# 1 - A girl Alone

This poem was made because I always feel alone.

A girl who once lived in a kingdom strong and bold.

The girl looked at the walls of her kingdom, they were weak and old.

She was scared so she cried her heart out for help, but no one heard the girl's cry.

She came to a room with the ones she loved, but they didn't notice the girl's pretty face at all. As if she were a ghost.

So she blew her last kiss to them and walked quietly away.

## 2 - My Black Stallion

I don't really own a horse. So I just hope you like it. Oh this is for ainemangaloveras a thank you for the picture.

---

His coat is as black as night  
His mane is as cold as getting frost bite  
His eyes shine like the north star  
But from afar, he's still in my heart  
Although we're apart, I still remember the day I bought him

When I would ride him constantly  
His coat was as soft as silk  
And when I fed him milk, he kissed me

Ever since we've been apart I've dreamed about riding him once more.
