**Chapter 1 - But**

**2**

## 1 - But

Seeing you everyday puts a smile on my face. But seeing you with her turns my smile upside down. Talking to you makes my heart skip a beat. But when you talk about her, my heart drops ten thousand feet. You say that she makes you really happy. But I say that you'd be ten times happier being with me. She wants you to change yourself to suit her. But I want you just the way you are. She loves you for the man she's changing you into. But I love you for the man you've been all along.
