

"So what? Your mouth was moving out of no where!?" The teacher yells.

"You got that right!" Sakura laughs.

"What did you say!?" This time with more anger the teacher yells.

"Nothing...noting." Sakura turns her head.

After the teacher calms down, he asked a simple question.

"So, how many of you are on track?" But the class thought he said on Crack.. So, everyone being their retarded selves, raised their hands.

"All of you are in track?!" He said in amazement.

"Ohhh! We thought you said on crack!.....IM NOT A CRACK I SWARE!" Naruto blushes and the whole class smacks their hand down.

After a few bonks on the head by his fellow classmates, Naruto finally manages to calm down.

The Algebra teacher, puts a question on the board, and asked Sasuke to come up to the board and solve it.

"Now Sasuke, if you get this wrong, the class gets to throw their books at you!" He said jokingly.

The class picks up their books and brings them behind their head, ready to throw them the second he messes up, but they all know that they are not REALLY going to throw it, its just fun to play around.

Sasuke finishes, and Mr. Sanker looks over it.

"Well Sasuke, there is one mistake right here"

All of a sudden, Sasuke gets smacked smack-dab in the face with a book. Everyone gasped and turned to Naruto.

".....We weren't suppose to throw them? BUT SENSAI SAID WE COULD!"

"YOU IDIOT!" Sakura back-handed Naruto in the cheek.

And after yet another blows to Naruto's head, the class calms down.

Mr. Sanker turned off the lights to turn on the over-head to show the class a bunch of math problems.

After he was done, he turned the over-head off and shouted, "CLASS, LOOK AT THE CEALING, ITS SO COOL!"

Everyone jerked their head upward to see what was up there when all of a sudden, the lights came on, and blinded everyone (have you ever been in the dark, and turned on a light? yeah! Hurts don't it?)

"HAHA SUCKA!" Mr. Sanker laughed. Everyone groaned.

"WHAT THE HECK WAS THAT FOR!?!?" Naruto and Sakura both yelled!

~*~*~*~*~*~*

Ok, thats my first one, by the way, everything you just read, actually happened in my Algebra class. That is how messed up it is! lol. STAY TUNED FOR MY NEXED ONE... LUNCH!

EDITED: Ok, at the time, I thought it was funny. But now that I read it over again after ten more chapters, it sounds like a 5 year old made this! -_- Grrr! When I get some time, I'm going to redo this chapter and the ones after. Not completely make a new one, just fix it up and make it sound actually interesting! haha!

2 - Lunch

At their table, which included, Sasuke, Sakura, Naruto, Ino, Neji, Kiba, and Hinata. Everyone sat down, right after Naruto spilled his tray and had to clean it up.

Naruto tried to start a conversation with Sakura, but corn was flying out of his mouth, and Sakura got up and moved to the other side of the table.

Ino was trying to flirt with Sasuke, but he just ignored her. But she didn't give up so she offered him her food. He declined, but Choji, from across the room, gratefully took it out of her hands.

In the middle of eating, Naruto yelled out to Kiba

"I HAVE TO POOP!!!"

Everyone turned and Naruto scooted down in his seat.

"I HAVE TO GO TOO!!!" Kiba yells.

Both boys ran to the bathroom, but didn't really have to go to the bathroom, they just stand of the toilets and talk on the top of the stalls. So then, Naruto drops his pen out of his pocket and it lands RIGHT in the toilet.

"AHH!!!" he screams.

By then, Kiba is laughing so hard he can't breath.

"Just reach in there and grab it!" Kiba yells.

"I'm not touching that!" Naruto screams back.

"OH shoot!" Naruto yells.

"what?!" Kiba ceased his laughter.

"I really DO have to go now!" Naruto yells, and pulls down his pants and sits RIGHT on the same toilet with the pen in it.

So Naruto "does this thang" if ya know what I mean?

While he is still "going" Kiba is sitting down holding his sides in from laughing so hard. Then the bell rings.

"HA HA! DUDE WE HAVE TO GO!" Kiba yells and runs out, leaving Naruto alone.

Naruto didn't "get it all out" yet, but had to stop, and was afraid to flush, so he put toilet paper on the top of it and ran out.

Later that day, Sasuke walks into the bathroom, and goes into the same stall Naruto was in.

"SICK!" He yells at the smell, and heard the stall door close.

"LET ME OUT!" He screams while tries to PUSH a PULL DOOR.

With no success, Sasuke slams on it, but no budge, so he crawls underneath and runs out like a wuss.

~*~*~*~*~*~*~*

No Sasuke is not REALLY a wuss, but I just wanted to it sound like that. lol

EDIT: Once again, I re-read this after a few months and HATE it like no end. Like I said before, I'm going to redo this chapter, or just clean it up and make it sound interesting! -_- sorry its so bad everyone, I wasn't really trying when I made this.

3 - School Dance

~~*~*

I know this isn't much of a story cause I didn't really try, but I just wanted to see how this came out.

~~*~*

With the blasting music, and the disco lights, this school dance will be one of the best! "Ok partiers, no teachers, so lets get this show on the road!" The DJ yells through the microphone. Then the Chicken Dance comes on.

"Hehe! Lets go!" Sakura shouts over the music and jumps on the dance floor. Most people were sitting out because it was a childish song, but that didn't stop Sakura, Naruto, Shikamaru, Ino, Chioji, Lee, and...Gaara?! They all started flapping their wings and shaking their tail feathers. Sasuke on the other hand was to ashamed to even know them by now.

As the melody part comes on, everyone grabs a partner and do-si-do's with them. Sakura came swinging along and plowed into Ino without even realizing it. Ino crashed into Shikamaru, he tripped Lee, Lee smacked Chioji, and he bulldozed right into Gaara. "HAHA WATCH WERE YOUR GOING!" Naruto yelled over the music. Gaara gave Chioji the "death" star, and Chioji went and sat down, scared to death.

So the next song was of course, My Humps, and Sakura and Ino were pretty proud of what they have to "show off". Well, while Sakura was shakin' her butt, Lee couldn't help but get right up behind her and pretend she was "doing that" to him. "LEE YOU PERVERT!!" Ino yelled, and Sakura finally noticed the weird boy behind her, giving him a big smack on the face.

The next song to come on was Cotton Eyed Joe, and all the gang, even Sasuke, did their little jig, acting like a cowboy.

Half the dance was over, and Sakura and Ino had become very tire. They went and leaned on the wall for a sec, until Ino just HAD to do something. So she went over the Sasuke and started flirting with him. Sakura's eyes were flaming, Ino could tell, but that just made her more "flirty", although Sasuke didn't really care what-so-ever. Then the next song came on and this was Sakura's perfect chance to get Ino back, and Sasuke's heart as a bonus.

Sakura: HEY HEY YOU YOU! I DON'T LIKE YOUR GIRLFRIEND!

she yells at the same time as the music, screaming it at Sasuke. He gave her a questioning look.

Sakura: NO WAY NO WAY! I THINK YOU NEED A NEW ONE!

Sakura poses in a sexy way, Ino getting steamed.

Sakura: HEY HEY YOU YOU! I SHOULD BE YOUR GIRLFRIEND!

she blows a kiss at Sasuke. In the background, you could see Lee and Naruto all P**** off. While the music still played, Sakura danced in a cute girly way right in front of Sasuke while Ino was yelling something. Gaara looked, "interested" in Sakura as well.. Oo! With Sakura's hair flying back and fourth, she truly did look like an angel fallen from heaven. Sasuke's hormones started kicking in. **HOLY CRAP! SHES HOTT! NO SHE IS NOT! YES SHE IS, I MEAN LOOK AT HER!!** Sasuke vs his thoughts were ragging on.

Sakura got a brilliant idea to pretend he wasn't there anymore and dance some more, even more sexier. "TWO CAN PLAY AT THAT GAME!" Ino yelled and started dancing.

Then the Cha Cha slide came on. Boy was Sakura at the right time and the right place.

Everybody clap your hands! clap clap chap your hands!

Sasuke couldn't resist, he slowly walked up in-between Sakura and Ino, and started clapping his hands at the same rhythm as the two girls. They smiled and went on.

To the left now, to the right...

Sakura and Ino both knew the song by heart, but poor Sasuke didn't. Honestly, he didn't know his left from right either, and kept stumbling into the girls as they giggled and he blushed. they kept turning directions, and now were in a line, Sakura in front, Sasuke in the middle, and Ino on the end, a little farther back from the two for some reason.

How low can you go...can you go down low...all the way to the floor? how low can you go?

Sakura slowly started going down, leaning back too forgetting Sasuke was behind her. She kept going lower and leaning back more, Sasuke too terrified to say anything, but had to keep going low as well. Her head was near his chest, and they were almost to the floor. "SAKURA! WHAT DO YOU THINK YOU ARE DOING!?" Ino screamed, scaring Sakura causing her to fall on top of Sasuke. Ino filled with anger and just left all of a sudden. The two both blushed, got up, and kept on dancing.

~on the other side of the dance floor~

Naruto had caught up with Neji and they both were party animals when it came to dances. Shaking their tail-feathers and anything else they could shake was their strong point.

The next song was the hamster dance song (for some reason). Naruto took the opportunity and got in the middle of the crowd and pretended to be a hamster and sing.

D D De Da Diddy Dodo. De Da Didi Do!

Hinata, from her WAY back position, giggled. Naruto went looking through the crowd and found her. He put his arm around her neck and yelled into her ear like a drunk'in mofo, "HINATA....GO SUGGEST A SONG FOR ME!" Well, she couldn't say no to the guy she liked, so she went up the DJ and told him

exactly what Naruto told her to say.

I LIKE TO MOVE IT MOVE...I LIKE TO MOVE IT MOVE IT... I LIKE TO MOVE IT MOVE IT... YOU LIKE TO.....MOVE IT!!!

Naruto yelled, and everyone paused what they were doing to go see. Pretty soon, there was a circle around Naruto and he was...BREAK DANCING!? The only problem was, he couldn't break dance. Everyone laughed as he pointlessly tried to stand on his head and spin without falling. He got up, did a peace sign, and walked out.

The next to walk into the ring was Kiba, who was pretty good at it. "He looks like a gangster!" Tenten yells while Neji nods. Next to walk in was Gaara..wait...GAARA!?!? He gets in, and starts doing the robot...The crowd goes wild over his actions. It was so stupid it was funny. They started chanting, "GO GAARA..GO GARRA..GO GARRA!"

Sakura and Sasuke were laughing too hard to realize that someone had pushed them into the ring. They both stood there for a while, while everyone was starring at them. What were they to do? They can't just stand there and they can't just walk away? Suddenly, Sakura stared...BREAK DANCING! Who would have guessed! She was upside-down spinning on one hand. Then the next thing you know, she is doing something else. She got up, and pointed to Sasuke, indicating that it was his turn.

Normally, he wouldn't bother, but seeing as how he was not going to get beat by a GIRL, he started dancing. First he puffed out his collar, all cool as Sakura stood there with her hand on her hip. The Sasuke pretended he was in a box like a mime. Everyone loved the humor. Then he pointed back to Sakura. She glared, and walked in. She started bopping her head to the music, and then all of a sudden, she started pointed up and down diagonally like a disco. Rainbow lights shined on her.

Sakura walked over to Sasuke and they started circling each other, bopping to the music. Sakura shook her hips and Sasuke whipped around his arms. Then Sakura yells out. "SASUKE! I'm so hyper I could make cookies...OH MY GOD I HAVE A GREAT IDEA.. LETS MAKE COOKIES!!!" She jumped up and down. Sasuke look at her like she was crazy, but he wouldn't blame her, he was the one acted like he was stuck in a box.

They both run off to cooking class while no one was in there and started making cookies.

The two got back an hour later with cookie smeared all over their faces and they looked pretty drunk (where they got the liquor I couldn't tell ya). They looked over to see Naruto and Hinata singing.

Hinata: It seems today, that all ya see. Is violence and movies, and sex on TV.

Naruto: But where are those good old fashion values...

Gaara: THAT WHICH WE USED TO RELY!!

Sasuke and Sakura giggled and walked off. Sakura bumped into Gaara and yelled over the music, "Hey! Where is Temari?" Gaara looked at her in a sad way and said, "S-she's dead....She was attacked by a

herd of wild dogs...she "thought" she saw..." He ran off crying. Sasuke and Sakura looked at each other..WTF!?

Then Naruto comes walking over and starts yapping to Sakura. "OMG, I just remembered when I first went to the country and the great outdoors.."

Flashback

Naruto walked into a port-o-potty. "Hey Sasuke! I don't get it?? Its just a hole.. It doesn't seem to go anywhere...NOPE, defiantly doesn't go anywhere..." Bird hits the port-o knocking it over.... "AHHH! ITS EVERYWHERE..."

end flashback

"heheheh" Sakura laughed. "How come I wasn't with you two!" Sakura yells at Drunken Sasuke and Wacked up Naruto.

