MAKUTA'S VOICE!

Have you ever tried saying different things in Makuta's voice? Well, if not, here are some instructions on how to say things in Makuta's voice... and make it funny!

All you need to do is put on Makuta's low voice with your hand over your mouth, and voila! You have an automatic Makuta! Now say the following...

1. "Food..." (Slowly, then make munching noises)
2. "Hee hee hee hee..." (Slowly, but each "hee" at the same speed)
3. "I'm a pixie- watch me dance!" (Slowly and rhythmically)
4. "I want a lollipop!!" (Demandingly, and slowly)
5. "Mummy!" (Wheedling and slowly)
6. "Come... join me... be part of myself, and me..." (Said when the big black and red hand thing grabs his own face)

You HAVE to try these, and much thanks to my little Bionicle-obsessed brother, who helped me think of these, and... um... also making his Makuta a little more weird an hyper than he's SUPPOSED to be...

(Note from my bro to all Bionicle fans: My Makuta is MAD!!)
