1 - How It Happened

Well, this is my first fan story... I hope U like it! Though it may seem a little strange at first.... oh well, who cares? ENJOY!!!!!!!!!!!!!!!!!!!!!!

CHAPTER ONE

"Okay, y'all, we'll meet up at... uh..... McDonald's after, 'kay?" Cyborg told the rest of the titans at the mall. "Okay! But... where is the M'cDonald's?" Cyborg groaned at Starfire. "Over there, stupid..." The five friends seperated. Beast Boy stood there. "Um...where do I wanna go.... I have almost every video game I'd want, almost all the clothes I need, and I'm not hungry..... I'll go follow Raven!"

Beast Boy ran to the book store. He saw Rven in the Adult Horror books. He started to walk over when he heard a gruffy voice behind him. "Where're you going, l'il man?" He turned around and saw some fat guy...the store owner. He gulped and answered. "Um... I was going... uh..... over there? Heh.." The fat man growled. "No one under 15 is allowed in here!" He grabbed Beast Boy by his shirt. Beast Boy glanced at Raven. She smiled evily. "Bye-bye, *little* boy! HA HA!!" Beast Boy growled as the dude threw him (litteraly) out of the store. Beast Boy rubbed his neck. "Fine! I'll go talk to Cy.."

He walked over to an electronics store where he found Cyborg. He took one step and a hand grabbed his shoulder. " 'Ey, mon! You not alloud in 'ere!" Beast Boy turned to see some Jamaican dude. "If you be unduh 15, you not alloud!" Cyborg smirked. "Sorry, dude. You're just too young." The store owner started to sing. "Don't worry, about a 'ting! Cause every little 'ting, is gonna be alrite!" Beast Boy practically roared and stormed out. He then saw Robin and Starfire at the movie store. He walked in the door and faced the section they were in. "Hey, doll, you're not thinkin' 'bout goin' over there, are you? You're not old enough," said the store owner as she chewed on bubble gum. This time Beast Boy did roar and ran all the way to McDonald's and sat down and pouted.

The others came up to him. "Hey, BB, wanna go to the park," asked Robin. "Pfft," Beast boy said. Robin looked at him in a confused way. "Poor wittle Beastie Boy got banned from the ADULT stores," laughed Raven. Beast boy was about to lunge at her, but his belt started blinking. "Trouble! Titans, go! It might be Slade! (Robin's still obsessed with killing Slade even though Raven's the one he wants... "Birthmark", remember?) Beast boy flicked Raven off and ran.

"Perfect timing," mumbled Mumbo Jumbo (try saying THAT three times fast!) . The Titans ran at Mumbo. "Mumbo Jumbo!" He cast his wand at Beast Boy. A light hit him and he fell, becoming unconscious. Raven looked at him and rolled her eyes. The four other Titans attacked. They won and sent Mumbo to jail. "You think you've stopped me? Wait 'till you're little friend wakes up," he whispered.

"Uhhnnn.." Beast boy woke up in his bed and rubbed his head. He looked around his room, and then jumped down. Weird, he thought. That jump wasn't as high as it usually is... He stretched and walked past his mirror. He suddenly paused and ran back to the mirror. He gasped. His hair was still spiky, but it was a more mature spiky hair-do. Not just that, his face... He saw that his face wasn't as child-like as it used to be. And his facial features were more mature, too. He studied his body. He had large muscles and skimpy legs and arms. He actually looked, well, sexier. He wanted to test one last thing. "Sunamiounakosisnukisonia!" He found out that his voice was deep. He then saw a card on his bed. He read it. It was a driver's license! And it said he was 25.

He stood shocked. Wait, he thought. Mumbo! That's it! His spell did this, Beast Boy thought. He grinned. His fangs were longer and sharper now. He snuck into Cyborg's room, and went over to a closet that said "Disguises". He rummaged through the clothes until he found a large T-shirt and some baggy jeans. He pulled off his now-too-small uniform and put the clothes on. They fit comfortably. He ran his fingers through his hair. "How am I gonna explain this," he thought out loud. Oh well. Just go out and say it.

