**Chapter 1 - Twins!**

**2**

# 1 - Twins!

My twin story.

September 8th 1990 a newborn pair of twins were born. Robby was the first born soon followed by Robin. When the mother Maria saw the two of them she knew they were going to be close. When she laid them down together they would snuggle each other. But her husband Robert missed the birth of the two children. When he finally came to see them maria was sitting in the bed holding them. "Hey you finally made it" Maria said as she smiled. "Are these my babies?" Robert asked as he smiled with joy. "Yes they are." Maria gave him the babies and smiled. "What are there names?" He asked. "Your sons name is Robby, and your daughters name is robin." Robert looked at them and turned his head. A while later the nurse came in. "Excuse me Ma'am, but its time to put the babies to sleep." "Oh ok,." maria said laying them in the bed. The next morning maria woke up to see her twins awake staring at her. "Huh, hello there my angels." She said sitting up. They smiled and giggled. "My, my, my, you both are the cutest things i have ever seen." Maria said smiling. The nurse walked in and said " Ma'am your free to go home." "Oh thank you." Maria said holding Robby. "Now you be a good big brother." Maria smiled and Robby smiled back. Maria saw her friend Lisa walk in the room " Hey you." Maria said smiling. "Hey." Lisa said as she smiled and hugged maria. "Oh my they are so beautiful." Lisa said. "Aren't they." "Which one is which?" Lisa asked. "Well Robby is the one im holding and Robin is there." She said pointing at the bed. "Oh look at them, there brown hair oh my they are beautiful." Lisa said rubbing Robins head. "What did Robert think of them?" Lisa asked holding Robin. "Oh well he wasn't exactly here when i gave birth." "Your kidding." "No he came when i was holding them awhile afterwards." "Gosh , what was he doing?" "I don't know but things aren't going well." Maria said looking down." "Oh maria im so sorry." Lisa said then looked at Robin and saw her smiling. "Well I think we should take you guys home now." Lisa said. "ya good idea." Maria said. Maria put Robby back into the bed and went with Lisa to get ready to leave. As the twins laid there they starred at each other smiling. When Maria finally got home she thanked Lisa and said goodbye.

After a little while Robert came home, he had a woman who he was kissing. When Robert got to the living room he saw two little babies sitting there smiling at him. "Oh you have children?" The women asked. Maria walked out of the kitchen and screamed. "Robert, who is that." A little later the women left and maria and Robert were fighting all night long. Weeks passed and maria and

Robert went to court for a divorce. After the devorce they had to decide what was to happen to the children.
