**Chapter 1 - Deserve Much More**

**2**

# 1 - Deserve Much More

I know you won't rest until I'm  
on your kitchen floor  
with a bullet in my heart  
where there was love before

You don't seem to realise  
that I was never yours  
You don't seem to realise  
that I was never yours....

Take a look around you  
you deserve much more than this

I know that you want to put  
a bullet in my heart  
I know that you want to  
rip my lungs apart

I deserve a second chance

You don't seem to realise  
that I was never yours  
I was never yours

I might have loved you once  
but I was never yours

I know that you won't rest  
until I will never breathe again  
but don't be so quick to  
throw my life down the drain

you deserve much more than this  
I deserve a second chance

you deserve someone who loves you  
don't throw your life away

you deserve someone who loves you  
don't throw my life away

We deserve much more than this