He ran down the stairs and stood at the edge of the living room door. He listened closely. "You know, mabey we just shouldn't bring him with us to the mall. He gets WAY too upset when he gets kicked out of stores," Robin said. "Yeah, let's just leave little Beast Boy behind?" Raven said. "Who're you callin' Beast BOY?" Raven turned when she heard a deep adult-like voice. Her eyes widened and she spilt her Herbal Tea. "B-B-Beast Boy? Is that you?" Everyone stared at him. He grinned and winked at Raven. She fainted and woke up quickly. "Yeah it's me. And if I'm correct, you can't call me a boy anymore. Just call me Gar," he said, flashing his driver's license.

Cyborg gawked. "Um, okay, Gar, how the heck did this happen?" "Yes! You look most wonderous!!!" Starfire stared at him with hearts in her eyes. Robin growled and pulled her away. "Y'know, I don't know how this happened. But I'm goin' to see what ev'ryone else thinks." He glanced at Raven and gave her a sexy smile. She blushed and felt weak at her knees. Gar laughed and walked out the door. "Okay, I've heard of puberty but this is ridiculous!!!" said Robin. Cyborg stared. "Are you mad cause he became a man before you?" "NOOOO!!!... I just don't like this.." Raven was still blushing blood red. "Girl, what's wrong with you?" said Cyborg. "Well.... um..... now that he's nevermind!" Raven ran to her room. "Well, I'm going to follow him to make sure he don't do anything stupid," said Cyborg. He got up and left... only to find out that Gar stole his car....

This is the END of CHAPTER ONE!! The next chappie will be funnier! :)

2 - Some Stuff

Hi peoples!!! This is the second chapter... (duh). I'm gonna put a lot of weird and confusing stuff in here (kind of like my sister's diary).

ENJOY AND COMMENT!!!!!!!!!!!!!!!!!!!!!!!!!!!!

CHAPTER TWO

Gar looked out the window of Cyborg's car. "Why do I have the feeling that Raven is behind me?" He turned and looked out the window. Raven was behind him. He pulled over and got out. "What're you doin'?" Raven flew down and blushed. "I...uh.... Hmmm..." "SQUEEEEEAAAALLLL!!!!!!" Gar turned to see a bunch of girls. "GET THE HOTTIE!!!!" The group of girls attacked him. Raven growled and jumped at one of the girls. "GET AWAY FROM HIM!!!" Raven hissed. A bunch of fat guys started to put the set of Jerry Springer up in the middle of the street.

A bunch of people ran over to the spot. "JERRY! JERRY! JERRY!" Jerry Springer came out of Wal-Mart. The words at the bottom of the screen said, "Is a slut trying to steal your boyfriend?" Raven put the girl in a headlock and broke her neck. "You broke my neck!" Shouldn't you be dead!?!??" Raven screamed. She picked up jerry and smacked the girl. "Dead yet?"she asked. "No."

SMACK!

"Stop!"

SMACK!

"PLEASE!"

SMACK!

"Bloody Murder!"

"LET's BE CIVILIZED!"

SMACK! SMACK!

The girl layed on the ground. The other girls looked, then the screamed like girl scouts and ran away.

The fat guys from earlier packed up all the Jerry Springer stuff and walked off. Gar layed on the ground with tons of hickeys on his neck. "Ohh..." Raven spit out the finger she chewed off the girl and ran to his side. "You okay?" "Yeah..." Raven smiled and pulled him to his feet. "So," Gar said, "are you here to take me back to the tower or are you here to force me to read Victoria's Secrets?" Raven wrapped her arms around his and scooted next to him. "No, I'm here to ask if you want to go on a date?" Gar stared and blinked for about five minutes. "Sure." They went to the movies to see A Movie About A Hobo Who Tried To Kill President Bush.

