Chapter 1 - My kingdom

2

1 - My kingdom

Broken hearts and shattered bones,
throughout this kingdom, I will roam.

Nothing to stop me from my throne,
to become a man, of my own.

I ask of you to let me go,
loving me always, that I know.

Hold me back, I plead no more,
freedom I seek, to my core.

The tension of your broken heart,
holds me tight, I can not part.

My heart of shattered bones and broken glass,
with my youth, this too shall pass.

I will not fall, I refuse to quit,
there be fears ahead, this I admit.

Shattered, battered, and broken tries,
my shoulders will not support life's lies.

Life is yet, for the taking,
a kingdom built, from my making.

My kingdom in my minds eye,
will be fulfilled by time I die.
