**Chapter 1 - Dear Brother**

**2**

# 1 - Dear Brother

Dear Brother  
it's been so Long  
I don't think I can Find Another  
No one just as Strong

Memories Still Play  
As I try to forget  
But no matter what its Hard to say  
Just how much you truely ment

Wonder what Mother would Say  
If she ever found out about that Day?  
The Day you took me in  
And paid dearly for each of my Sins

You Never Let me go  
No matter how hard I cried  
You Said that You wont ever lose me  
Not until the day you died

You Kept me Safe  
And Held me in your Arms  
You Told me that  
You'll Fight off anything that would Cause me Harm

Dear Brother  
What have I done?  
I lost you Now  
Undoing this web you've spun

You Lost your grip  
And Let me Go  
I fell Hard  
As Hate began to grow

You've gone cold  
Pushing me aside  
You Yelled out  
"I hope you Die"

Dear Brother  
What have I done?

**I've lost it all  
And Now Your Gone**

**I promise to be Good  
and Make things Right  
I never really understood  
Until you showed me the light**

**Dear Brother  
Will you Forgive me?  
Because I forgive you  
For leaving**
