PART 1

1 - The attack of the cheese puff fever. PArt 1

One day Mr Bo Ba went out and walked around. He was unusually tired but brushed it off as just early morning fatigue. As his walk went through parks and twined around buildings he grew colder and colder and kept on shivering. About and hour later he de3cided to walk home. When he was about a block from his favorite post office he fainted. At first people just went and thought he was some homeless bum but a mail man who works at Mr. Bo Ba"s favorite post office. When he saw mr. Bo Ba he went and took him the hospital.
