## 1 - How it begins.

I'm going to tell you a story, you might think it's shooty but that's you, I'm Jay. I'm 17 years old and I'm a stoner, I have long blond hair, a black tabogin, a black hoodie, and blue jeans on, and I live in southwest Detroit. I have what seems to be my only friend, I call him Silent Bob. The reason I call him "Silent Bob" is because he rarely talks, ever. Silent Bob wears a big black over coat, black pants, and a grey hat with "Moobies" written on it. One day me and Silent Bob were walking down a random street, smoking a blunt, and thinking what to do today, something hit me and Silent Bob, literally, we were on the ground and I had a major pain in my head. Everything was spinning, next thing I knew me and Silen bob were standing in this really messed up world, there was a whole lot of colors, red, purple, green and a wierd yellow.(will add more later)