"Uhh? I dunno." They both moan.

"Oh!! GOOD IDEA GOOD IDEA!!" Naruto yells!

"WHAT?!" Sasuke and Sakura both yell in unison. Naruto puts his finger up telling them to hang on, then he runs off to the DJ and grabs his microphone.

Naruto says in a calm voice, "Attention all party-goers....testicles....that is all"

~~*~*~*~*

I know it sucks cause I hurried through the whole thing, but I don't care really, its not my REAL story. its just a stupid thing to get my mid off of things! LOLZ!

Ino: cause i am

Sakura:you just called urself a dike? ;

Sakura: "cause I am"

Ino: you started this fight and youi know whats coming your way..... @\$\$ hole

Sakura: correction.... @\$\$ hole is the backside of a human being....yes I "have" and @\$\$ hole, but i'm not a whole one.....get your sentences right, and use them in the right catagory...

Ino: like i said you started it and dont acted like you didnt you lesbo.....sniffing peoples faces and following them everywhere

Sakura huffed as she remembered in school when she JUST wanted to see what kind of gum Ino had so she sniffed her quickly.

Sakura: correction, Lesbo is not a word...Lesbian is....no i'm not one, and if you think thats bad, i'm not the one who put their mouth on a microphone, and SHOVED it in someone elses mouth.....but whateva

Ino remembered when they were singing at home and Ino was just fooling around so she put the microphone in her mouth, the quickly jabbed it into Sakura's mouth, which in-tern made Sakura gerk backwards and scream.

Ino: what ever.....i have more friends than you and i cant believe i was your friend.....oh and by the way try to get into that volleyball thing and see what happens u will go home sorry about your luck dog.....and its not an open gym

Ino: dumbass

Sakura slammed her hand down on her bed. The whole reason about that volleyball thing is just that Ino wanted more practice so she asked the principal if she could have v-ball practice after school.

Sakura: It doesn't matter how many friends you have, it matters on how they treat you! You wouldn't even know the definition of that...and YES, it is like an open gym, Mr. Huber (the Konoha principal) said "anyone" can come, and ohhhhhh yout gonna sick your grandma on me....OMG I am so scared!! And thanx for calling me lucky, cause I know I am. Oh, and another thing, ...I'm smarter than you are! ^_^ So live with it!

Ino: i dont care if your smarteer.....and one you didnt go talk to him i never told him it was open gym i said for my friends.....something your not (oh darn).....plus i already gave him a list so you cant come and the people i invited dont even like you so stop trying to get in no one wants to see you.....srry (not) and this is my thing not yours dumb @\$\$\$. So deal with it.....and if you cant oh well for you.....!

Sakura: I have known Mr.Huber WAY longer than you have, and I KNOW that you didn't give him a list or whatever because its a community school! And not yours, so if your going to pick favorites, take them to your house and do whateva, but the shcool is NOT YOURS! And everyone on the v-ball team KNOW FOR A FACT that I'm one of the best!!! and don't forget it. And besides, I don't really NEED to go since I'm SO much better than you....but I just wanna ge to get under your skin! and another thing, EVERYBODY likes me, and don't think that Temari likes you...she tells me constantly that your so annoying cause you cling to her cause you have no one else to hang out with (ohhh look who has the friends now!) and I don't need to fight with you cause its pointless....

Sakura has logged off

****Sakura secretly put herself on invisible so she can still see what Ino write, but thinks that Sakura has logged off.****

Ino: Ohhhh.....look whos scared they dont want to talk anymore.....there afraid.....sure what ever Sakura you cant stand it that i have more friends then you.....and guess what i have more than one unlike you.....your such a pitiful country matters.....sometimes i feel srry but only for a sec.....oh dont make me laugh you hang out with the really fat katie girl (someone on Sakura's softball team).....ur only friends are your softball friends...be like oh yea then y is it every frackng day u are so sad looking and costintally looking at me and Tenten and ur always by urself, haha yea well i know for a fact that im better then u because ur fracked up in the head and only a dike would know that, and besides Tenten is friends with all the preps

Ino: srry but you are a geek and geeks have no friends.....and the way you treat Hinata is just wrong you dont even walk with her to lunch.....(you are such a good friend NOT) guess what a dike isn't a "guy part" is a lesbian dumb @\$\$.....go's to show how smart you are.....you suck @\$\$ at volleyball you cant even surve straight let alone spike and set.....and i am not the one with a deformed finger like a frackng freak.....i no many things about you and prepare to be humuliated by the whole school.....i am going to make your life living hell.....hope you can take it you sissy @\$\$ lesbian.....omg hey did you call your girlfriend katie yet

Ino: you too are a perfect pair.

Ino has logged off

Sakura started bauling her eyes out. "W-why would...Ino say things...I-like this!" her tears falling to the ground like a waterfall. She sat there for fifteen minutes, crying into her pillow. She knew that Ino and herself fought, but she had NEVER been this mean.

Sakura got up, and prayed. She didn't pray very often, but found it nessisary to do so.

~~*~*~*~*~*

ok, I know it wasn't funny this time, but I had to make it serious this time DON'T WORRY, THE NEXT CAHPPIE SHOULD BE A FUNNY ONE..... and I have to come clean on this one.....that whole conversation was REALLY me and my...so-called friend.. I just replaced mine and her names with

Sakura and Ino. I was Sakura talking, and my X-friend (Cassie) was Ino...BTW, if anyone has any advice, I would greatly appreciate it!

5 - Yahoo messenger...again

~~*~*~*~*~*

Ok, now this one should be a funny one...sorry again about the last chapter, I just thought that I needed a ... how should I put this.....Serious part..you know! ^_^ Ok, on with the show!!!!

~~*~*~*~*~*

Sakura finally got the strength and courage to get back on the internet, not because of Ino, but she had nothing better to do beside cry her but off.

*Sakura Haruno has logged on" She quickly changed her profile name to "I'll never forgive you".

She sat there for a while, but no one was on, so she laid on her bed and examined the ceiling.

Ding

Sakura jumped up, and seen who sent her an instant message..

Oh, please don't be Ino, she thought to herself.

Sakura read the message saying,

"Who won't you forgive?"

The person asked. Sakura didn't even bother looking to see who sent her it, but she quickly replied,

Sakura: Oh, nothing, you wouldn't understand....

Person: But who, I have the right to be curious don't I?

Sakura: Well, Ok! Its Ino, she is being a real jerk!!

Sakura almost forgot to see who she was even talking to, and gasped when she seen who it was,...Sasuke Uchiha.

Sasuke: what did she do?

Sakura: Sasuke, is that you? Why do you care, you never did before?

Sasuke: JUST ANSWER THE QUESTION!

Sakura: Well, to be honest, I have never been so insulted in all my life, here! I'll send you a copy..

Sakura: During the dance, We sort of...well.....got a little drunk....

Flashback

Sasuke and Sakura were making cookies and were drinking at the same time, (once again, no clue where they found the Bud Light in the school). Sasuke started yapping out something, very obvious that he was super drunk. "Sakura!!...s-sakura! I just found out something...you never going to guess, not,, not...not in a million years!" Sakura turned her head while putting a flower pot in the cookie dough.

"What?"

"Guess!"

"I don't know"

"GUESS!"

"chicken butt!!!"

"yes!!!"

"really?"

"NO"

"I give up! Now tell me already!" Sakura screamed.

"Ok, what you are about to hear my shock and disturb you...are you ready?" Sasuke asked. Sakura nodded.

"OK, you know...uh that white stuff you put on cereal?" Sasuke stammered, still swaying back and fourth, trying to keep his balance.

"Milk?"

"Yeah! Ok,...uh, milk, did you know that..." Sasuke paused, and then ...fell asleep.

"SASUKE!" Sakura screamed, and he jerked back awake. "What was it about milk??"

"Oh, yea! OK, did you know that milk.....came from a cows...utters!?!?"

".....OMG ARE YOU SERIOUS!?!?!?" Sakura screamed as her face was red because of the constant drinking (like Lee when he got drunk).

"I'm DEAD...serious...and you know...and you know what else?"

"What?"

".....I pooted" Sasuke whispered and grabbed Sakura around the waist, pulling her closer. Sakura could smell the bud light on his breath. "Sakura, you look like a piece of chicken if full bloom, I love it!"

Sakura blushed, not caring of what he says, but mostly because she can't keep up with her brain....

"Lets make this night last..." Sasuke said, twirling her hair around.

"Oh, Sasuke!" Sakura smiled.

(Ok, I won't go any further! ;P, sorry, but I'm not that kind of person to go into details with that kind of stuff.)

End flashback

Naruto: Oh

Ino: My

Lee: GOD!!!!

Naruto: Where did you come from? ;

Lee: I doesn't matter about the past, nor the present. All that matters is what is here and now, that is what matters!!

Sasuke: You just want your lunch money back that I stole from you don't you?

Lee:yes

hehe, I know that was a little weird, and I sort of sidetracked when I named this "an ordinary day at school" when obviously, they are not at school...oh well, ^_^ The next chappie will defiantly be during their school, so I'm hoping that something funny will happen to ME during school so I can use it for my stories...LOLZ!! TTYL!!!

6 - Cooking Class

This chapter is an only boys one, but only includes Sasuke, Naruto, Lee, and Kakashi. Hope you get a few laughs out of this one! ^_^

It was the first day they all get to cook, and everyone was excited. Even Sasuke, which is hard to believe.

When they all took their seats, the teacher lazily got up out of her desk. "Ok class, before we start cooking, we are going to review on what we are going to do so no one..NARUTO...will blow something up...again!"

The whole class moaned in unison. With that, Naruto, Sasuke, Lee, and Kakashi fell asleep. (Yes, in my story, Kakashi is actually a teenager, about the same age as everyone else)

The bell rang and everyone (who wasn't asleep), took their food they made themselves to lunch. The four boys woke up to a screaming teacher. "Well, since you guys were sleeping the whole time, I'm making you stay from lunch and do everything we went over in class. I'm leaving, so you can eat whatever you make, and NARUTO.." The teacher yelled to the blonde boy.

"Y-yes?"

"Please don't burn down the school again!" And with that, she left.

"Holy hell!" Kakashi yelled as he turned around.

"What!?" The three boys said.

"What the heck are those!?" Kakashi pointed to a white box-shaped thing.

"I dunno!" Naruto squinted his eyes at the weird object like it was from another detention.

"Oh! I know, its called a Stoop!" Lee pointed as-a-matter-of-factly. (if you guys are catching on, the *stoop* is actually the Stove!)

"I'll go research it in the library, Naruto and Sasuke, come with me!" Lee said as he grabbed the collars of the two boys shirts and dragged them out of the classroom.

Kakashi was left alone with a high-tec machine.. Not good! He examined it for a moment and noticed some knobs. "Hmmm?" he said as he turned the dial as high as it could go. "Nothing happened...what's this?" He came across the "ON" button. Without another second going by, Kakashi pressed it and fire jetted from the top of the "stoop" and almost touched the ceiling.

"Ohhhh...Ahhhhh!" Kakashi's eyes widened at the sight. He took in the moment for a while, and decided to turn it off. At that moment, The three boys returned, looking madder than ever.

"I said I was sorry!" Naruto pleaded.

"I don't care, but snooping through all of the librarians *special* magazines is no excuse!" Lee pouted as Sasuke looked irritated to the point of death.

"Kakashi, did you figure out how it works?" Sasuke asked, walking closer to the *stoop*.

"Oh my gosh! You guys, you going to flip I mean **your going to flip!**" Kakashi was babbling on.

"Just show us already!" Naruto said in excitement.

After saying that, Kakashi walked back over to the stoop and pushed the "ON" button. Flames burst out, and the three boys jumped back.

"Eh? Isn't it awesome!?" Kakashi was flipping out.

"Um, I think I wet my pants." Lee said, slightly embarrassed.

With the flames still shooting out, kakashi pulled out a frying pan and cracked an egg. He put the inside of the egg on the pan and stopped. "Now what do I do?" Kakashi hesitated.

"I guess you just throw it in there." Sasuke put his finger on his chin, pondering.

"Well, here it goes!" Kakashi said, and threw the pan and egg into the fire. It cracked, sizzled, and sparked.

"So how do we know when its done?" Naruto asked, wiping the sweat from the forehead, obviously, the heat was *way* to hot for the tiny room.

"I dunno, lets check on it.." Said Kakashi as he pushed the "OFF" button. The flames retreated and the boys starred.

"Where the hell is it!?" Naruto was looking around.

"The stupid Stoop burt it to a crisp!" Lee banged his head off the nearby table.

"Class starts in five minutes, we need something to show the teacher, NOW!" Sasuke yelled.