They started to walk through the doors when they heard stone moving across the floor and smelled cheap Dollar Tree perfume. Raven growled. "Terra..." Terra burst out of her stone prison. "Gimme my boyfriend!!! ...Even-though-he's-now-25-and-left me-when-I-told-him-to-the-day-I-died-I-mean-honestly-when-a-woman-says something-like-that-a-guy-ain't-supposed-to-do-it-but-anyways-he's-still-cute-and-I-deserve-him-because-you-hated-him-until-now!...PANT PANT.. And-you-will-most-definatly-not-kiss-him-and-plus-blah-blah-blah..." Terra had been so busy talkin' that she didn't notice the couple left and went through the door. Gar and Raven rolled thier eyes and sat down. Halfway throught the movie, Raven got a fluttery feeling in her stomach. She looked at Gar. He was throwing popcorn at the back of some fat Italian guy's head (note: I ain't making fun of Italians..I love speghetti to much!). Raven tried to keep a distance from him so her powers wouldn't blow him up. He turned to her. "Hey Raven, I forgot my drink. Can I have a quick sip of yours?" A seat blew up behind them sending Queen Latifa into the air. Raven gulped. "Sure..." She handed him her Sprite. He took a long "sip" of it and handed it back.

Raven blushed and set the cup beside her. At the end of the movie, Gar asked for another "quick sip". Raven took a sip and hande it to him. He put the straw in his mouth without even wiping the straw off! Raven spaced off thinking. "...like-the-time-he-fell-off-the-couch-trying-to-see-if-he-could-fly-without-wing s-I-helped-him-not-you-and..." Terra was still talking when they left. It was eight o'clock. "Well, let's go home before Cy gets worried about his "baby" (referring to the car)" Suddently, he wrapped his hand around Raven's waist and pulled her close to him. She blushed so red that if you held her next to a stop sign, you couldn't see her (and a drunk driver would hit her, thinking she was a stop sign). She decided to lay her head on his chest. Nothing blew up. They got in the car and drove to the tower.

"WHERE"VE YOU BEEN!?!?! I've been waiting for you to bring that car back since 6:00!!! Dawg, if you try that again then I'll pound you so hard that you'll--" Gar held his hand up. "Respect your elders, Cy." Cyborg growled and stormed into the kitchen. Gar sat down on the couch and changed to channel 47, SCI-FI. He started to watch LARVA (that movie's scary....). Raven and Starfire sat next to him. "Friend, since you have been on the date with friend Raven, I was wondering if you would enjoy going for a walk on the beach with me?" Starfire looked at Gar with ultra large hearts in her eyes. "Ummm...." "STARFIRE!!" Robin stormed into the room. "NO, NO, NO! You said you would walk on the beach with ME! Not HIM, ME!!!!!!!!!!!!!" Starfire stared. "Oh, fine."

Starfire left with Robin. Raven scooted closer to Gar. He had changed the channel to Bevis and Butthead. "Dumbass," said Butthead. Raven stared at him with starry eyes (no, not Butthead, Gar.) . He wasn't paying attention to her. "Um..Gar?" "Hm?" "I was wondering if you'd...um....." She struggled to think of something to say. Gar licked his lips nervously and waited. "I...." He lost it. "JUST SPIT IT OUT,

WOMAN!!!! I DON'T GOT ALL DAY!!!!!!!!!!!!!!!!!" Raven stared with a hurt look in her eyes. "Look, Rae, I'm sorry...." She turned and began to cry (not really, she's just trying to make him feel bad and kiss her. Girls are very smart, y'know!). Gar looked at he floor, then softly carressed Raven's face. He turned so that he faced her. "Rae, what did you want?" "I...just can't say it...."

Suddenly, Gar leaned over and pressed his lips on to hers. Raven was startled at first, but she closed her eyes and deepened the kiss. It was only a minute (literaly), but to them, it lasted an eternity. When he finally stopped, Raven was staring into space and replaying the moment in her head. I'm guessing she'll be okay, Gar thought. He then left the room and went to take a shower.

