## 1 - poem

I hear the sound of your voice  
Dont want to move away  
Not until another day  
Just want to be with you forever  
Want this to end... Never  
But how can something end if it never began?  
You say i cant But i can  
And i will love you forever  
But you will never  
Feel the same way...  
As i do everyday