"I got it! Naruto, go to Icharaku's, and buy some ramen, don't care what kind, just bring it back here! GO!" Kakashi yelled, and without arguing, Naruto left.

one minute ti'll class

"Oh my gosh! He's not going make it!" Kakashi was pacing back and fourth.

"I have faith in him!" Lee added, "If he does not show up, I will do fifty laps around the school in my underwear!"

Kakashi thought for a moment, "*Gosh, I would pay to see that...Naruto, you better **not** show up!*" But unfortunately, Naruto came running down the hall like a maniac, and reached for the door, and was so excited to get in, he didn't push, thus slamming his face on the door.

"Naruto! You clutz! Hurry up!" Lee said as he opened the door and let Naruto in. Just then the bell rang.

Naruto didn't care if the bell rang, cause he wanted to tell his friends his story. "Ok, I was debating on to get either the beef ramen, or the chicken ramen, so I was all, What the heck, so I decided to order a combo, and I-

"Shut up Naruto!" Sasuke yelled as he hit the back of Naruto's head.

"Hey-" Naruto shut up as the female teacher walked in, partly amazed that the room wasn't a burt up pile of ash.

"Ok, what did you make?" She asked.

"Uh, Ramen!" Kakashi said as he look at Naruto who had the food.

"You guys are such idiots!" The teacher yelled! "For crying out loud, if you were going to try to buy the ramen, the least you could do was get rid of the evidence!" She smacked her head with her palm.

"What are you talking about?" Naruto said, getting up out of his chair.

"Well, you didn't bother taking it out of the bag that says "THANK YOU" on it!" She put her hands on her hips.

Naruto looked from her to the bag in his hand. "Oh crud!" he said out loud.

"You dobe!" Lee and Sasuke said in unison as Kakashi slapped himself.

"F" She said, and walked out of the classroom.

The four boys looked from one to another, and sighed deeply.

"Well, I'm sick of this crap. Who wants to raid through all her stuff!?" Naruto said greedily. Surprisingly, the three other boys smiled evilly and agreed to skip class and have some fun.

"Naruto, is it ready yet!" Lee said as he hid in a bush in the front of the school.

"Almost!" Naruto said as he shook Baking Soda over some bird seed. "Ok, ready!" And with that, he ran behind the bush with the three others and waited patiently.

Oddly enough, a bird came fluttering down and landed next to the seed. It pecked its head up a few times, and finally started to pick at the conveniently placed food.

"Sweet! Its eating!" Lee said in excitement.

As the bird ate quietly, the boys noticed that it was getting oddly bigger in size.

"It looks like a balloon." Sasuke said, mentally laughing.

"Shhh!" Its going to happen...look!" Kakashi pointed to the bird who looked like it was having a heart attack. It was getting really big, and just when you think it couldn't get any bigger.....IT BLEW UP!

"AWESOME!" The three boys yelled together, as pieces of bird dropped to Earth.

"I still don't get how it blew up!?" Naruto crossed his arms.

"Birds can't burp, dobe! So all the air gathers inside of it until it just pops!" Sasuke said, getting up and stretching.

Kakashi got up and added, "Its violent, and educational...But mostly violent!" He laughed.

This was quite an interesting day at school.

Yup! I finally got it, and this time, it didn't actually happen at my school. (But I wish it did). Sorry I didn't include the girls, they will be in the next chapter. And sorry this was poorly written, I was laughing the whole time, and didn't bother trying to make it sound good... I'm hopeless -_-'

7 - Skipping School is fun

Finally, now we get to stay with the girls, but I have to admit, I could help but make this with the guys too! ^_^ Just too funny! Ok, here we go!

While the guys were doing their cooking, the girls of the group had study hall, which consists of Sakura, Ino, Hinata, and Ten Ten. Since they had it for one and a half hours due to reconstruction, the girls decided to ditch school, and come back later.

They all went to Sakura's house because her parents were away and she had a pool. All in their perfect two piece swimsuits.

"This is great, tanning and ditching school is so fun!" Tenten said evilly.

"Toatally!" Said Sakura and Ino, who were resting on rafts in the middle of the water. (it was an above ground pool if anyone was wondering, so its sort of small)

"I t-think this is wrong." A shy Hinata said, while perched on a lawn chair, taking in the sun's rays.

"Oh hush! You know you want to look your best for Naruto, am I right?" Ino said, turning carefully on her raft, but not careful enough. She let out a yelp as she plunged into the cold water.

"Haha! Ino, your such a dork!" Sakura laughed, but rolled right off of the raft as well.

Sakura came up first, gasping for air. Then Ino flopped herself back onto the raft, but felt a small draft... Hm?

"Hey, Tenten?" Hinata whispered.

"Yeah?" Tenten whispered back.

"Why does Ino wear underwear underneath her swimsuit?"

Tenten's eyes widened and fixed on Ino who was still coughing up water. Tenten began into a laughing fit, and held her sides from the pain.

"What?!" Hinata was getting angry, although she never really got mad at her friends before.

"Haha! Hinata, have you noticed that Ino's skin is *super* dark because she tans a lot?" Tenten said, ceasing her laughter.

"Yeah, so?" Hinata was getting irritated.

"Well, she never tans naked, so..well..did you notice her bottoms of her swimsuit floating off to the side?" Tenten started laughing again.

Hinata jerked towards Ino again, and gasped. She started laughing so hard, no one has ever seen her do before.

Ino's bottoms came off and she was so tan everywhere else, that her bear butt was white as snow, and it made her look like she was wearing underwear.

"Ino! Put your shorts back on, no one needs to see that!" Sakura closed her eyes, as Ino scurried to grab her shorts and put them back on.

With the Boys

They were all standing at the outside gate of the school.

"Ok now that we have successfully blown up a bird and ditched school, what do you want to do?" Kakashi said excited for their next adventure.

"Whatever it is, it better not be a board game!" Naruto huffed.

"You just jealous because I beat you at Pretty-Pretty-Princess!" Lee laughed.

Kakashi and Sasuke sweat dropped and shrugged the images of Lee wearing plastic earrings, and acting like a girl.

"I have an idea." Kakashi said calmly, gathering all the boys attention. "Well, why don't we go..."

"Go where, what do we do!?" Naruto was jumping up and down, so excited he almost farted. (XD)

"We go...Pantie-radding.." Kakashi got this perverted look in his visible eye. (if you guys don't know, it means going to someone's house and going through their underwear)

All the boys looked from one to the other, except Sasuke of course.

"You have **got** to be kidding me?" He growled.

"Sucks for you cause were going!" Naruto yelled as he grabbed the collar of Sasuke's shirt and dragged him off to the nearby houses.

"Which one should we go to?" Lee asked, looking from one house to the next.

"THAT ONE! THAT ONE!" Naruto screamed, as he pointed to a house that was decorated with flowers.

"Definatly a woman living there!"

"Fine, lets go!" Kakashi said while creeping to the second floor window, with Lee and Naruto close behind, and Sasuke trailing far from them.

They all gathered chakra to their feet, and walked up the side of the building. Lee made it to the window first and gripped the window frame.

"Arg! Its stuck!" Lee whispered, yanking at it.

"Your doing it all wrong, let me see." Naruto said and gave it a good tug, but no success.

"You guys are retarded, get out of the way!" Kakashi said, and tried at the stubborn window. But to no avail.

"Ahh! This is hopeless!" Naruto whispered and screamed at the same time, as his face was plastered to the window, along with Kakashi and Lee.

"Need a hand?" The three boys jumped at the sudden voice, thus falling to the ground.

The window opened from the inside and Sasuke's head popped out.

"Sasuke!? What the hell! How did you get in there!?" Naruto shouted, and started running up the side of the house again.

"The front door, it was left open, dobel!" Sasuke said coolly. The three boys jumped into the dark room and they all snuck to the the dresser. Kakashi picked a drawer, because he had the most experence (lolz), and pulled it out slowly.

"We hit the jack-pot!" Kakashi whispered in excitement, as he pulled out some underwear.

To the boys surprise, the undies were large, **VERY** large indeed. Suddenly, the light flicked on and a haunting voice screeched in their ears.

"What are you doing with my bloomers!?" Tsunade yelled, a bat firmly in her hand. The boys were dumbstruck, and couldn't move. "I was expecting this from Jiraiya, but you!? You even got Sasuke with you. How sad, I will have to teach you a lesson!"

Before she could even walk twards them, the boys were out and gone.

"RUN YOU IDIOT, SHE'S GOING TO CATCH US!" Kakashi yelled as he pushed Naruto to the ground and kept running.

Hey, don't leave me!" Naruto screamed, and started running again.

Back to the girls

They were all so bored that they started singing,..badly!

Sakura:

I'm a gangster, I'm a straight-up G

Ino:

The gangster life, is the life for me.

Hinata:

Shooting people by day, selling drugs by night,

Tenten:

Being a gangster is Hella-tight!

All the girls fell to the soft grass and laughed.

"I'm board again.." Ino said lazily. All the girls sighed in annoyance.

Back to the boys again

They were all back to point-A, and were looking for another house.

"I'm picking this time Naruto!" Kakashi yelled, and Naruto just crossed his arms, and huffed. "Here!" Kakashi stopped at a white house, fairly clean.

The boys walked to the front door, and quietly turned the knob.

"No one's in here, we can go straight in." Kakashi said with relief.

They flung the door open and examined their surroundings.

"Ya know, we could go through their clothes, but why not examine the whole house?" Lee suggested.

"Lets do it!" Naruto said, grabbing Sasuke by the arm and dragging him upstairs, somewhere. Lee and Kakashi followed slowly behind.

They made their way to a small bathroom that had a light pink theme to everything. Naruto was going through the cupboards and came across something.

"What the heck is this!?" Naruto shouted, holding the thing in his hand.

"I dunno." The three other boys said in unison. They examined the object, it was long, about the size of your finger and had a colorful rapper around it, which Naruto automatically ripped off.

"Let me see that!" Lee said grabbing it, and Naruto getting more from the cubbard. (If you guys stiff haven't found out yet...well, its one of them *feminine* objects. Lets just leave it at that.)

Naruto haned one to Kakashi and offered one to Sasuke, but he said no. Naruto pulled the string, hoping for a secret compartment to come out, but he just pulled out some cotton-like stuff. Lee followed his example and did the same thing.

Kakashi was throwing it around and hitting Sasuke with it, while Naruto was dipping it in water and watching it expand. Lee shoved it up his nose and was running around saying it was stuck.

Boys screams could be heard from outside...uh oh!

Girls

"Did you hear that!?" Tenten said as she sat up, lifting her shades off her eyes. The three girls sat up and looked around.

"I t-think it's coming from your house, Sakura." Hinata announced, getting up.

"Lets go check it out!" Sakura said, running to her house with the three girls following close behind.

Boys

"Oh my gosh, its stuck!" Lee screamed, trying to yank the cotton-thingy out of his nose, while Kakashi threw it too hard and it got stuck on a high shelf, him unable to reach. Naruto accidentally clogged the sink with about ten of the *cotting-thingys*.

"Uh, guys?" Sasuke yelled with a picture frame in his hand.

"What is it?" Kakashi said, jumping again, trying to grab the misplaced cotton-thingy.

"T-....this is Sakura's house." He said trailing off as the three boys whiped their heads to face him. Not another second past when they heard the screams of a girl.

"WHAT THE HELL ARE YOU GUYS DOING IN MY HOUSE!?" Came a scream from a pink-haired teenager.

"More importantly, what are you guys doing with Sakura's tampons!?" Ino yelled.

"What's a tampon?" An interested Lee asked. Tenten sighed, knowing he will have to find out sooner or

later. She walked up to him and signaled the three other boys to come too. She whispered to them *exactly* what they are for and why.

A blush came up on Sasuke's and Kakashi's face, while Naruto fainted. Lee got a bloody nose, perfect timing to have a tampon up your nose. He used all his strength to pull it out, and threw it quickly.

Unknowing to him, he threw it on a poor little Hinata who's face grew wide as a bloodily thing came at her. She screamed and jumped to the side, causing Tenten to bump into the wall, causing the misplaced cotton-thingy to fall from the shelf. Right in Kakashi's hair.

"GET IT OUT! GET IT OUT!" He yelled, running in circles, and Tenten and Sakura were searching through his hair.

Naruto still laid on the floor, soon joining him was an unconscious Hiniata. Lee was running to the mirror, and whined about his beautiful nose being stretched. While Sasuke still stood where he stood before Tenten told him.

It was a mad house. Finally, when it was nighttime, Sakura managed to calm everyone down. Six of them were in the living room watching a movie, while a certain two were outside.

Naruto and Hinata were sitting on a nearby bench having a cute conversation, when Naruto inched his way closer to her.

"N-Naru-" Before she could even finish, he locked lips with hers. Passionately, they had their first kiss. (With the exception of the whole Naruto and Sasuke thing.)

They deepened the kiss, and finally parted, needing air.

