1 - meeting a girl

one day when Aang, Katara, Soka, and Togh were walking in a forest and stumble upon a girl running from two men. After Aang chased off the men, Katara asked the girl for her name. she paused for a moment then said "my name is Lili. Well, Katara said, this is Aang the avatar, Soka my brother, Togh a blind earth bender, and i am Katara a water bender. At first all Lili did was stare at her for a minute, but then she got a horrified look in her eyes and took off crying. when they finally caught up with her and asked her what was wrong, she said "i am the daughter of a fire bender that attacked your homes and kingdoms." My father died the day of attacking the water nation." Even tho i am a fire bender, i will help you defeat the fire nation." After she said this Aang had a feeling of hope to defeat the fire nation. As they started off on their journey, Lili had a horrible feeling inside her about betraying her nation and mother.
