Chapter 1 - Untitled

1 - Untitled

All the times I've been hurt

All the times I have cried

There has been but one person

Who even cared if I died

That what hurts my soul

That what make me think

About killing,

Not others, but myself

About committing suicide.

The people around me

Think the problem lies with me

The truth is

They have betrayed me

They have hurt me

They have made me cry

I want to die

I don't want to be hurt anymore

I don't want to be alone

I don't want to feel

As if, I am invisible.

On the outside

I am happy-go-lucky

On the inside, I cry

There is only one

Whom I can talk to

Whom will listen to my cries

He tried to talk me out of dying

He tried to make me not cry

I am sorry

I have failed

In listening to you

And with that

I say my last goodbye.