Raven walked down the dark hall untill she heard running water. She stood at the door. "Gar?" He couldn't hear. He was singing (kinda offkey...). "Yo mamma, show me how you move IT! Go 'head, put your back into IT! Do ya thing like it ain't nothin' to IT! Shake..." He continued to sing... "GAR?" "Back when a hoe was a hoe, a coke was a Coke, and crack's what you were doin' when you were crackin' jokes!" Raven started to get impatient. "GAR LOGAN!!!" "I walk this empty street, on the Boulavard of Broken Dreams!" Raven slammed the door open. Gar was STILL SINGING. "This love has taken it's toll on me. She's said good-bye, too mant times before!" Raven held her breath then slowly breathed out. "Gar, don't make me open this curtain!" He poked his head out. "What?" "What do you want for supper?" He thought a moment. "A Hardee's Thickburger!" Raven stared. "Aren't you a vegetarian?" There was silence. "Not anymore...." Raven walked out and flew to Hardee's. But it was closed. So she started to go to Mc'Donald's"

"No, don't stop here!" Raven stopped. "Who're you?" "I'm your hamburger craving. Go to Wendy's!" "That does sound better." Raven went to Wendy's. "Yeah, you want a classic double with cheese!" "How about a spicy chicken sandwich with a mix of peppers and spices?" Raven sighed. "Lemme guess... You're my spicy chicken craving, right?" "Who invited her?"

"She wants spicy!"

"She wants hot and juicy!"

"What about me?" Raven rolled her eyes. "Who're you?" "Your wife's frosty craving." "Hey! I know I say 'Dude you don't want to ignore her' in the commercial but, c'mon, you don't have a wife so beat it, Frosty Craving!" "Fine!" Raven buys a hamburger for Gar and a chickrn sandwich and a hamberger for herself. She then hired a pshychiatrist to talk to her about the Wendy's cravings in her head. Later that night, Cyborg worked on his car while Raven and Gar ate. They sat in silence for a long time. So Gar started to sing. "Hayley, I know you miss your mom, and I know you miss your dad, when I'm gone, but I'm trying to give you the life I never had..." "Shuttup," mumbled Raven. So Gar started to tell "Yo Mamma" jokes. "Hey Rae?" "What?" "Yo mamma so fat that when she saw a school bus, she yelled 'STOP THAT TWINKIE!'" Raven's eyes widened, seeing he was challenging her to say something better. "Oh yeah? Yo mamma so fat that priests would have to go back to before the earth was made to babtize her!" (there was only water, then....for those who don't know!). Gar smirked. "Yo mamma so stupid, when she read a peice of paper that said 'Don't write below the line', she wrote OK!" Raven thought hard. She said the only thing that came to mind. "Yo mamma so poor, she can't afford to pay attention!" "Yo mamma so poor, she put a milkshake at McDonald's on layaway!" "Yo mamma's teeth so yellow, that when she's

walking on the road and smiles, cars slow down." Gar thought for a long time. "Yo mamma so ugly, when she looked out the window, she was arrested for mooning!" "Yo mamma so fat, when she lays on the beach, people yell FREE WILLY!" Gar laughed and thought some more. "One more. Yo mamma so fat AND old, when God said "LET THERE BE LIGHT" He first had to tell her to move her big butt!"

Raven was actually laughing so hard she was crying. Gar choked on his hamberger and Raven had to perform th hiemlech manuver (is this how you spell it?). They finally stopped laughing. Gar walked towards the couch and layed down. "I got to sleep here cause my bed's too small," he said. Raven walked over to him. "Good night," she said. "Night!" She walked out of the room and into her own. She layed down in her bed and kept playing the kissing image in her head (she could also still hear the Wendy's cravings...).

On The Beach

"Oh Robin, is this not romantic?" Robin sighed. He looked at Starfire... only to find her looking at a picture of mustard. "Star, I want to ask you something. Can I- -" "NO!" Starfire jumped back. "YOU CANNOT HAVE MY BELOVED MUSTARD PICTURE!! NEVER!!" She smacked Robin, body slammed him, and threw him into the ocean. She ran away screaming bloody murder. Robin looked as she ran away, then swam to the bottom of the ocean to find Bikini Bottom (I used to watch Spongebob...don't ask...)

At Jail

"Hmm...mabey that wasn't exactly the right spell to cast on that boy," said Mumbo Jumbo. He was looking in a crystal ball. Then Mumbo mumbled some mumbo jumbo that should not have been mumbled by Mumbo Jumbo. It was a reverse spell. He laughed hysterically...until some fat Italian guy killed him (don't underestimate the power of Italians. They cook piza...beware!).

End Of Chappie One (fear me...)

Suspence killing you? Good....

4 - Some More Stuff

Hi! This is known as the third Chapter! There's alot of stupid stuff in here.

