Pissed off

By Sophie Reznyak

I was mad at you.
But it felt stronger than just madness.
I was pissed off at you.
You promised me you were a great guy.
You told me you were one of the best.
You told me you were a gentleman.
I believed you.
I truly and honestly believed you.
But I should not have.
I should have listened to the warnings.
I was vulnerable.
You took advantage of that.
I didn't know until later.
I noticed once you flirted around.
I noticed once you acted as I was not there.
I wondered why.
I found no answer.
I was mad.
NO I was pissed off.
I don't get pissed off.
But you lied to me.
That is a reason to be pissed off.
You ignored me and acted as I was not there sometimes.
I let it go.
But it happened again.
So I got pissed off.
Your girlfriend wants to be noticed by you.
Your girlfriend wants your attention.
Give her wishes.
Or she might get pissed off.
