Alright, it's sort of random. Just something I thought of. It's meant to be a song, with a bit of a Linkin Park flare to it, the bars are where a word is drawn out.

1 - lyrics

I can't survive
Can't live like this
I turn away and clench my fists
I take a shot and again I miss
I'm gettin sick and tired of this

I try to fly
Again I'm shot
I fall again back in the rut

You---- Gota learn- to let me go--
I--- can't stay this way now that I know--

And everything is blurring up
I can't sort out my thoughts
Look what you have done to me
Do you care or not

and You----- gotta learn- to let me go--
I--- can't stay this way now that I know--

And I am sinking deeper
It's getting hard to breath
I will stay like this
Unless I can find- a way to leave----

And I wont stop
I wont give up
Cause I know what I've missed
You are gonna pay for me
Get ready for my fist!