"OH YEAH!" Jiraiya said, popping out of a trash can, while writing down a few notes. "*Ok, do it again, but take the top off.*"

"Shut up you idiot! Do you want them to hear us?!" Sai said, knocking down the trash can with Jiraiya still in it, as it rolled down the opposite street.

Hehe! Did you like it? I give lots of credit to **Konohasdarkshadow**, for giving me the idea! Thank you, and I hope you liked the chapter.

8 - Get In At Any Costs, 007 Style

Ok, this is the next chappie. Hope you like it!^^

~~*~*~*~*~*~*~*~*

"WHAT THE HELL!" Tenten yelled as she jumped off the couch, tripping over Sasuke on the floor. Making him turn quickly and smack Naruto in the face, causing Naruto to jerk upward, and bang his head off the coffee table.

"What was that for!?" Naruto screams.

"WE SLEPT IN!" Sakura said as she ran around her house in circles.

"Ok, don't panic!" Lee said, trying to calm everyone down. "Don't panic..d-don't..don't...OH MY GOD WERE DEAD!!"

Kakashi lazily got up and smacked Lee in the back of the head. "I think we all know who to blame for this." He said, and quickly turned to Naruto.

"Wha- MY FAULT!? I'M NOT THE ONE WHO WANTED TO GO PANTIE-RAIDING!" Naruto defended himself.

"Ok, since Naruto's an @\$-tard, we have to sneak back into class, or else our teacher will call out houses." Sasuke said, rubbing his temples.

"Hey! Shut the hell up!" Naruto yelled, but was brutally slapped in the face by Sakura and Tenten. "OWEE!"

"Well, count me out. I'm staying home." Ino said and walked out the door.

"Hey, can anyone drive?" Hinata asked shyly. (of course! XD)

"Uhhh?" All eight people said in unison.

"No big deal, the school is only ten miles away, we don't have a car, school started an hour and a half ago, and WHERE THE HELL IS KAKASHI!?" Tenten yelled!

Just then, Kakashi walked out with a carton of milk in his hand. "Hehe... Milk...Moo!"

Everyone sighed and bolted off.

In the streets, there were very little people, seeing as how its very early in the morning.

"Can we stop and get some food? PWEENSE!" Naruto begged as he huffed, and slowed down his running through the town.

"NO!" The rest said.

"PLEEEESE!?" Naruto begged again.

The next thing you know, they are at McDonalds waiting in line.

"Cinnamon Melt"

"Cheese burger"

"Pancakes"

"Shut up!"

"Diet coke"

"In the morning?"

"It wakes me up!"

"Biscuit"

"Does it come with a toy"

"SHUT UP!" Sasuke yelled, quitting the group, and the whole building.

They finally got their food, and ran off, chugging and slamming down food like animals.

"Damn it! They forgot my straw again!" Naruto hissed.

Now the streets were getting packed, and it was hard for the group to stay together.

"Where's Lee?!" Kakashi yelled over the crowd. Everyone looked around, but found no Lee in sight.

"Ug, we have to find him." Sakura moaned.

Everyone split up in different directions, searching stores, streets, and gutters. Hey, it never surprises me what Lee can get himself into.

Sasuke and Naruto went around town, and just as they were about to give up, they heard a faint noise.

"...help..."

"What was that?" Sasuke said, turning in all directions.

"LOOK UP!" Naruto pointed. Sasuke jerked his head up to see Lee hanging from his underwear, on top of the flag pole.

"HAHA! THATS GATTA SUCK!" Naruto pointed and laughed.

"That IS pretty cheesy!" Sasuke grinned evilly.

"Just get me down!" Lee pleaded.

The rest of the group comes by and Sakura comes up. "Someone hung Lee from a flag pole? THATS HORRIBLE!"

"Yeah!" Kakashi started, "All we need now is Santa crashing into an ice cream man, who was delivering free treats to orphans on Christmas eve!"

"I say we leave him, too much weight." Tenten said, putting her hand on her hip.

"Yeah!" The rest of the group said, and left the poor Lee to a day of crack-soars.

"GO TO HELL!" You could just parley hear Lee screaming.

"Already there my boy!" Kakashi laughed and waved goodbye.

The rest of the team made their way to the forest. All they had to do was cut right through it and they'll be there in no time, right?...WRONG!

Naruto was fooling around and throwing around rock he picked up. He threw it at Kakashi, and it hit him in the head, causing him to fall in his face.

He got up, and screams, "Oh no! A 3oz size rock! My one weakness!" and pretended to faint.

"Stop fooling around!" Sakura screams! With Tenten to her right, and Hinata to her left.

"Sakura's right! SHUT UP!" Sasuke yells. And suddenly, a light bulb struck the top of his head. He quickly raced to the girls and Kakashi and whispered something.

"Wha-What are you guys talking about?" Naruto said sheepishly. Twitching when he seen the evil faces from the rest of his friends. "What are you doing...S-stay away from me!AHHHHHHH!"

The next thing you know, Naruto is tied to a tree with sox in his mouth. Who's sox you might ask? None other than Kakashi's... Ug. *shivers*

Now they finally arrived at the school, but knew that they had security cameras all around. even if you used some type of jutsu, it would be ineffective.

"Aww! Why can't they just trust us and not have to use cameras?!" Kakashi whined.

"Because you touch yourself at night, NOW COME ON!" Sakura yelled and ran to the other side of the building. Still, the others shocked at the blunt comments Sakura gave.

They walked to a window and peeked inside. They couldn't see what room it was, but there was defiantly no one in it.

Please insert 007 music

They opened the window, and Sasuke made his way in first. Sakura quietly jumped through the window as well. Just then, they knew darn well what room they were in... The boys bathroom.

"No way! I'm not going in there!" Hinata screamed.

"Come on! You have to!" Tenten said, somewhat embarrassed too.

"Forget it, I'm going home." She said. And with that, she was gone.

Before they knew any better, there were footsteps coming for the door. Everyone scattered into a stall, except Tenten because there were no stalls left.

"Let me in. Let me in!" She banged at the door. She turned quickly to see the principal glaring at her.

"Tenten?! What are you doing in the MENS restroom!?" He yelled, and dragged the poor Tenten out and to the office.

The rest of the group, which was very small indeed, sighed in relief.

"Wow, five gone, three left." Sasuke murmured.

The three remaining students quietly exited, and made their way towards the gym. Quietly wondering to themselves why they didn't see anyone in the halls.

"We can do this! Almost there!" Sakura said in excitement.

"STOP RIGHT THERE!" Yelled an angry principal.

"shoot." The three said under their breath.

They turned, only to gasp at what they say. The principal had Naruto, Lee, Hinata, and Tenten.

"TRAITORS!" Kakashi yelled.

"Haha! After ditching me in the forest, you deserve it." Naruto laughed.

"Naruto," Sasuke started. "I've been meaning to tell you this for a long time... Shut...the hell up... you

fuzz-bag!"

"That's enough, both of you." Sakura said aloud.

"Well, time for your punishment." Said the angry principal. He slapped his hands together, which made the three other teens wince, and he mumbled something to himself.

POOF!

There, standing where the principal had once stood, now stood a laughing Ino.

"What the hell!?" The three said in unison.

"Haha! We got you good!" Ino laughed.

"I didn't realize it, until Ino filled me in." Tenten said seductively.

"What are you talking about!?" Sakura screams, echo's through the empty halls could be heard.

"Your morons! Its SATURDAY! No school!" Lee pointed out, laughing.

"What!?" The three said again.

"Boy, you must have been seriously drunk last night to not realize that it was Friday. Does that answer your question?" Ino asked.

"We didn't ask any questions!" Sasuke yelled.

Lee stomped his way over to Sasuke. "Ya know, Logic has a brother... his name is.. SHUT THE HELL UP!"

"SASUKE! SASUKE, SASUKE, SASUKE!!!" Naruto yelled at the top of his voice, running through the Uchiha home like a mad-man.

"What is it already?!" Sasuke said, obviously very annoyed.

Sasuke and Naruto were on a mission to take care of a one year old baby boy, while the parents were out. Sasuke had to take him, unless you want the baby eating ramen and jumping out of the window at Naruto's house. Once again, Sasuke's parents are away on vacation.

"OK OK!! I was looking for some food, and I didn't know what babies liked to eat, so I got out some gummy bears-"

"YOU GAVE AN INFANT GUMMY BEARS!?" Sasuke screams, "Don't you know they can't chew yet!?"

"Well, no... some... twenty... Why do you ask?. But anyway," Naruto continued, "Look! The gummy bears are making-out!" Naruto says while squeezing the two bears together, making it look like they were kissing.

Sasuke throws him palm in his face, and whips the frustrated sweat off his brows. "I hate you... with so much intensity."

"Aww! Thank you Sasuke! Your so sweat!" Naruto sarcastically says, waving his hips into the air like a teen girl.

"Ya know what Naruto? I think when you were a baby your Mom dropped you on your head, then fed you a bottle of stupid juice, then sucked your brain out with a vacuum."

Naruto stood there for a moment. And another moment. And pretty much five whole minutes straight. "Your saying my mom hit me with a vacuum and gave me orange juice?"

"Ahh!" Sasuke lunges at Naruto, who swiftly dodges and falls on the couch on purpose. Sasuke turns around and flips Naruto off before he turned on his heel and went for the babies room.

He came back in with the tiny little baby in his hands. Sasuke then set him gently on the couch and turned on the TV.

"I wanna pick what we're watching!" Naruto yells and grabs the remote. He flips through the channels until he lands on something he would call, 'good'.

"NARUTO! The kid can't watch Scarface! Too graphic, your idiot!" Sasuke yells and turns to Disney, which was playing Micky Mouse.

They all settle in, the baby inbetween both boys, probably for the better if they don't sit next to each other, and the TV not too loud, and not too soft.

At the commercial, Naruto has to ruin the silence and talk, as usual. "You know what's weird. Donald Duck never wore pants. But whenever he's getting out of the shower, he always put a towel around his waist. I mean, what is that about?"

Sasuke starts beating his head up against the wall. "Please, for Gods sake, SHUT UP!"

Naruto crosses his arms, and sat back down next to the child. "This is so boaring, can't we go to the park or something?!"

"Naruto, do you know how wrong that would be like for two teen boys to be walking through the park with a one year old baby boy?" Sasuke said, his brow twitching angrily.

Naruto thought for a moment, and another, and another. "Ohhhh! That's wrong!"

"I need an aspirin." Sasuke rubbed his temples, trying to ease the pain.

He walks back in and falls onto the couch lazily.

Once again, Naruto breaks the silence, "Alright Sasuke, look. You're feeling a lot of pain right now. You're angry. You're hurting. Can I tell you what the answer is?"

Sasuke nods slowly.

"Strip joint!" Naruto yells for the world to hear.

Before they knew it, they were partying like no end!

Now to the girls, a bit earlier!

Sakura and Hinata were assigned the same mission, but with an older boy. He is 7, but a lot more trouble.

"It is cool to pee your pants!!!!" Little ol' Billy said, rolling on the ground.

"No its not! 'Cause WE have to clean it up!" Sakura screams.

"P-please calm down Billy!" Hinata tries to grab the boy, but he runs, knocking over a vase in the process.

"THAT WAS A GIFT! YOUR GANNA PAY FOR THAT!" Sakura screams at the top of her lungs and bolts for the boy.

"Sakura! No!" Hinata yells, and grabs Sakura's arm. "We don't want to hurt the boy!"

"Speak for yourself!" Sakura mumbles, one eye closed in frustration.

"How about we play hide-and-go-seek!?" Little Billy says, running in circles, defiantly high on sugar.

"How about I draw a line down your head so it looks like a butt!" Sakura gets out of Hinata's grip and laughs.

"Come on Sakura! If we don't get a good report, you and I can't be in our schools cheerleading squad." Hinata tries to reason with the pink haired monster.

"Well, I guess so." Sakura admits to defeat and sighs.

"Cheerleaders are dancers who have gone retarded." Billy yells.

"THAT TEARS IT!" Sakura lunges for the boy and puts him in a head lock.

"Ek! Sakura, let him go!" Hinata tries to pry the girl off Billy.

The next thing anyone knew, Billy was waisted on the couch, hick-upping every so often.

"You gave him beer!?" Hinata questions.

"It's lite beer, and he's gonna throw it up anyway." Sakura laughs, causing Hinata to grow a little aggravated.

"Ya know, Sakura. We could have just asked for help by Ino or something." Hinata pointed out.

"Hinata, if I ever lost you I don't know what I would do. ... I'd probably move on, get another friend, but there would be a 15 minute period there where I would just be inconsolable." Sakura said walking over to the phone.

Hinata stood there, thinking whether that was a compliment or an insult.

