## 1 - I Love...

*I love you more than anything,  
I think you might love me too.  
I dont think there is anybody,  
I could love as much as you.  
I love the way you smile.  
When I smile at you.  
I love that look in your eyes,  
When I flirt with you.  
I love the way I get nervous,  
When I wanna say I love you.*

## 2 - The Way I Feel!

*How can I feel this way?*

*I feel so Invisible.*

*I feel like nobody knows who I am.*

*My life is so useless.*

*My life is so dramatic.*

*How can I live my life like this?*

*I just cant do it any longer.*

*Sometimes I wonder wether to end my misery or hang on longer.*

*But I feel like I cant do it anymore.*

*So why ask myself how can I feel this way?*

*My life doesnt matter anyway.*

### 3 - Living Forever Dying Alone

*You said I would live forever  
But forever I've never seen  
beautiful stormy weather  
Colored Illusions, Painted dreams  
minions have surrounded  
I just want to be FREE!*

## 4 - When Love is Torn Apart!

*When love is torn apart,  
it doesn't grow weak,  
it grows strong,  
When love is torn apart,  
lovers long more to see.  
When love is torn apart,  
lovers long more to talk.  
When love is torn apart,  
love grows more unique.  
When love is torn apart,  
Most importantly, it  
can be put right back together.*

## 5 - True Forever

I never thought you would be it.  
But now that you are,  
I couldnt be happier.  
You give me love.  
You give me joy.  
And you give me peace.  
I love being near you.  
I hate being far from you.  
Nothing will ever tear us apart.  
I make these vows to you  
These vows always true to you.  
Always true forever.

## 6 - My Vows To You

My vows to you are like a dream.  
So real and so true.  
Just the way that I feel for you ,  
makes me wanna jump for joy.  
I hated leaving you behind all the time.  
I hated lying to you only once.  
I love the touch of your hands,  
And the kiss of your lips.  
I love the way I cant live without you,  
And if I had to Im sure I wouldnt live long.  
My vows to you, I promise, are true & real.  
Your ways of completing my life fulfill me in every way.  
My dreams of you only make me happier,  
And the way you care for me gives me butterflies.  
Day one was great.  
I had no doubt we would last forever through thick & thin.  
So now I tell you that my love for you,  
Is so great & I wouldnt change my love for you in a lifetime.  
My love for you isnt about you background.  
My love for you isnt about your age.  
Age is just a number.  
My love for you is heartfelt & will never change.  
I love the way your love makes me feel inside,  
And I love the way I can give you my whole love with nothin for someone else.  
So upon ending these vows I promise to you,  
I tell you that I will be with you everyday,  
every way and anytime you need me.  
I will stand by you for the rest of our lives together.  
But this will only happen as I say "I do!"

## 7 - Loving You

Loving you has been so short,  
Now you're leaving for awhile.  
I dont know what to do.  
I just hope you dont forget about me.  
You are the one I love & I never want to lose you.  
Im supposed to move but I dont want to  
Moving away would only mean leaving you.  
Leaving you is something I would never do in my life.  
My heart is fragile so there is no room for another heartbreak.  
So living with you forever is all my heart desires.  
I cant live without you.  
Life without you would be dreadful.  
Now you're leaving for a while & I wont be able to see you.  
How can this be?  
We just met and just started dating and now you're leaving.  
I cant handle this life.  
I never want to lose you for you're all I have left.  
So now that you're leaving all I can do I talk to you.  
Im glad I can hear your voice for without it I couldnt live.  
But loving you has been so short,  
I WILL NEVER STOP LOVING YOU!  
YOU ARE ALL I LOVE!

## 8 - Untitled

How could you lie to me?  
Tell me you wouldnt leave me  
But now you're gone.  
Tell me you love me  
But you left me for a 12 year old.  
Tell me you would never break my heart  
But you left me & took my broken heart with you.  
You left me with nothing left to give.  
How could you? I love you!  
You made me think it was true love  
Now my life is ruined  
And I have nothin left to give.  
Please tell me you love me still  
For if you dont I might die.  
Please have mercy & return my broken heart.  
My life is shattered.  
The least you can do is hand me the remains  
Of my broken heart you tore to shreds.  
If you love me so much just come back to me.  
I long to feel just one last kiss.  
I long to feel just one last touch.  
You are my love & nothing will ever keep me from you.  
But how could you lie to me  
When you know I love you & you love me too.  
No matter....My heart is broken now because of you.

## **9 - The Way You...**

The way you look at me,  
It just makes me feel special.  
The way you whisper in my ear,  
It gives me all these butterflies.  
The way you flirt with me,  
It makes me want to do backflips.  
But the way you love me all the time,  
It makes me feel like I've never felt before.  
All because you love me.

## **10 - You Are...**

You are the one,  
that makes me weak at the knees.  
You are the one,  
that gives me butterflies when I'm around you.  
You are the one,  
that makes me feel the way I do.  
You are the one,  
that puts the sparkle in my eyes.  
All because,  
You are my everyday.

## 11 - Do I Love You or Not?

Do I love you or not?  
How can I be so confused and stuck?  
My life is centered around you.  
I love you so much!  
I cant live without you!  
My life will be over if I dont have you.  
You are my life & you hold the key to my heart.  
Please just dont break it  
My heart is fragile & so is yours  
If you break my heart I will die!  
I just dont want to lose you.  
I give my heart to you the way that I should have before  
So my dearest love hold me now & never let me die  
ALL I WANT IS YOU!
