One 16year old boy Michael and a 16 year old girl Sarah fell deeply in love since the very first day they met. They both lived in California but the girl had just moved there a year ago but fell for him so fast. Michael played on her dads football team he was the best player on the team and her dad saw him as a son of his own. Sarah was a cheerleader on the team and had everything she ever wanted. Until one day.....her life crashes.

Mom: Wake up honey.. Michaels downstairs waiting for you.

Sarah: Oh my gosh.. I woke up to late I still need a shower and everything.

Right when she said that Michael walked into her room smiling from ear to ear.

Michael: No baby.. you're beautiful just like that now come on Im starven.

Sarah: Okay.

Sarah got out of bed put on some clothes and took his hand and walked out the door to his car and got in.

Sarah: Where are we going.. remember I have to be home by 1 .. i got cheerleaden practice and you have football.

Michael: I know..

Then Sarah noticed that Michael was really pale like he was sick or something.

Sarah: Michael are you feeling okay.. you look like you're sick?

Michael: yeah it's just my allergies.

Sarah: are you sure.. did you go to the doctors the other day?

Michael: yeah.. they just said take some allergie pills and I'll be okay.

Sarah turned to look away from Michael.. she knew there was something more than just allergies. She has allergies and she doesn't look like that. Then he reached out and held her hand.

Sarah: Ohh.. Michael your hands are cold. I dont think you're okay tell me whats really wrong..do you need to go back?

Michael: i promise you baby everything is okay..they told me to come back tomorrow but I aint going because theres nothing wrong with me.

Sarah: Michael you need to go...if they told you to then there is something wrong.

Michael let go of her hand and turned back to the road and didnt talk to her the rest of the way. Sarah just looked at him. They finally pulled up to the resturaunt and ate breakfast.

Michael: did you bring your cheerleading stuff or do we have to go back to your house to get it?

Sarah: No I have it....do you really think you should go to football like that ?

Michael: yes Sarah I'm fine.

Sarah: if you say so...

Michael:Sarah baby would I lie to you?

Sarah: no...

They got back in the car and went to the feild they got out and started practicen. Sarah was

cheerleading and then out of no where they hear a boy yell..."HE'S NOT MOVING SOMEONE CALL 911..HELP COACH". Right when she heard that she turned around and saw Michael on the ground just laying there not moving. She ran to him and her dad pushed her back.

Dad: no honey you shouldnt be right here..

Sarah started to cry...

Sarah: daddy what happened is he ok?

Dad: honey just please go back with your coach

Sarah walked back and sat on the bench while the ambulance came and took him away. She got in the car with her dad and they went to the hospital. When they got there his mom was already there and talking to the Doctor. They walked over and listened.....

Doctor:You may want to sit down for this....

Michaels Mom: Is he okay?

Doctor: Mam..your son has lukiemia.....we can put him on treatments..but he might not make it because was caught it to late.

Sarah was shocked and began to cry on here dads shoulder.

Michaels Mom: what kind of treatments?

Doctor: well the treatments will cause loss of hair... but it will help slow the cancer down

Michaels Mom: but he's certain to die?

Doctor: well yeah.. but we have had this surgery to clear out the clogs.. but its possible he will not make it.

Michaels Mom: I understand... I will have to talk to him about this...can we see him now?

Michaels mom looked over at Sarah and hugged her tight she knew that Sarah loved him with all her heart.

Michael's Mom: you go first sweetheart

Michael's Mom: yes honey...

Sarah walks slowly to his room and turned the knob. She just stood looking at him laying there weak. He was so pale and he had cords hooked up to him and everything it was painful for her to look at him.

Michael looked at her and weakly smiled at her. She went over and kneeled down beside of him.

Michael: did they already tell you?

Dad: of course you two be careful.

Michael took Sarahs hand and lead her outside to his car. It was completely dark outside when he pulled up the football field.