Back to the guys

The two boys got home, totally drunk, and very mature pictures stuck in their mind for a while. (if ya know what I mean. *wink wink*)

“D-dude... Sasuke... Oh my God. I can’t... I can’t feel my toes... OH MY GOD! Where are my toes... Oh... there they are!” Naruto flopped on the Uchiha couch. Sasuke dragging behind. “Man... Sasuke, the back of your head looks like a chicken...W-we need to take you to the vet or something... yeah.”

Sasuke cocked his head, and turned like a drunk truck-driver. “Take YOU to the vet!”

Before they knew it, they were both asleep. Naruto was hanging over the sofa, while Sasuke was still standing, but leaning on a wall, eyes closed.

Suddenly, Sasuke’s relaxation was cut short by a scream.

“Sasuke! Oh my God!” Naruto was running all over the house.

“What!? Gosh! Stop running, your going to break something.” Sasuke mumbled, rubbing his throbbing head.

“WHERE’S THE BABY!?” Was the ear piercing scream from that knuckle-head, Naruto.

With that, Sasuke’s eyes widened in horror. “What did you do with him!?”

Naruto picked up the sofa and looked under. “I dunno! Where is he!?” He dropped the sofa. And then turned, thus running into the wall.

“W-whats his name!?” Sasuke yelled, looking behind doors, and under beds.

“I think it’s Jeremy!” Naruto yelled.

“Jeremy!”

“Jeremy! You here?”

“Where are you Jeremy!?”

“Wait! I got an idea!” Naruto yelled, signaling Sasuke to stop. “... Marco?”

Sasuke’s brow started twitching.

Naruto shouted again, “Marko!?...Darn it! Your suppose to say Polo, Jeremy!”

“The kid doesn’t know how to play Marco-polo!” Sasuke shouted.

“I knew that!”

Itachi came downstairs, about to ask they what all the yelling was about, but when he seen Naruto shouting Marco-polo... He went back upstairs and pretend he didn’t see anything.

Now to the girls again

Darnit! Ino and Tenten aren't home!" Sakura yelled, slamming the phone on the ground.

Little Billy was still on a sugar rush, running into things and slamming into walls and such.

Suddenly, the phone rang.

"Finally!" Sakura yells, running to the phone she threw on the floor. She pressed ON and started yelling, "INO! Where the heck were you!?"

"Sakura!? Is that you!? It's Naruto!"

"Naruto? What do you want?" Sakura questioned.

"Naruto's on the line?" Hinata called out.

"Yeah!" Sakura answered.

Naruto started blabbing on. "Sakura! I got drunk! My head hurts! I have stripper images running through my head! The baby won't say polo!"

"Calm down! Sheesh!" Sakura stated, "Now, tell me again... WHAT HAPPENED?!"

"Sasuke and I lost the baby we were suppose to take care of!"

"We'll be right over!" Sakura said, hanging up the phone.

She told Hinata the whole story, and they both headed for the door. "Wait! What about the kid?" Hinata said, stopping pretty much on a dime.

"Oh yeah!" Sakura went over to Billy, who was feasting on her plants, and dragged him with them.

On the streets, they were dodging cars, people, and other obstacles in the way.

Sakura accidentally rammed into a large man. "There you are!"

The man looked at her like she was crazy. "Do I know you?"

"No, but that's where you are, you're there!" Sakura pointed to the ground. When the man looked, she bolted off, catching up the Hinata and Billy.

They ran as fast as their tiny little feminine legs could go. Finally reaching their destination. The Uchiha home.

Sakura kicked the door open to reveal two boys. One boys head was in a fish tank. The other boy was on the ceiling.

“What the heck are you guys doing!?” Sakura yelled, somewhat jokingly.

Sasuke climbed down and greeted the girls. “Who’s the kid?”

Sakura was obviously out of breath, Hinata noticed, so she took over. “We’re baby-sitting him, just as you are... or... are SUPPOSE to.”

Sasuke’s brow twitched, but Naruto came up behind Sasuke. Naruto’s hair was wet, because of the bobbing for little boys in the fish tank.

“Sup ladies! Thanks for coming!” Naruto waved to both girls. Hinata returned the wave, while Sakura was now on the ground, heaving from the immense running they did.

“Need a little help?” Sasuke joking said to Sakura, which earned him a scowl in return. He laughed, and held his hand out. She cautiously took it, and he pulled her up.

“Now, back to business.” Naruto said, almost like a business man at work. “We really need to find this kid.”

“Have you called his name?” Hinata asked shyly, obviously because of being around Naruto.

“Yeah.” Naruto answered.

“What about every room?” Sakura asked this time.

It was Sasuke’s turn to talk. “Every room except my brothers. But I really... don’t... think... That... Oh my God!” Sasuke pointed out the obvious, letting everyone else know.

Sakura tied Billy to a tree in the front yard, and followed the rest.

They all ran up the stairs, Naruto first in line. Which was a mistake, ‘cause he tripped, causing the rest of them to fall right behind him.

They regained their balance and ran towards the door that said, “Come in at your own risk” Which would obviously be Itachi’s.

Sasuke knocked the door open, revealing Itachi sitting on the floor painting his nails a light purple color. That earned him a few stares from the girls, but the boys knew already that Itachi was a little weird like that.

“Itachi! Where’s the baby!?” Sasuke yelled.

“Dear brother, what makes you think that I have the baby?” Itachi said, not taking his eyes off of his nails.

“Because you’re a devious little @\$\$ hole who likes to make his brothers life a living hell!” Sasuke

pointed out the obvious. (no offence to any Itachi lovers out there. Believe me, I'm one of them^^)

"Why thank you, Sasuke." Itachi laughed.

"Where is he!?" This time came from Sakura, causing shock to everyone else. Who knew she was so mean to people.

Later

Hinata, Sakura, and Sasuke were watching a movie while Naruto was starring down the two kids like a mad-man. His theory was that if he stares at them long enough, they will get bored and fall asleep.

"Hey, could you stare at them for a sec? I gotta pee." Naruto wobbled back and fourth.

"You want me to stare at them for you?" Sasuke raised an eyebrow.

"I could pee in here."

"I'll stare!" Sasuke immediately took Naruto's place and death-stared at the two frightened kids.

While Sasuke was watching them, Sakura decided to try a new tactic. She walked over to them and sat next to Sasuke with an evil look in her eye. "If you guys get on one of my nerves while we're watching you, you will both wake up tomorrow morning very confused in Cuba."

The kids immediately started bobbing their head signaling a defiant yes.

Sasuke stared at her for a moment. "Woah, I would hate to get on your bad side."

Sakura smiled and walked back over to Hinata.

"HOLY-SNOT!" Naruto yelled as he came running into the living room.

Sakura shot up and turned around. "What is it Narut-OOOO OH MY GOD!!" Sakura flew backwards away from the blonde haired boy.

Hinata slowly backed up next to Sakura.

"What is it?" Sasuke asked as he faced Naruto. "OH MY GOD!"

Naruto was all teary eyed. Apparently, there was this HUMUNGUS mole on the side of his face.

"MOLE!" Sasuke yelled, pointing at the thing.

Naruto almost started crying. "I know its-"

"MOLE!" Sasuke yelled again.

“Will ya sto-”

“MOLE!” Sasuke couldn’t seem to get a grip on himself.

Sakura came up behind him and slapped him up-side the head. “Stop!”

Sasuke nodded uneasily.

Naruto sighed and started again, “As I was saying I-”

“Mole.”

That went on for a while until it was dark, and they all decided to leave. Naruto decided to take the baby, just because Sasuke was still freaked up. Naruto and Hinata were leaving, while Sakura decided to say a little longer to make sure Sasuke was ok.

They all were on the steps on the front porch, making their way down, when Sasuke decided to try to say something nice. “It was nice to mole you -MEET YOU! Nice to meet you-mole!”

Sakura elbowed his side.

“Don’t say mole.” Sasuke said to himself.

“Stop.” Sakura nudged.

“I said mole.”

Naruto gave him a goodbye middle-finger, and went on his way.

Hehe, now do you get why I named this chapter “quote me”? haha! Did you recognize any of the ones? I hope you liked it.

I said this in my other story, but for those who don’t read that one, I’ll say it here too.

I’m leaving for a school trip to Washington DC May 10-13. So I’m not going to be able to update then. Don’t worry, I’ll be jotting down ideas while I’m there and I’m bound to get some GOOD ideas. Seeing as how I’m going to be around my goofy friends for three days straight! Lets hope the next chapter will be a funnier one! XD R&R would be nice. Thanx for reading! Biezzzz!

10 - A Whole New World

Ok now, I had a little contest, and shinarypikachu2608 won it! This chapter is dedicated to her! I will give you a heads up on what is to come.... Those of you that like pokemon, this is the chapter for you!^^ Enjoy!

Sasuke, Sakura, and Naruto were waiting for their beloved friend Kakashi to come... yeah, beloved... that's a laugh!

"Where the hell is he! I swear, if I have to wait another freakin' minute, I'm gonna kill somebody!" Naruto yells at the top of his lungs, pacing back and forth on the bridge they are suppose to meet at.

"Naruto, I swear, if you don't shut up, I'm going to rip those whiskers right off your face!" Sakura screams in the blondes face.

Sasuke on the other hand, just watched the two bicker and yell. 'Heck, I should sell tickets!' Sasuke snickered at that last comment.

"Sakura, your gonna pay for what you just said!" Naruto yelled, throwing his fists in the air.

"I'd love to see you try!" Sakura retailed.

"Pinky!"

"Fat-boy!"

"Flat-chest!"

"Spiky haired little piece of-"

"Um, excuse me?" A tiny little voice came from behind the two.

Sakura and Naruto whipped their heads around while Sasuke just observed this small girl standing there. She was twiddling her fingers somewhat of a Hinata thing.

"Um? Hello! What can I do for ya?" Sakura said all innocently, trying to hide the fact that she was about to beat the living crud out of Naruto.

The shy girl took a step forward. She was a young girl, maybe twelve or thirteen. She had chocolate hair and eyes. (She's not Tenten. Don't get them confused) She smiled cutely and introduced herself. "My

name is Violet. I was battling a wild Gangar and somehow ended up in this forest. Do you have any pokemon that could possible fly me home?"

"What? What the heck is a pokeman?" Naruto squinted his eyes shut.

"It's pronounced Pokemon, and I'll show you." Violet reached into her bag and pulled out a red and white sphere thing.

"Come one out, Ballbe!" Violet threw the ball into the air and it suddenly started glowing. As if instinct, the three ninjas pulled out their kunai's and held them in front of their chest. What they didn't expect, was a tiny little animal-like creature come out.

"This is Ballbe, he is a miniature Venasaur, I think he had too much pokeblock and it made him shrink. Hehe." Violet acted like it was so obvious.

"Oh my god! That things going to kill us! Run for the hills! Everybody for themselves!" Naruto bolts through the trees and whacks his head on a low branch. Knocking him out in the process.

"I'm sorry, but I have never heard of such things. What is it?" Sakura asked in question as Sasuke got off his stump to examine the tiny little pokemon, which intern, gave Sasuke a growl.

Violet sighed and took a glance at her wrist watch. "Oh no! I'm going to be late!" She whined.

"Calm down, where do you need to go? I can possibly take you there." Sakura cooed the girl.

"Well, I'm suppose to have a very important pokemon battle in a place called...Konoha? I think that is what is it called."

"Pokemon battle? I didn't even know we had those in Konoha, let alone I had no idea there was a such thing as one." Sasuke scratched his chin. "But anyway, I really don't think that little shrimp can win any type of battle anyways." Sasuke pointed to the little Venasaur.

"Take that back!" Violet shouted, "Ballbe can kick your @\$ in an instant!"

"Oh? Is that a threat? Then show me, show me what that ... thing can do." Sasuke challenged Ballbe who growled in acceptance.

"Ha! You do know you just dug your own grave, right?" Violet laughed.

"Maybe you should shut your hole, before I shut it for you." Sasuke smirked, getting in battle position.

"Sasuke, no! We don't have time for this." Sakura trying to persuade the raven haired boy.

"Sakura is it?" Violet said, not taking her eyes off of Sasuke.

"Yeah?"

“Stay out of this!”

Sakura’s eyes widened. ‘What the heck, first she asks for a way home, and now she wants to fight Sasuke. I don’t get this chick!?’ Sakura’s inner self was ragging on, punching her fists at invisible targets.

“Grrraw!” Ballbe growled, standing firmly in place.

“Heh, it’s on now!” Sasuke leaped forward, a kunai firmly in his left hand. ‘Easy...’

“Grahya!” Ballbe jumps forward and head butts Sasuke. He stumbled backwards, holding his forehead in pain.

“What the heck! That tiny thing couldn’t have hurt me! That’s not possible!” Sasuke yelled.

“Well Mr. I-Know-Everything-About-Nothing, you should have thought about that before you challenged my Venasar!” Violet laughed. “Alright Ballbe, time to show him what you got... Solarbeam!”