E N J O Y!!!!!!!!!!!!!!!!!!!!!!

CHAPTER THREE

Gar woke up, but he felt a little different. He hopped off the couch and looked in the mirror. He was 14 again!! "NOOOO!!!!!! Crap, I wanted to be 25!!! Wait a minute...", He stopped and looked at the ceiling. "Hey narrarator?" Narrarator looks down. "What?" "If this is where I stop being 25, wouldn't the rest of the story be boring?" "Yeah, I guess you're right, but I killed Mumbo! I can't reverse it!" "How about you say that the fat italian dude just smacked him?" "I can't. I already wrote that chapter.....but that doesn't mean I can't make you older! Here goes!!" The narrarator then starts the whole chapter over.

(The New And Improved Chapter three)

Gar woke up, but he felt a little different. He hopped off the couch and looked in the mirror. He was 18! (not much of an age difference, huh?). What happened, he thought. Raven walked into the room holding some herbal tea. "Um ,Gar? Why do you younger?" He froze and thought of what to say. "I fell into the soda fountain of youth!" Raven shrugged. "That'll do. So, you wanna go to the mall?" "Sure!" They went to the mall.

at the beach

"AHHHHHHHHH.....pant, pant..." Star stopped running from Robin. "I shall teach HIM to steal my precious mustard picture!" She kissed the picture 100 times and hugged it. Robin swam up to the shore of the beach. "Well, look! It's STAR!" Hi, Starfire!" Starfire turned around. "You have come to steal my mustard picture, yes?" "No." "No, what?" "No I haven't come to steal your mustard." "Oh." Robin got up and they continued their walk.

at the mall

Gar and Raven walked into Belk. "Hey, Raven?" "What?" She thought of what he might say. "Do you..." "Yes?" "Do you notice that Cyborg has been gone almost all of the last chapter and the beginning of this chapter?" Raven sighed. "Yes." "Oh, okay." They went to the clothes isle (wait, that's all that's in Belk.....) Gar looked around and waited for Raven to try on tons of pairs of clothes. He thought to himself. How could I get younger.... "Hey!" "Hm?" Gar looked up. "I did it, remember?" said the Narrator. "Hey, I'm trying to make it seem like you were never in here!" Raven heard voices outside the dressing room. "Gar, are you talking to yourself?" Gar froze. "No."

Narrator laughed. Gar glared. "Now she thinks I'm stupid! Stop talking to me!" "Fine." Narrator left. Raven came out of the dressing room. "Well?" She was wearing some tight black jeans with a tight black tee-shirt on. "Umm...I...I, mean...

you...you look good," Gar managed to choke out. "Okay, I'll buy it!" Raven ran to buy it. "Aww...you be in love?" Gar glared at Narrator. "GET OUT OF MY LIFE!!!!" He ran away crying like SpongeBob. Narrator decided to torture Cyborg.

at Tower

Poke. Cyborg turned around to see Narrator poking him. "Stop that." "Why?" "Because I said so." "No. I don't want to."

Poke.

"Stop."

Poke.

"Stop."

Poke, poke.

"STOP THAT!!!"

"This is fun! *Poke, poke, poke.*"

at mall

"Hey , Gar, do you want to go to the park?" Gar turned to Raven and thought for a really loooooooooooooooooooooong time. "Sure." They went to the park when Gar's cell phone rang. "Hello, this is Gar Logan. If this is Cyborg, I don't have your car. If this is Robin, I swear I didn't eat your hair gel. If this is 50 cent, then--" "Gar, this is Cyborg..... dumbass Tell the the Narrator to stop poking me! *Poke*. Stop that!!" Gar hung up and wrapped his arm around Raven's shoulder. "Who was that?" "Just a hobo!!" They walked by the fountain. "Hey, Rae?" "Hm?" "Do you....." "Yes?" "Do you got a penny?" Raven sighed once again. "Yes." She gave him a penny. Gar closed his eyes and gritted his teeth. Then he threw the penny in the fountain. "What did you wish for?" "Huh? I didn't wish for anything. I just felt like throwing a penny in the fountain!" Raven stared. "Why did you close your eyes?" "Indigestion." "Stupid..." The two walked through the park and back to the Tower.

