# 1 - 1

ray the flying squirrel-It's not fair!

mighty the armidilo-whats not fair?

ray-that vector, charmy and espio got to be in a game while were stuck on this boring island.

bark the polar bear-well maybe if someone hadn't destroyed most of the island and the arcade with every video game ever made, this place wouldn't be so small and boring.

bean the dynamite-well sorry, i didn't mean to do all that stuff.

bark-then why you do it?

bean-i was bored alright.

bark-then why didn't you go to the arcade?

bean-because i beated every game ok, and if you don't get off my back i'll beat you up!

bean-well i'd like to see you try!

mighty-shut up! or i'll beat both of you guy's up!

both-ok,ok.

mighty-now, what were you saying ray?

ray-i was saying that it isn't fair that they put those guys in a game while were stuck here.

bark-go on.

ray-well, we should go and demand that sonic team should put us in a game.

mighty-but we had a deal remember?

ray-no, what was the deal?

mighty-the deal was that they give us this nice and big island with a huge arcade,(stares at bean) so that we never ask to put us in a game.

ray-but vector,charmy,and espio broke the deal.

everyone-thats right.

ray-alrigt then, lets go!

bean-before we go, can i destroy the rest of the island before we go,pleeeaaaassee.

bark- can you destroy it in a minute?

bean-just one second.

brings out a switch, preses it, all of a sudden the biggest bomb you'd ever seen comes out his mansion.

bean- i've been saving this for a special event.