Ballbe’s back started glowing a bright white color. It was sparkling with great intensity as it grew every second. As soon as it reached it’s limit, it shot a humongous laser-like beam at Sasuke. He on the other hand, was too astonished to move an inch. That mistake caused Sasuke to fly backwards into a tree. He hit it with much force, and slid slowly to the ground.

“Sasuke!” Sakura screamed, running to his aid.

“Serves you right!” Violet chuckled.

Sakura held out her hand, but Sasuke whipped it away and got up himself. “Training that thing isn’t hard to do! I could do it myself!” Sasuke huffed.

“Oh really?” The brunette wondered. “OK then, if your so smart, I’ll give you a three days to practice.”

“Huh?”

“What?”

“That’s right! I’m lending you my pokemon and you have to be able to train them.” With that, Violet pulled out three more pokeballs and threw them into the air. They sparkled and then three more pokemon came out.

“Ok Sasuke. You can borrow Bluey. He is my Dragonite, level 94. Hope he’s not too much trouble!” Violet smirked. Sasuke took the pokeball and the large dragon-like pokemon settled next to him.

“Sakura, you get Pixle, she’s a Vulpix. She is the most elegant of my pokemon. In fact, she won me 23 beauty contests herself.” Sakura grabbed the ball and a cute nine-tailed fox like dog came over to her legs and started rubbing them.

“Oh yeah, when the blonde dude wakes up, give him Pidgeot. I didn’t nickname her, but she is very

good at the least. You have three days to train. Meet back in this exact spot.”

Violet pulled one last pokeball out and out came a ferret-like pokemon. “Come on Linoone, lets go. You too Bullbe!” With that, Violet disappeared into the leaves.

Sasuke and Sakura both looked from their pokemon to each other, and then back.

“So? Your Pixie, right?” Sakura bent down to pet the little fox. It snapped and tried biting Sakura’s hand. “Ahh!” Sakura screamed, and jumped into Sasuke’s arms.

“Woah! Sakura, calm down there. They can’t be that bad.” Sasuke put Sakura down and looked back at the large Dragon standing next to him. Somehow, it freaked him out. A big dragon, ten times bigger than him, starring at him like he was dessert.

“Ok,” Sasuke started. “Bluey, come here.” He demanted. Dragonite looked at him, their eyes met, almost like a duel of some sort. It then huffed and turned around, not facing it’s temporary master. “Hey! I said come here!” Sasuke shouted. That made Bluey angry. And trust me, you do not was that dragon angry. It’s face turned a deathly scary scold and it inhaled much air. The suddenly blew dragon breath on Sasuke.

“Eww!” Sakura and Sasuke said in unison.

“DUDE! WHO FARTED!?” Came a voice in the distance.

“Well, Naruto’s finnaly awake!” Sakura sighed.

“Naruto, we got ya a present.” Sasuke said and threw a ball at him. As usual, Naruto wasn’t prepared and the ball hit him smack-dab in the middle of the forehead causing him to fall backwards and a bird

came flying out.

“Pidgeot, Naruto. Naruto, Pidgeot.” Sakura introduced.

“Wow! A pokemon!” Naruto was amazed.

“W-what!? You know what it is!?” The two said again in unison.

“Yeah, I watch the show all the time.” Naruto scratched the back of his head and laughed.

“You have to teach us, Naruto!” Sakura pleaded.

“Hey, you got a Vulpix, and Sasuke, you got a Dragonite. I wonder what my Pidgeot is like?” Naruto asked as he reached into his pocket. “Here Pidgeot!” Naruto shouted and threw a tiny square thing into the air. Pigeot swooped down and ate it in a split second.

“What was that?” Sakura asked.

“Pokeblock.”

“And... you carry that with you....why?” Sasuke’s brow raised.

“What? I like the taste!” Naruto rubbed his head again, causing Sasuke and Sakura to fall down in disgust.

“Well, now that Naruto’s done being stupid,” Sasuke stated, “Bluey, get back in your ball-thingy.” Sasuke held up the ball, but instead, the Dragonite blew another round of dragon breath.

“Ew! Who farted!?”

The three teens turned to find Kakashi pinching his nose.

They all grunt and leave Kakashi in the forest alone. “Was it something I said?”

Sakura is in front of her house, training alone with her borrowed Vulpix.

“This can’t be too hard.” Sakura whipped her forehead. “Vulpix, ... Uh...” She looks inside a pokemon Manuel. “Um... Dig?”

Vulpix whips around and looks at her like she is crazy.

“Ok, um? How about... fly?”

The little fox glares at the pink-haired girl.

“For crying out loud, just do something!” Sakura screams.

Immediately, the tiny Vulpix rears back and blows a mild fire at her. Sakura screams and turns to run the other way, only to hit a pole all get knocked out.

Sasuke is at the training fields with his Dragonite named Bluey.

“Let me see you fly.” He demands.

The overly large dragon rolls its eyes and turns the other way.

“What the hell! Try take-down then!”

Still nothing from Bluey.

“Oh my freaking god! Just do something already!” Sasuke yells at the top of his lungs.

Dragonite turns to face the boy. It stares at him intensely as if they was trying to read the others mind. Bluey suddenly gets up and turns the opposite way Sasuke is, bends over, and lets one rip right in Sasuke’s face.

Sasuke rears back and slams into a tree, holding his nose in disgust.

Naruto was in the forest, just playing around with his new Pidgeot.

“Fly!” He demands. It immediately jumps into the air and takes off, flying around the blonde boy.

“Yahoo! That’s great!”

Meanwhile, there were two figures hiding in the leaves.

“Dude! We’ve been waiting for hours, and I still don’t see any deer at all.” One of them complains.

“Shut up Lee, you will see on eventually, just get your gun ready.”

“Ok, fine Neji.” Lee gets his gun that was previously laying on the ground.

They wait for a while until they see this huge birl-like creature jumping up and down in front of a blonde boy.

“Is that Naruto?” Neji asks.

“Don’t care, I’m eating turkey tonight!” Lee yells and points his gun at it.

“But doesn’t that look like Naruto?” Neji asks again.

“Shhh! I’m hunting wabbits.” Lee said.

Suddenly, the creature turns facing both hiding guys and charges straight for them.

“SHOOT IT! SHOOT IT!” Neji yells, shaking Lee vigorously.

“It’s not working!! Oh my god!” Lee screams as he tries to pull the trigger, but it won’t budge.

They scream like sissys and run for the hills. Minutes later, they reach Lee’s house. They slam the door shut and fall to the ground.

Moments after, Lee gets up and starts laughing nervously.

“What the heck?” Neji yells, very annoyed.

“Ya know what the funny thing is? I still had the safety on.” Lee rubs the back of his head while Neji backhands him in the face.

Three days later, team 7, with the exception of Kakashi, have met back up with Violet in the forest.

“You ready or what?” Violet challenges them.

“Why you!?” Sakura throws her fists in the air, but Sasuke cut her off.

“Let me go first.”

Violet is doing a fan victory dance while team 7 is laying on the ground exhausted.

“You guys really suck! I mean, you guys are worse than May! Sheesh! OH, and I want my pokemon back.” Violet takes the three pokeballs and starts to walk away, but is stopped by Naruto.

“Wait! Can I ask you something?” Naruto pleads. Violet nods and Naruto continues. “Will you go out with me!?”

Violet’s brow starts twitching and she hits her own forehead with her palm, muttering the word, “Idiot.” and disappears into the forest.

Meanwhile, Neji was done beating the crap out of Lee and they were chilling in Lee’s room.

“Lee,” Neji states, “We need to end on something funny. Go run into that wall.”

“Yes, sir!” Lee salutes and rams himself into the wall.

Ok, eh, haha! Yeah! That last part was so random. Lolz. Sry the pictures are so big, I couldn't get them any smaller. I only put pictures so those of you that have never seen pokemon know what i'm talking about. haha. So that was the end of the pokemon saga. Sorry for the late update. Running out of funnies. ^_^

11 - Washington Trip: Part 1

Ok my loyal fans. Since your all nice and **forgiving** because I always seem to lose track of time. Eh, hehe! *scratches head* And I would like to apologize for that last chapter. I know it was out of charecter for me and very hard to make. But I want to make it up to you guys, so this chapter is extra long! It is the first part, of a two part (maybe even three) chapter! I hope you enjoy this, because I most certainly did!^^

BEEP BEEP BEEP

“Ug!” Was the whine of a certain raven haired boy. He reached over and slammed his hand on the alarm button. “I can’t believe I have to get up so early!”

“Sakura, wake up! Your going to be late!” Came the voice of Mrs. Haruno.

“Five more minutes...”

“NO.” With that, Mrs. Haruno pulled the covers off of the sleeping Sakura.

ZZZzzzz

Shift

Roll

THUMP!

“Ow!” Naruto yelled as he fell off his bed.

At 4:00 in the morning, three buses gathered, while loads of parents are gathering around it, hugging their kids goodbye.

On the bus at the very back, there was Sakura and Ino sitting together. Across from them were Sasuke and Naruto. In front of the two boys were Shikamaru and Neji. Across from the other two boys were Hinata and Tenten.

The whole class was going on a trip to Washington DC for 3 days. There was going to be much excitement, but a lot more laughs than you can handle.

“Oh my gosh!! I was getting ready right? And I went to get some toast, so I put bread in the toaster, but it didn’t turn on.” Said Naruto, as he kept blabbing on. “So I figured out that it wasn’t plugged in. I tried it again, but finally realized that there was gummy worms stuck in it, so I was like-”

“NARUTO! If your going to drink coffee in the morning, plan on not coming, people want to sleep!” Sakura yelled as she shifted positions, trying to shut her eyes and fall into a deep sleep. She could feel her eyes getting darker and darker. Her mind finally resting, and her body became numb. Finally, she was going to get the sleep she deserved. It was so close, just SO CLOSE. Almost there-

“I believe I can fly. I believe I can touch the sky-”

“Naruto!” Sakura moaned. “Why do you have to sing at 4 in the morning?”

“I dunno!” Naruto smiled, only to get slapped in the back of the head by Sasuke, who was also trying to sleep.

“Your just jealous!” Naruto laughed.

“That’s it.” Sasuke said, with bags under his eyes from the no sleep he received. He grabbed Naruto by the collar of his shirt and dragged him to the bathroom in the back of the bus. He threw him in there and put his carry-on bag in front of the door.

“Uh, guys? This isn’t funny. Let me out! Ahhh!” Naruto screamed. After a short while, Naruto’s screams ceased, and the rest of them finally got some sleep.

At 8:00 in the morning, Naruto finally was let out of the bathroom and everyone was talking.

Ino was talking to Hinata and Tenten in front of her, while Sakura listened to the four boys conversations to the left of her.

As usual, Naruto was the one talking the most. “I wonder where the crap goes in the on-board toilet on this bus?” He asked as if he was an innocent angel.

“Oh wait! I know!” Naruto stated.” I bet that you go in, do your thing, and the it flows out the back of the bus onto the street! Haha! Then, there is a car behind the bus swerving and saying ‘its raining’. Then, the next thing you know, there is skid marks traveling off the road!” Naruto laughed and held his sides.

It looked like Sakura was disgusted while the three other boys were mentally slapping themselves.

The bus made its way to a bus stop for those that wanted a restroom break and to stretch their legs from sitting so long.

“FREEDOM!” Naruto yells and runs to the front of the bus, accidentally tripping on something random and plowing into the bus driver, earning him a death glare.

Naruto laughed nervously and hopped off the bus and bolted for the bathrooms or what he would call, "heaven".

Unzip
Wait

"Woo! Now, where did that bus park?" Naruto looks around the parking lot.

The bus stopped at a red light for the tenth time in a row. Darn, the bus driver is very unlucky today.

The chaperones, Iruka, Anko, and Guy, all talk and chat, doing whatever.

The group in the back got tired of talking so they just chill and relax.

The girls all exchanged ipod headphones to they can all listen while half of the boys were eating or staring out the window.

Sasuke yawned lazily and rested his chin in his hands. He was about to doze off when his cell phone went off to the song "smack that" Which earned him a few stares from his friends. Ignoring them, he flipped open his cell.

"Hello?"

"Hey!"

"Naruto?"

"No, It's Santa-OF CORSE IT ME!"

"Hn."

"Did you happen to look beside you?"

Sasuke looks beside him. "... I don't get it?"

"Who's missing?"

"Come to think of it, I haven't seen Lee lately... Oh wait! There he is... HEY LEE!"

"YOU LEFT ME AT THE REST STOP!!!" Naruto screamed into the phone.

Sasuke thought about it, and it finally kicked in. 'I like the silence...'

“What?...Your breaking up!” Sasuke blew into the phone to make cracking up sounds.

“Sasuke you Bastar-”

“Can’t...Hear...Tunnel...Twinkies...”