at beach

"Robin?" "What?" "Do you wish to go swimming?" Robin stared for a moment. "Sure." They went swimming. Starfire was swimming beside Robin when she felt something. "AHH!! Robin!! Something has bitten me on my buttocks!!" Robin moved his hand. "DIE!! You klorphglimph!!!" Starfire dived underwater and started to beat the crap out of nothing. Robin sighed. "Why do I like her? The world may never know..."

at the Tower

Poke. Poke. Poke. Poke. Poke. Cyborg gritted his teeth and tried to smack the Narrator. "You can't do anything! I am the narrator, and I'm not rely here," said the Narrator. "If you're not here, how can you poke to me?" "Well, I'm here, I'm just not HERE!" "Oh, so you ARE here, you're just not here?" "Right!..... *Poke.*" "AARRRGGGGGGGHHHH!!!!!" Gar and Raven walked in. "Hey Cy! Wazzup?" Cyborg smacked Gar. "Why didn't you stop that NARRATOR!?!?" "I didn't feel like it." Gar went to his room to check his e@mail.

Gar stared at the screen at an e@mail. *Dear Beast Boy, it said, I wanted to know if you are still going to subscribe to VIDEO GAME OBSESION WEEKLY? I heard you turned 25! See ya! -The Guy Who Owns The Comic Store.* Gar stared. *Nope*, he wrote. *I am way over video games!! Plus the last time you wrote an e@mail like this and I wrote "yes", you sent me a subscription to Playboy.* He sent his e@mail (oh yeh, his e@mail address is *bbtkickass@bellsouth.com*). Raven walked in the room with a cup of herbal tea.

"Hey. Whatcha doin'?" Gar sat there. "What do you think, Einstein?" "Checking your e@mail?" "Yeah! Good, Raven!" Raven rolled her eyes and walked over to him. She wrapped her arms around him and leaned on his shoulders. "Y'know, I noticed something." Gar glanced over his shoulder. "What?" "Your sudden age change may have its advantages, but it has some disadvantages, too." Gar looked at her in

a confused way. "What is bad about being 18?" "You're more HOT now than CUTE. I liked it alot when you were cute. I think you're way to wrapped up in yourself now." "....this is about the Narrator, isn't it?" "Yeah, pretty much. I mean, I like you now, but....what if you start growing a beard? You wouldn't look right." "You got a point...But there's nothing I can do about it. Mumbo's dead." "He is? Well, can't you talk to the Narrator?" Gar sighed. "She won't talk to me. (ha! You need to learn respect, *Gar!*)." Raven thought a while.

"There's a dude in Limbo who can help you! It might take a while to get there though." Gar got up. "Well, if this is causing a few problems, then it'll be worth it." Raven and Gar walked to the front door. Starfire and Robin came in, wet of course.

"Hey, dudes! We're going to Limbo! We'll be back in about three days!" said Gar. "Okay," said Robin. "ROBIN!!!! STARFIRE!!!!" They looked over at Cyborg. "Tell the narrator to stop poking me!!" They ran to help Cyborg while Raven and Gar went out the door. They flew to London where they met a giant. "New Hogwart's students?" asked Hagrid. "No, we need on the train to go to Limbo!" Hagrid pointed to a wall. "Nine and three quarters," he said simply. Gar pulled out his wallt and gave Hagrid \$9.75. "No, stupid. The train....but I'll take that!" Hagrid stole the money and told them how to get on platform nine and three quarters. Raven got between platforms nine and ten. She ran straight for the wall and went straight through it. "Cool!" shouted Gar.

"He positioned himself and ran in between platforms five and six. He ran straight.....INTO the wall. "Over there!" shouted Hagrid. "It has to be platforms nine and ten....cazy muggle...." Gar ran through to platform nine and three quarters and followed Raven onto the train and they headed to Limbo!

What'll happen next? I'm not sure...I got writer's block...

5 - Limbo

I know this took a long time to write...but I finally got an idea!!