“Twinkies?”

click

Naruto slams his cell on the ground. “Damn you Sasuke!” He yells out for the whole world to know.

“Need a ride?”

Naruto almost jumped out of his skin. He quickly turned to face a rugged old man with hippie sunglasses and an afro. He had a peace medallion and he was leaning on a rainbow Van with the words “GROOVIE” on it.

At the next rest stop, which happened to be a McDonalds, Naruto finally caught up to them, with help from Fred....The hippie.

“Thanks!” Naruto waved goodbye as he hopped on the bus.

“No problem, dude. Just remember to go where the wind takes you.” Fred says as he drives off into the distance.

“What does that mean?” Sakura asked as Naruto sat back in his seat next to Sasuke.

Naruto scratched his head and answered, “I have no idea myself.”

Well, somehow, they all arrived at the hotel unharmed, with the exception of Naruto who had about fifteen bumps on his head from being an idiot.

All the students were on the same level, which was level 15, and there was four to a room. The teachers decided to split up and get their own rooms just to keep an eye on the students so no one tries to escape.

But right now, everyone is allowed to visit each others rooms and go downstairs for the dinner the hotel serves on the main floor.

Sakura, Ino, Hinata, and TenTen finished putting away their clothes and sat on their beds lazily watching TV, or to be more precise, watching Larry The Cable Guy.

"I'm bored..." Ino said, which earned a few groans from the three other girls.

"Well, what do ya want to do?" Sakura asked, turning the TV off.

TenTen gave a mischievous smirk.

"I don't like that look..." Hinata said to TenTen.

"We're going to play...Truth or Dare." TenTen grinned.

"I don't know." Hinata knew in the pit of her stomach that it was a bad idea.

"Nonsense!" Sakura and Ino both said at the same time.

"Me first!" TenTen said. She looked at the other girls and stopped at Hinata, who gave her a scared look. "Hinata, truth or dare? And be brave for once!"

"D-dare..." Hinata trailed off, knowing it was a mistake.

"I want you to go to to Shikamaru and..."

Hinata wandered the halls, seeing as how the boys and some other people were hanging out in the lobby. With a deep breath, Hinata walked over to Shikamaru and turned him to face her.

"Hinata?" Shikamaru said lazily.

Hinata took a big breath and yelled, "HEY dog, HAVE MY BABIES!"

Shikamaru anime fell from the screaming of the girl as she ran off, skidding around the corner and running into her room, with Sakura, Ino, and TenTen following her, laughing their butts off in the process.

"That was not fair!" Hinata said, closing the door and trying to hide her blush.

"That-haha- was hilarious!" TenTen said.

"Well, its my turn now!" Hinata yells and turns. "Sakura!" said girl's eyes widened as Hinata continued. "Truth or Dare?"

'CHA! I'M NOT WUSSY!' Her inner was screaming. "Dare!" She said without hesitation. 'Hinata is a good girl. She wouldn't make me do something bad... Would she?'

Sakura slowly walks up to a certain white-eyed boy, who was talking to the rest of his friends about

anything.

'Ohhhh! Hinata is so dead!' Sakura took a deep breath and tapped on Neji's shoulder. He turned around quickly and gave her a questioning look.

Sakura immediately flung her arms around him in a tight hug. After about ten seconds of stares from other students, Sakura let go and looked him straight in the eye.

"Thank you so much for the six pack of Twinkies! Now if you don't mind, I think I'm going to go take them for a walk. Later!" Sakura slowly walked away from the dumbstruck boy and turned the corner to burst out laughing.

"That was so cruel! Neji probably thought I was drunk!"

The girls all had their laugh and decided to stay downstairs since they obviously have to keep coming down here.

"Ok, Ino!" Sakura points to her rival/friend. "Truth or Dare?"

"Dare me sucka!" Ino said with confidence.

Sakura smirks which earned her a wide-eyed Ino.

With her friends trailing behind, Ino walked up to a spiky, yellow-haired boy who was watching TV in the lobby. It looked like Barney...

Ino took a seat next to him. He turned to look at her, but didn't bother saying hi. Apparently, it was the best part.

Ino took one more look at her friends, who were poking their heads out from the corner of the room and they all nodded.

With confidence, Ino reached her hand behind Naruto's head and pulled him to her, giving him a nice, clean kiss on the lips.

Naruto's eyes widened for a moment and he pushed her away immediately. "Ino?! What the heck?!"

"Oh sorry, I thought you were Guy Sensei." Ino quickly got up and ran for her friends who were busting up laughing, except for Hinata, who felt it was a bad idea... I wonder why?

"Ok, you had your little laugh. Now it's my turn." Ino said in-between laughs. "...TenTen!"

She immediately gulped and waited for her to continue.

'I can't believe this!' TenTen thought miserably. She walked up to an unsuspecting Sasuke who was drinking down a can of Coke and tapped him on the shoulder. He turned quickly and raised an eyebrow.

TenTen pulled out streamers and threw them all over Sasuke and said, "Happy Birthday my sister. And always remember that I'm your sister and I will always protect you and love you." She turned and ran away from the boy who was giving her a priceless look of "WTF" as he took off the streamers.

All the girls made it up to their room and burst out laughing. "Ok, I think that's enough Truth or Dare for one night!" Sakura said in-between laugh's.

After about an hour of relaxing, the girls get a unsuspecting call. They all look at each other for a moment, until Sakura walks up to the phone.

"Put it on speaker!" Ino yells, and Sakura just nodded.

"Hello?" Sakura asked.

".....I see you.... *click*"

The girls go deathly pale.

"....AHHHHHHH!!!!"

All the girls run for the connecting door in their room, which goes to another hotel room. Sakura yanks it open and they all come rushing in on four dumbstruck boys.

"Sasuke! We. I. Phone. See us. Help!" Sakura cried as she ran over to him.

The three other boys, who are Shikamaru, Neji, and Naruto, watched as two of the girls, Ino and TenTen, hid in their bathroom for cover, while Sakura hid under the bed. Hinata ran for their closet and shut the door quickly.

"Get out from under my bed, Sakura." Sasuke said calmly.

"That goes for you guys too!" Neji bangs on the bathroom door.

"It's ok, Hinata. You can come out." Naruto said in his soothing voice.

Slowly enough, three of the girls come back into the main room to join the rest of the boys. Sakura just happened to take a glance at the TV to see they were watching Blues Clues. She shook her head and got that image out of her head.

Hinata opens the door and slowly comes out. But she lets out a scream when she hears something fall behind her. Naruto yanks her out, just in time as a picture frame falls to the ground.

"What's this?" Naruto asks as he picks it up.

To his surprise, it was a picture of Zabuza in fishing gear, holding up a huge fish on a line. Naruto started to bust up laughing, and the girls joined in too.

"I thought he was dead?" Naruto asked as he tried to stop laughing. "And when did he start fishing?!"

Neji didn't bother with that stupid painting, but what he did realize, that there was something under the bed. He grabbed the object and brought it out for everyone to see. "Hey look. A dead rat!" Neji said, holding it by its tail.

The girls shrieked and took a step back. But not Naruto, he took a step forward and said, "Lets eat it!" Suddenly, the rat jumps from Neji's grip and runs under the door to the hallway and disappears. "...Never mind."

After a good, fun time hanging out together, the girls decide to go back to their room... The four guys followed them, just in case.

"I don't remember turning off the light?" Sakura said as she reached for the switch. As soon as the light came on, a figure was laying in the girls bed.... Naked.

"IRUKA SENSEI?!" Naruto almost fell over.

"I-I thought this was Anko's room!"

"I'm scared for life!" Sakura screams, grabbing her head in her hands, trying to get the image out of her head. All the guys had a look of disgust on their face, while girl girls covered their eyes as Iruka put his clothes back on and left.

"The boys made it back to their room without throwing up. Quickly, Shikamaru searched for the light switch. When he found it, he turned it on, only to scream in horror. Lying in their bed was a naked Anko.

"I thought that this was Guy's room?!" Anko said, covering her body more with the sheets.

The girls come running it to be just as shocked as the boys. "ANKO?!" They all scream at once.

In a room not too far from the others, Lee, Shino, Kiba, and Choji all sat lazily on their beds watching TV.

Kiba shot up from his bed. "I heard a scream!"

The four boys ran to where the scream came from and broke down the door.

"Who screamed?!" Shino asked.

They all stared in shock to find a naked Anko in Sasuke and Naruto's bed with four girls and four guys surrounding her.

Kiba smirked and blushed devilishly. "Sup Anko!" Shino grabs Kiba by the ear and yanks on it.

"It's not what it looks like!" Naruto pleads.

"I don't need to see this." Shino left, still a good grip on Kiba's ear and Choji following silently behind. Lee blew a kiss at Sakura before leaving.

Sakura immediately dodged the invisible kiss and sighed in relief when Anko left.

The other four boys made it back to their room and opened the door.

"Who turned off the light?" Choji asked, munching on some chips.

"I dunno." Shino said and turned on the light to have Guy Sensei naked in their bed.

"Your gay?!" Kiba choked out.

"Your naked?!" Shino yells.

"You're a freak!" Choji yells, almost choking on his food.

"Guy Sensei!" Lee yelled in excitement!

"Lee!" Guy yelled back.

"Guy Sensei!"

"Lee!"

"Guy-"

Kiba smacks Lee upside the head. "No youthful hugging...especially when he's naked!...ew."

Now that the naked crisis is over, all the guys, Naruto and the three others, were bored as heck.

"Oh my god! I'm so bored! Hey, lets play a game!" Naruto yells, throwing his fists in the air.

"Hn"

"Fine"

“Ah”

“Hm, what shall we play?” Naruto searched the room until his gaze fall upon a bag of cherries. “ Lets see which one of us can tie a cherry stem in a knot only using their tounge!” Naruto steps into the circle.

Neji steps in. “I heard it’s the ultimate test of a good kisser.”

“I don’t back down from a challenge.” Sasuke stepped in.

They all took a look at Shikamaru. “No way, too troublesome!”

“Well too bad, your playing!” Naruto yanks him over. He handed them all on cherry and got ready. Ok, on the count of three....THREE!”

All of them put the cherries in their mouth and got to work. The boys facial expressions are to die for. Their jaws are moving so fast and their tongue falls out every once in a while. It was hilarious.

But Naruto accidentally started to choke on his. He held his throat as his face started to turn blue.

Neji accidentally got his stem stuck in-between his teeth. He was still in the challenge, but he’s not allowed to use his hands to get it out.

So now it’s a duel between the lazy guy and the cold hearted bastard.

Suddenly, Sasuke accidentally broke his stem in half, which made it impossible to put In a knot now. Neji already gave up and started giving Naruto the Heimlich.

Now all Shikamaru has to do is put it in a knot and he has all the time in the world now. But halfway through, he gave up and muttered something about being “too troublesome” and fell asleep on the bed.

So I guess no one won the challenge. The four boys sat back on the bed and watching some more TV.

“I’m boared again!” Lee yells.

“Want to do a prank again?!” Kiba asked excitingly.

“Lets do it!” Choji said. Shino was sleeping, he was never the one to have much fun.

Kiba picked up the phone and dialed a number. He held the phone up to Choji’s ear and he heard someone.

“Hello?” the voice asked. It was Sakura.

“...I see you!...” Choji said.

He could hear girls screaming and the phone shut off. Kiba was laughing so hard that his guy hurt.

“Haha... Nice.”

Alright, thats it for now. I just wanted to say that I have a softball tournament this weekend (I'm leaving today), and I wanted to upload before I left... So I expect a bunch of comments, whether they are nice or not.

Oh yeah, and when the girls did Truth or Dare, those arn't the pairings. I just mixed it up because it would be to obvious if I put Hinata with Naruto, and Sakura with Sasuke, and so on. Also, I don't support Anko and Guy. I just needed a good laugh, so... A writers gatta do, what a writers gatta do! ^_~*

12 - Washington Trip: Part 2

.....uh. *hides behind a stuffed bear and puts on an army helmet* W-would you guys hate me if I said I'm REALLY sorry..... Ok, here is the story:

It was 10:30 at night and I had school the next morning. I just finished this chapter and submitted it. I went to read it over, but for some reason, only half of my story came out. So I pressed the delete button, but you know what? I accidentally pressed the "Delete the whole dang freaking story that took you forever to write" button.....so here I am, the next day trying to work things out and stuff. You guys are so lucky that I saved all my chapters man, although I think I lost chapter 9 or 10, because I don't seem to remember what one of those were! *sigh* Oh well, not a big loss. And since I'm re-doing everything, I went back and fixed all the misspellings from my past chapter, and MAN were there alot! And since I delete the story, most of you won't even notice it until a long time from now, so I don't really expect very many comments on it soon. Lets just hope you will try to remember....soon.... On with the show.

Oh, and I don't own Naruto. (I keep forgetting that! ><

Shikamaru rolls lazily to the side of his bed and gets comfy for the tenth time this early morning. He 'unfortunately' has to sleep in the same bed as Naruto (not "that" way sleeping, you sickos!). And was it bad for him. Naruto had his arms spread out wide like he was flying and took all the covers from poor Shika. Normally Shikamaru could fall asleep no matter what was going on, but in this case, where Naruto farted in his sleep, that was the last straw. Shikamaru got out of bed and stomped over to Naruto's side of the bed.

"AHHHH!"

All the students gathered on the bus, taking their assigned seats as was yesterday. Naruto walked on the bus with a rather large bump on his forehead, earning him a few "five heads" in response.

Kakashi closed his book and took a head count on the bus. After making sure everyone was present, he continued to his duty.

"Alrighty students, today is a special day, because today we will be visiting the Presidents house." The white haired teacher clapped his hands in excitement, while the rest groaned in annoyance. "For those of you that are slow, what color is the Presidents house?"

"BLUE!"

Kakashi slapped his forehead. "No Naruto, the Presidents house is not blue. I'll give you a hint, it's called the "While House.""

“ORANGE!”

Once again, Kakashi sweat-dropped and sighed. “No. Can I have an answer that’s not bathed in stupid?”

“Maybe...”

“One more guess, Naruto. What color is the “White” house?!” Kakashi remembered to emphasize the word ‘white’.

“24! I GOT BINGO!”

“You idiot...” Kakashi said to himself.

They finally manage to make it to the White House, mostly unharmed.

“Alrighty kids, since this is a very important place, we will have to stick together as a-” kakashi stopped mid-sentence to see everyone has left the bus. “...group.....I don’t get paid enough.”

(ya, I’m skipping around a lot. Sorry)

All the kids stay together, but make sure to escape the teachers. Naruto somehow wound up as the leader of everyone, and is directing everyone down the hall. Beside him is his trustful friends, Sasuke and Sakura.

With Sasuke’s keen eye, he spots a door labeled ‘President’. “Yo, lets go in here.” Sasuke said with mischief baited in his sentence.

Sakura takes a glance at the door and twitches. “Are you serious?! We’re going to be intruding, let alone we’re probably going to get shot or something!” She managed to wave her hands around like a bird.

“Awww, but please Sakura?!” Naruto begs, using his infamous puppy-dog eyes.

Sakura turns around, facing the other way and says “Sorry Naruto, I said no.”

After not getting a response, Sakura turns around to see everyone crowding into the door and in the room. Her jaw drops to the floor and she cursed under her breath. “Why does no one listen to me?” Sakura sighed in defeat and entered the room.

There was no one in the room when Naruto entered, (he was the first in). So he took the opportunity and look around....and touch things.

“Oooo! Look Sasuke, a glass bald eagle”

Drop

Crack

Shatter

Gulp

“....oops.”

That’s the perfect time where Sakura enters the room. “Naruto! What did you do?!”

On the other side of the room, Neji, TenTen, Shikamaru, and Ino are looking through the President’s personal things in his desk.

“Woah!” Ino exclaims, getting the three others’ attention.

“What is it, Ino?” Asked TenTen, trying to get a better look around her blond haired friend.

“The president is a pervert!” Ino yells, holding up an Ichi Ichi Paradise volume 12 edition.

The three both anime fall to the ground and rub their throbbing heads.

“That’s sick.” Neji says.

“Troublesome.” Do I need to say who that was?

And on the other side of the room, Lee was observing the painting of famous people.

“President Washington, Roosevelt, Marco Polo, Avril Lavigne, Linc- what?!” Lee took a double take of the picture. Indeed, it was a picture of Avril Lavigne. Lee went up to touch the picture frame when it suddenly beeped and a secret compartment came out from behind it.

“Woah.” He exclaimed as he opened the door.

Inside was a fully stocked room full of priceless beer, vodka, and other ‘refreshing’ alcohol drinks.

“JACKPOT!” Lee screams and dives into the alcohol-wonderland.

Everyone else crowded around and soon, they all were enjoying a nice bottle of beer. Where were the teachers when you need them, right?

Two hours later

Naruto, Sasuke, and Sakura roamed the halls with beer stashed in their jackets and their cheeks tinted with a light pink color. Obviously they were drunk beyond repair.

Naruto stirred uncomfortably and he looked around. His vision is pretty fuzzy, so he has to squint his eyes to see.

Suddenly, his eyes catch an odd painting.

It was just a picture of the President. But the funny thing was, it sort of looked like his eyes were following Naruto's every movement.

Naruto eyed it suspiciously. "Naw, it couldn't be." He smiled to himself at his ignorance and waved it off.

But it's eyes were still following him.

Sakura and Sasuke, at that time, stopped walking, and got engaged in their own conversation. But God knows what they were talking about at their stage of drunken-ness.

Naruto stopped and screams at the top of his lungs. "AHHHHHH!"

That caused Sasuke and Sakura to unconsciously scream themselves.

"AHHHHHH!"

"AHHHHHH!"

"....AHHH-"

Bonk

"Naruto, baka, what are you screaming about?!" Sakura asked, irritated as hell.

"That picture on the wall!" Naruto points to the frightening picture.

Sasuke and Sakura raise an eyebrow.

Sasuke steps closer to it and says "I don't see anything questionable about this painting."

"Me too." Sakura adds in.

"I'm serious! It was all like, following me and stuff!" Naruto started to flap his arms around like a bird.

He then grabs Sakura's shoulders and hide behind her.

"It's a painting, Naruto!" Sakura yells.

“It’s suspicious...” Naruto says as if he were Sherlock-Holms.

“Sasuke, please get Naruto off me.” Sakura begs.

“What? Too weak to do it yourself?” Sasuke said mockingly.

“What’d you say?!” Sakura’s steams.

Once again, the two comrades were too distracted by their own fight, that they didn’t notice Naruto watch the painting give him an ‘evil glare’ look.

“HIT THE DECK!” Naruto yells and tackles the two to the ground.

Neji and TenTen were on the next floor above Team 7, and were way too drunk to even walk straight.

TenTen kept on complaining about how the lights were too bright for her eyes, while Neji was dragging his right shoulder against the wall while walking. Occasionally snagging his shirt on something and falling over.

TenTen was so out of it, she kept on thinking that Neji was her boyfriend. Unconsciously giving him kissy faces, and sexy growling noises.

Before Neji knew it, TenTen had stopped in front of him and was leaning in for a kiss.

Normally Neji would leap on her at that point and you know what should come next. But she was drunk, and Neji knew better than to take advantage of a woman that was drunk.

But she was coming so close to him. Way too close for comfort.

‘Uh-oh.’ he cursed under his breath, he was REALLY close now. ‘What do I do, what do I do?!’

Then a light bulb popped up in his head. He backed away and pointed behind TenTen.

“Look! A distraction!”

TenTen turned around and screamed, “WHERE?!”

Meanwhile, Lee was on his own, and somehow ended up in a lunch hall.

Someway, Lee mistook an empty milk carton as a person and got into an engaging conversation with it.... Yes, Lee is a heavy drinker.

“Turkeys and Syrup are alike! *hick* It-It all starts with the letter...uh... P....HAHA! I SAID PEE!”

“AHHHH!” Naruto screamed, getting in the fetal position and covering his head for any possible bombs.

“Gah!” Sauske let out a cry and grabbed his ears. “Damnit Naruto, your freaking screaming made me lose my hearing!” Sasuke yells, punching Naruto square in the face.

Then Sasuke started waving his arms around and swing them, saying things like “I can’t hear” and “Stupid Naruto”.

Sakura raised an eyebrow and asked Sasuke, “Why are you clapping?”

Sasuke turned to her and halfway yelled, “I’m not crapping!” Obviously, Sasuke didn’t hear the question that well.

Naruto burst into a fit of laughter and started to roll on the ground. “Well I hope not, you have your pants on!”

Soon, Sakura joined Naruto, laughing at he now steaming Sasuke.

Now we go to Shikamaru and Ino. Those two wandered the halls like a mouse finding cheese... only the mouse has a bad cold.

Shikamaru kept rambling on about how everything is ‘troublesome’ and Ino wouldn’t stop asking him if her hair looks good enough, or if she looks fat in the outfit she is wearing.

“HEY! What are you two kids doing going through these halls?!”

Shika and Ino whip their heads around to come face to face with two security men. Big ones. Very big, buffy, security dudes.

“RUN!” Ino yells, grabbing a hold of Shikamaru’s hand and bolts down the hall. ‘Oh no, oh no, oh NO’ her mind was racing, but it was too cloudy to come up with a plan. Stupid alcohol.

Shikamaru on the other hand fell asleep, having Ino drag him and trying to run at the same time.

He was having a wonderful dream of how he was finally what he wanted to become... a cloud. A beautiful, puffy cloud that had many cloud friends too. He and the other clouds played hide-and-seek. He secretly had a crush on another cloud, but was too scared to tell her. But the dream started to turn into a nightmare. Suddenly, his cloud form started getting bigger and bigger until he felt he was going to burst. Which is exactly what happened. All of his precious fluffiness turned into a wet liquid, falling down to earth, until he was no more....

“HOLY CLOUD!” He snaps out of his nightmare to find that he was still being dragged by Ino.

“You lazy piece of crap! THINK OF SOMETHING!” She yells, turning yet another corner.

‘Oh yeah, we were being chased....’ “I can’t think of anything.” He said, crossing his arms across his body.

Ding

But Ino, did.

“Ok Shika, I have a plan.” Ino stops suddenly and faces the guards. “Hey look! A butterfly!” She yells, pointing behind the men.

“Run, Shika! What are you waiting for?!” She screams impatiently.

“I don’t see it, Ino. Where’s the butterfly?”

Now we go back to Team 7.

Actually, I’m not sure if you want to know what’s going on with them.

Well, if you must know, I guess I have no choice but to tell you.

Sasuke finally got his hearing back, thanks to Sakura’s healing, and pulled out some more beer for them to drink.

With him taking one last sip, he smashes the bottle on the ground, causing Naruto and Sakura to look up at him as if he were insane.

Well, I guess he was because ‘thee’ Uchiha Sasuke started singing “I’m A Redneck Woman”.....wow.

And if that wasn’t bad enough, Sakura got in the moment and started to sing her own song. Only it wasn’t Sasuke’s. What she sang was, “Pretty Fly For A White Guy”.....double wow.

With his two teammates singing opposite songs at the same time, Naruto felt alone. So what does a knuckle-head ninja do at a time like this? Sing, “Do You Believe In Magic” of course!..... Triple wow.

Now the three ninja, supposedly the best or so they say, blocked out everything in the world and continued to sing their own songs.

Sasuke continued his song and got to the part, “Let me hear a big ‘hell yeah’ from the redneck girls like me!”.

Naruto yells out, “HELL YEAHHHHHHH”

Sakura screams, "Shannaro!" (for those of you that watch the Japanese Naruto too, that's Sakura's punch line, it means Hell Yeah)

Unknowing to them, a shy, white-eyed girl cautiously walked up to the three drunken teammates. Her fingers twiddles together unconsciously as she approached them.

After about five minutes of Hinata standing right in front of them, they finally notice her....and scream again.

"AHHHHH!"

"S-sorry, did I scare you?" Hinata asked, but a little slur in her voice. Uh-oh, Hyuga Hinata is D-R-U-N-K...only a little less than the other three.

"No, but now I need a clean pair of underwear."

Sakura takes a whiff of the air and says, "Why do I smell cheetos and @\$?"

All of them groan and hold their nose, trying to spare their lives just a little bit longer.

Somehow, the stench lured a large bat to come swooping down at Naruto.

"Ack!" He yells, swatting at the winged beast.

He managed to hit it and it started to fly away.

Hinata's eyes widen and she starts running after it yelling "Come back, Black Chicken!"

The three others take off after Hinata.

"No Hinata, that's a Bat! Get back here!" Sakura screams.

Yup, it's official, I'm going to make a 3rd part to this. I know this wasn't a very exciting chapter, but believe me, it's better than what I was thinking about when I had my brain-fart earlier on. And sorry I didn't mention the President's name. It would be a major cross over thingy. Some of you may not live in the US so I couldn't put who our current President is. I'm sorry for the major delay in updating, and it 'may' be like that again for the next chapter... stupid softball, stupid volleyball, stupid school! >< *yawn* Well, I'm tired, and I have a volleyball game in a little bit. Wish me luck, k? Alright, I'm going to take a nice old nap...

OH, and there is good news people! Since school started for me (unfortunately), most of my funnies happen in school. So my next chapter (if you all haven't given up on me yet) should be super funny...lets hope.... ok, I'm going to bed... R&R PLEASE!

~Celine

...*yawn* Goodnight my fellow readers...hope.....you.....enjoy.....it. ZZZZZZZzzzzzzzzzz