CHAPTER FOUR

on the train to Limbo

"Hey, Raven.....you got a Tic-Tac?" Raven stared at Gar with a confused look. "Why?" "I'm craving one...for some odd reason." Raven sighed and gave him an orange Tic-Tac. Suddenly, the train jerked forward and stopped. "LIMBO!!!" shouted the Train Conductor. Everyone on the train got a big stick and started to Limbo. "Not that Limbo, stupids!!" shouted the Train Conductor. Everyone mumbled and went back to their seats, but Raven and Gar got off.

"Whoa, talk about weird....." Gar said quietly as he looked around. Limbo was dark and all the buildings looked collapsed and broken, but the streets were lively and busy. The two started to walk until they reached a red building. "This is it. Okay, I can't go in," said Raven, "because this is strictly a guy's store. Go on." She nudged him with her elbow and pushed him into the store. Gar quietly walked through the store. "Hey, anyone here?" He looked in a crystal ball for no apparent reason. "Welcome," said a high pitched voice. Gar shrieked and jumped four feet in the air. He turned to see an old man with a goatee.

"Welcome, young man. I am....wait, what's my name again....oh, yes. I am Gerinimosio Madlegige!! But you can call me Al! What can I do for you?" Gar stared at the dude's clothes. They looked like gypsy clothes... "Um..oh, yeah! I want to know if you can make me younger," he said. The old man smiled. "Of course I can, didn't you read the sign?" "No." The man motioned for Gar to follow him into a small room and sit down. They sat on these really hard chairs and Gar stared at what was on it...a book. "Okay," said Al, "I need these things from you. A picture of you the age you want to be, a lock of hair, an eyelash, and a donut." Gar rumaged through his pants pockets and pulled out a photograph of him cussing Cyborg out. He ran his fingers through his hair and pulled some out. "Ow..." He then pulled out an eyelash. "Ow again..."

After he got those "ingredients," he looked at Al with a confused look. "Why do you need a donut?" Al shrugged. "I'm hungry." Gar gave him a donut he tried to save. "Okay, now think of how you looked when you were...um...14?" "Yep." Gar focused hard and Al said some hocus pocus that sounded like "higgly wriggly". When Gar opened his eyes he looked in the mirror and...he had a goatee. "I didn't want a GOATEE, stupid!!!" Al stared. "Oh. Okay, close your eyes...again." Gar sighed and did as he was told.

Then Al said "Oogly boogly," and Gar opened his eyes again to find....

outside store

Raven sat outside the store. Suddendly, a hobo came up to her. "Hey, girl." "What?" "Wanna dance?" Raven shrugged. "Sure."

Gar opened his eyes to find...(wait, didn't I say this?)... he was 14 again!! "YESSS!!!" he shouted. "Now," said Al, "that'll be \$5.00." Gar dug in his pocket and pulled out a button, some lint, a marble, and a paper clip. "Will this do?" Al took the stuff. "Yep. This is just enough to buy another donut!" Gar...no wait...he's 14, so we have to call him Beast Boy again.... well, he walked out of the red building. He stepped out and saw...Raven and a hobo were bouncing up and down singing, "I'm a goofy goober! You're a goofy goober! We are goofy goobers! Goofy, goofy, goofy, goofy goobers!!!!" Beast Boy stared. "Um, Rae? Can we leave? My butt itches...." Raven stopped dancing and followed Beast Boy on to the train and they headed home.

at the tower

Beast boy took off his out fit and put on his uniform. It fit. He sighed and looked in the mirror. Even though he was his normal age now, he missed being able to drive a car and all that cool crap he got to do being 25. He walked out of his room and sat on the roof. Raven walked up the stairs and sat on the roof with him. Beats Boy was staring hard at a rock. "You thinking about how great it was when you were 25?" asked Raven. 'No," said Beast Boy, "I'm trying to move that rock with my mind. Move, gosh darnit!!" Raven stared and sighed. "Well, now that you're back to your immature little self...wanna go play UNO?" Beast Boy perked up. "Sure!" He smiled brightly at Raven and ran to the door. Raven slowly got up with a smile on her face. She still loved seeing him smile.

T H E E N D

Yes, cruel fate has led this to be the end (actually, my hand got tired...). So how was it? I know the ending was weird, but don't ask. Comments are accepted!!
